EXECUTIVE REGULATIONS GOVERNING PUBLIC EXPENDITURE.

Powers of Attorney.

RULES *prescribed by the Treasury Board, under sanction of the Governor General in Council, in reference to the mode of Acquittal of Warrants for the payment of money by the Government of Canada.*

1. No officer of the Civil Service shall, under any circumstances, be permitted to act as attorney for the receipt of public moneys.

2. No power of attorney will be recognized, received or acted upon by the Receiver General, which is not printed, and of the form to be obtained from the office of the Receiver General, under which only payment can be made, and such power will operate as to any sum of money due only by the Government at the date of the power of attorney.

3. No powers of attorney will be received by the Government for the payment of moneys on warrants which partake of the character of an assignment of the moneys to another party, or purport to be irrevocable, or are in "*any respects qualified.*"

4. General powers of attorney, authorizing the receipt of money due, or which may become due after its date, by which any chartered bank or agent of a chartered bank, or any private individual, is constituted the attorney, will be received and acted upon, if printed and of the special form to be obtained from the office of the Receiver General; and in the event of the power being to the agent of a chartered bank, the bank must declare itself, by a proper instrument in writing, responsible for the acts of such agent, in respect to the receipts of moneys thereunder.

It is, however, optional with the party executing any power of attorney to a bank or agent of a bank, or any private individual, prior to the execution, to erase the words "or may hereafter become due."

5. All powers of attorney must be signed in the presence of a witness.

6. In case of the death of the person in whose behalf payment is claimed, the probate of will or other proof that the applicant is entitled to received the money must be furnished on application for such payments.

Blank forms of powers of attorney may be obtained from the office of the Receiver General and at all the branches of the Bank of Montreal.

By order of the Board.

TREASURY, OTTAWA, February 1, 1870.

Duplicate Cheques.

Treasury Minute, June, 18, 1888.—The Board had under consideration a communication from the Auditor General suggesting that uniform regulations be prescribed by the Board with reference to the requirements which are to warrant the duplication of lost cheques.

1. The Board, on the advice of the Department of Justice, direct that if a Government cheque, whether on letter-of-credit or Receiver General's account, does not reach the person in whose favour it is drawn, or is lost or destroyed by such person, the bank on which it is drawn be notified first by such person.

2. That a duplicate cheque be issued, on a bond of indemnity of the form annexed being furnished, securing the Government against loss; such bond to be examined by the Department of Justice after execution.

3. That a declaration showing whether the original cheque was endorsed or not' and how it was lost or destroyed, should accompany the bond, in case it is claimed that the cheque was lost or destroyed.

4. That each duplicate cheque should have the word "Duplicate" written in red ink across the face of it.

J. M. COURTNEY, *Secretary.*

Overdrafts of Appropriations.

Memorandum for the Minister of Finance.—You have frequently had occasion to allude in conversation to the overdrafts of appropriations made by departments under their letters of credit, and to inquire whether a remedy could not be found for the evil.

The irregularity occurs :—

(1.) Sometimes by overdrawing the credit to the bank,—but

(2.) More often while there is a part of the credit unused, the over-expenditure of one appropriation being possible owing to an equal or greater aggregate under-expenditure of other appropriations.

It may be supposed that the remedy for (1) would be to give instructions to the bank not to cash cheques against an exhausted credit.

When, however, I have been applied to by a bank for instructions with reference to cheques presented for payment against an overdrawn credit, although I could not, as is plain, request the bank to continue cashing the cheques, I have hesitated to ask that the cheques should be dishonoured, as it might be hurtful to the credit of a department to have it generally understood that it was doubtful whether its cheques would be accepted.

Besides, with (1) as with (2), the responsibility should be laid upon the department. If the accountant of a department attends to his duties, he charges each cheque as it is issued against its appropriation and against the letter of credit of the department, and may be expected to be fully informed from time to time as to the balance of the credit and of each of the appropriations.

I therefore beg to recommend that an Order in Council based upon a report of the Treasury Board be passed, making it the duty of the accountant of each department to inform the Deputy Minister of the department whenever a cheque which is about to be issued will overdraw an appropriation of letter of credit, so that such cheque may not issue until parliamentary, or other authority as provided by the Audit Act, is obtained in the one case, or an additional credit in the other case.

J. L. McDOUGALL, *A.G.*

AUDITOR GENERAL'S OFFICE,
OTTAWA, May 28, 1892.

Order in Council, July 7, 1892.—On a report dated July 4, 1892, from the Minister of Finance, submitting the annexed memorandum from the Auditor General with regard to the overdrafts of appropriations made by departments under their letters of credit.

The Minister in accordance therewith recommends that it be the duty of the accountant of each department to inform the Deputy Minister of the department whenever a cheque, which is about to be issued, will overdraw an appropriation or letter of credit, so that such cheque may not issue until parliamentary, or other authority as provided by the Audit Act, is obtained in the one case, or an additional credit in the other case.

The committee recommend that a copy of this Minute be sent to the several departments for their guidance in future.

JOHN J. McGEE, *C.P.C.*

Appropriation Balances.

Order in Council, June 27, 1888.—The Treasury Board had under consideration a communication from the Auditor General respecting the interpretation of section 37 of the Audit Act which provides for the extension of time for closing the Appropriation Accounts.

The Auditor General states that he understands the section to mean: "That an Appropriation Account can be kept open for any time fixed by the Council, up to three months, for the purpose of charging against a vote all services or supplies for which the vote was taken, that is, those rendered before June 30th."

As the present practice of bringing down the balances of appropriations for three months, and thereby lengthening the financial year to fifteen months, has been productive of delay in the preparation of the accounts for Parliament, and with the view of definitely deciding what course should be followed, the matter was referred to the Department of Justice for opinion.

The Deputy Minister of Justice reports: "The question is, whether, upon an Order in Council having been passed as specified in the section, a department may make additional expenditure and incur increased liabilities upon the strength of the original estimate; or whether the extension referred to in the section is only for the purpose of enabling a department to pay after June 30, liabilities that have been incurred previously to that date. It would appear that the latter interpretation is the correct one. The section, without the proviso, categorically provides that any balance unexpended on June 30, shall lapse, and be written off. The proviso does not either expressly or by implication give a department power to make a new expenditure, and if that power is not contained in the proviso, it is nowhere; it does not exist. The only meaning to be drawn from the proviso is that the extension is made for the purpose of paying after June 30, out of the original appropriations, such accounts as had at that date been incurred."

The Board, after careful consideration of the matter, recommend to Council that for the current fiscal year the present practice be retained, so that no inconvenience may be experienced by the departments, the Auditor General having intimated that he is willling that for the present year such course be adopted; but as the law is clearly in accordance with the contention of the Auditor General, the Board are of opinion that under existing circumstances the practice now followed cannot be continued.

JOHN J. McGEE, *C.P.C.*

Letter of Credit Cheques.

Order in Council June 27, 1888.—The Treasury Board had under consideration a communication from the Auditor General with regard to the signing of letter-of-credit cheques, and submitting a list of the names of persons who sign such cheques for the different departments; and they recommend to Council:—

(1.) That, for each department, substitutes be authorized by Order in Council to sign for those in whose favour the letter-of-credit is drawn, and that a copy of the Order in Council be sent to the Bank of Montreal, or other bank on which the credit may be drawn.

(2.) That the departments be instructed not to permit any person to sign except those authorized by Order in Council.

(3.) That no cheques be signed in blank, either in the inside or outside service.

(4.) That all cheques be drawn in the form: "Pay to the order of ——— ;" and not in either af the forms: "Pay to ——— or bearer," or "Pay to ——— or order."

(5.) That authority be given for the signing of letter-of-credit cheques in the different departments by the following substitutes: (List not printed).

JOHN J. McGEE, *C.P.C.*

Contracts.

Order in Council, May 23, 1880.—On a joint memorandum dated March 20, 1880, from the Honourable the Minister of Public Works and the Minister of Railways and Canals, recommending that hereafter all public works involving an expenditure of over $5,000 shall be let by public tender and contract, unless owing to urgency or other cause it be deemed advisable to take different action, and that in all such cases authority be obtained by an Order in Council. That, with all tenders submitted, a money guarantee, or approved accepted cheque, shall be given, to be open to forfeiture in the event of the tendered failing to make the necessary five per cent deposit, hereinafter referred to, within eight days after receiving notice of the acceptance of the tender, or of his declining to enter into contract when requested, the amount of such guarantee to be fixed at a sum not less than $1,000, nor more than $5,000. That upon acceptance of a tender, and notification by the department concerned, the intending contractor shall, within eight days, deposit with the Government a sum of money equal to five per cent of the amount of his contract. That in all cases where tenders have been called for, the lowest received shall be accepted, unless good and sufficient reasons appear for passing over such tender. The Committee submit the above recommendations for Your Excellency's approval.

Certified, J. O. COTÉ, *C.P.C.*

Order in Council, May 2, 1893.—On a memorandum dated May 1, 1893, from the Minister of Finance submitting a report from his deputy respecting contractors' securities.

The Minister recommends, in accordance with the suggestion therein contained. that notice be immediately given to the Department of Finance by the department having control of the work, in case of the failure of contractors having a contract for the performance of work for the Government, and having security deposited with the Department of Finance.

The Committee submit the same for Your Excellency's approval, and advise that a copy of this Minute be forwarded to the Minister of each department for his information.

JOHN J. McGEE, *C.P.C.*

Memorandum respecting Contractors' securities.—The undersigned has to report that by Order in Council of June 16, 1888, all cheques and all deposits on account of contractors' securities are turned by this department into cash, and deposited in the Government savings bank, and in some intances where the security given is large, the interest accruing on the deposits is paid to the contractors yearly at their request.

The attention of the undersigned has lately been directed to the fact that a firm of contractors having a deposit now in the hands of the Government has recently failed, and it is just possible that cases may arise in which moneys may be paid over by this department unwittingly, for interest, to contractors who have suspended payment. To obviate such a contigency, the undersigned would suggest that the matter be brought before the Treasury Board, with a view of having a Minute adopted to the effect that whenever a firm of contractors having a contract for the performance of work for the Government and having security deposited with this department, fails, notice thereof be immediately given to this department.

J. M. COURTNEY, *D.M.F.*

Order in Council, June 16, 1888.—The Board submit for the favourable consideration of Council the annexed memorandum from the Deputy Minister of Finance respecting the mode of treatment of securities deposited by public contractors, to the effect that the proceeds of all cheques and all deposits on account of contractors' securities be deposited in the Government savings bank.

JOHN J. McGEE, *C.P.C.*

(*Circular.*) FINANCE DEPT., OTTAWA, July 4, 1888.

SIR,—I have the honour to inclose herewith a copy of an Order in Council, passed on June 16, 1888, respecting the mode of treatment of securities deposited by public contractors, from which you will observe that hereafter the proceeds of all cheques and all deposits on account of contractors' securities are to be deposited in the Government savings bank.

I have the honour, therefore, to request that you will be good enough, immediately a contract is entered into, to send me all the securities for the performance thereof, in order that I may deposit the proceeds of the said securities in the manner prescribed by the Order in Council above referred to.

J. M. COURTNEY, *D.M.F.*

Certificates on Vouchers.

Revised Statutes of Canada, cap. 29, sec. 33.—No payment shall be authorized by the Auditor General in respect of work performed, or material supplied by any person in connection with any part of the public service of Canada, unless, in addition to any other voucher or certificate which is required in that behalf, the officer, under whose special charge such part of the public service is, certifies that such work has been performed, or such materials supplied, as the case may be, and that the price charged is according to contract, or if not covered by a contract, is fair and just.

Note.—The proper officers to make these certificates are those who have personal knowledge of the facts in each case.—J. L. McD.

Small Balances Due to Estates.

AUDIT OFFICE, OTTAWA, June 12, 1888.

SIR—It frequently happens that there is a small sum due to the estate of a deceased person who has left no will, generally for superannuation or salary, when the whole assets of the estate are so small that the cost of obtaining letters of administration would be a large part of them.

I suppose that in strictness the amounts due by the Government cannot be paid legally to any one but the administrator of the estate. However, the amounts are frequently paid, either on receiving a renunciation from all the other known heirs in favour of one, or on a bond approved by the Department of Justice, indemnifying against loss, should a person who has obtained the legal right to claim the payment make a demand for it.

I would suggest that payment, under the circumstances above set forth, should be made to a person who is not legally empowered to demand it, only when the assets of the estate are under one hundred dollars, and after the execution of a bond as above described, approved by the Department of Justice, with any additional safeguards which, in the opinion of the Department of Justice, the special circumstances of the case call for.

Yours truly,

The Secretary, Treasury Board. J. L. McDOUGALL, *A.G.*

TREASURY BOARD, June 19, 1888.

SIR,—With reference to your letter of the 12th instant, respecting the payment of small sums to the estate of persons who have died intestate, and the whole assets of whose estate are so small that the cost of obtaining letters of administration would swallow up the greater portion of them, I have the honour to state that the Treasury Board have considered the matter, and they direct that each case be referred to them for decision as to the action to be taken.

Yours truly,

The Auditor General. J. M. COURTNEY, *Sec. T.B.*

Order in Council, July 24, 1894.—That a number of deaths occur annually among the fishermen who are entitled to fishing bounty, and in the majority of cases, the men are poor, die intestate and leave no property worth the cost of administration. The bounty in such cases, by right belongs to the nearest of kin to the deceased, but that, under an Order of the Treasury Board, dated 19th June, 1888, all cases where small sums are due the estates of persons who die intestate and leave little or no property of any consequence, must be referred to the Treasury Board for decision as to the action to be taken, which course necessitates a separate Order in Council each case.

That, as those to whom the money rightfully belongs are, in most case, in needy circumstances, a general Order be granted, authorizing in case of death among the fishermen of the class referred to, to pay the amount earned to the widow, father, mother or children as the case may be, of the deceased, without reference to the Treasury Board.

JOSEPH POPE, *Asst. C.P.C.*

Stationery Office.

Order in Council, June 26, 1889, (as amended by O. C., July 11, 1889.)—His Excellency, in pursuance of the powers vested in him by the Revised Statutes, Chap. 27, Sec. 7, and by and with the advice of the Queen's Privy Council for Canada, is pleased to direct and order :—

1. In every department the Deputy Head shall sign all requisitions in accordance with Sec. 7, Chap. 27, of the Revised Statutes, and a clerk, to be named by the Head of the department shall, under the direction of the Deputy, have charge of all stationery and printing, and shall receive from the Government Stationery and Printing Offices all printed work and articles of stationery ordered and supplied, and grant receipts for the same, superintending also their distribution to the clerks or employees for whose use they have been ordered.

2. The Secretary of State is authorized to prepare a list of all articles to be kept in stock and furnished to the departments upon ordinary requisitions, such list to be subject to the final revision and approval of the Governor in Council.

(*Note.*—This list was approved by O. C., Nov. 29, 1889.)

3. As soon as such list has been so settled and approved, and printed and distributed to the several departments, all ordinary requisitions upon the Stationery Office shall be issued for those articles only that are therein enumerated.

4. No articles shall be added to such list thereafter except upon the report of the Secretary of State, approved by the Governor in Council.

5. No plain paper or envelopes, such as are used for ordinary correspondence, shall be asked for by any ordinary requisition or issued upon the same for private use of the employees in any department, except in the case of Deputy Heads.

6. No paper or envelopes for correspondence bearing relief stamp, cameo or embossed work or devices, either lithographed or engraved, shall be kept in stock or supplied, except for the use of Ministers or Deputy Ministers, the Governor General's Secretary, the Speakers and members of the two Houses of Parliament, and the Judges of the Supreme and Exchequer Courts, the Clerk and Law Clerk of the Senate, the Clerk and Law Clerk of the House of Commons, and the Librarians of Parliament.

7. No pocket-knives or pocket-books shall be kept in stock or supplied to any department except upon special requisitions, stating the names and employment of the persons for whose use they are to be procured.

8. No despatch-boxes or brief bags shall be issued for the use of members of any Government Commission.

9. All requisitions issued under Rules 6 and 7, or for articles not on the general list (and therefore not procurable upon ordinary requisitions) shall be signed by the Deputy Minister and approved and initialled by the Minister of the Department, or the Clerk and Speaker of each House of Parliament.

10. A return of all articles furnished to each department upon requisition, with the total cost of the supply to such department, shall be made up by the Superintendent

of Stationery each six months, as soon as possible after the 30th of June and the 31st of December in each year, in order that it may be submitted to the Governor in Council by the Secretary of State.

11. All former Orders in Council in reference hereto are cancelled.

JOHN J. McGEE, *C. P. C.*

Pamphlets and Books.

Order in Council, December 22, 1888.—The Secretary of State desires to draw the attention of Council to the practice in the past, of the granting of authority by Council for the purchase of books for Library exchanges, and for distribution among the departments, and he recommends that in the future no such authority be granted ; but that all books for Library exchanges be procured under the authority of the Joint Library Committee of Parliament, and paid for out of the sums placed at its disposal, and that all purchases of books for the use of any department of the Government be made on the authority of the Minister charged with its administration, as already provided by Order in Council, through a regular Stationery Office requisition, as required by the Act respecting Public Printing and Stationery. The Committee recommend that this Minute, if approved, be communicated to the Library Committee, and to each department of the Public Service.

JOHN J. McGEE, *C.P.C.*

Newspapers and Books.

Order in Council, June 18, 1894.—Cancellation of all former Orders in Council in reference to supply of newspapers, books and magazines to departments.

JOHN J. McGEE, *C.P.C.*

Order in Council, June 18, 1894.—Regulations respecting the purchase of newspapers, books and magazines to the several departments :—

(1.) That a maximum limit of $500 be set apart for each ministerial department, within which is to be defrayed the cost of newspapers, books and magazines for the use of such department.

(2.) That books and magazines, other than those which are of a technical character and necessary for the proper working of the department shall be purchased only on authority of the head of the department.

(3.) That no newspapers be supplied to outside offices of any department, except on the authority of the Minister of that department.

JOHN J. McGEE, *C.P.C.*

Accounts for Advertising.

Order in Council, May 8, 1894.—On a memorandum dated March 28, 1894, from the Secretary of State, recommending that the following regulations be established to regulate and govern advertising for the several departments of the Government.

REGULATIONS.

All orders for advertising which are issued at the seat of Government shall be given through the Queen's Printer, and the Queen's Printer shall certify to the accounts before payment.

The copy shall be sent to the Queen's Printer, accompanied by Ministerial directions, naming the paper in which the advertisement is to be published, specifying whether in the daily or weekly issue, and the number of insertions in each paper respectively.

On receipt of these instructions the Queen's Printer shall print a sufficient number of copies to enable him to furnish duplicates to the papers indicated. These shall be forwarded by him to the publishers, accompanied by an intimation of the number of lines to which the advertisement is to be limited, himself establishing the space on a proper estimate of the solid matter of the notice, with a moderate allowance for the purposes of display; and accompanied also by an instruction to the publishers to render the accounts to him in duplicate, with a copy of the order attached, and with marked copies of the papers in which the advertisements are printed.

The Queen's Printer shall ascertain the established tariffs for advertising of the papers on the Patronage List, and on receipt of these accounts shall certify to the same in accordance with these rates, and transmit the accounts for payment to the departments from which the orders issued, having first satisfied himself that the publication has been as directed; but no newspaper shall be paid a higher rate than that charged to the general public for a similar service.

Accounts for advertising required by the Outside Service shall also be rendered, with the orders and marked copies of the publications, to the Queen's Printer, and the advertisements shall by him be measured, certified to and transmitted for payment in accordance with the rules which obtain for advertisements issued at the Seat of Government.

The Queen's Printer shall keep with each paper, accounts of the advertisements directed to be published in it under the different departmental headings, so as at all times to show the state of each account.

Advertisements shall not be inserted in any books or pamphlets, or in any periodicals other than newspapers published weekly or more frequently, and all advertisements shall be limited to a maximum of six insertions in daily and three in weekly papers.

These regulations shall apply to all the departments excepting the Immigration Branch of the Department of the Interior, and the Intercolonial Railway.

The Committee submit the above regulations and recommendations for Your Excellency's approval.

JOHN J. McGEE, *C.P.C.*

Order in Council, July 17, 1896.—The Committee, on the recommendation of the Hon. the Secretary of State, advise that all Orders in Council, or parts of Orders in Council, regulating or relating to advertising for the several departments of the Government, and particularly the Order in Council of the 8th of May, 1894, be rescinded; and that the list of newspapers to receive Government patronage approved by the said Order in Council, of the 8th of May, 1894, and issued in a revised form by the Secretary of State on the 1st June, 1896, be withdrawn and cancelled.

J. J. McGEE, *C.P.C.*

Circular.

DEPARTMENT OF PUBLIC PRINTING AND STAT'Y, OTTAWA, 23rd July, 1896.

SIR,—Under instructions from the Honourable the Secretary of State, I beg to inform you that the patronage list attached to the regulations for advertising has been cancelled by Order in Council. The regulations themselves have, however, been continued in force, so that there will be no change in the method of giving out advertisements.

I am, sir, your obedient servant,
S. E. DAWSON, *Queen's Printer*,

Advertising in Canada Gazette.

Order in Council, March 22, 1888.—On a report dated March 21, 1888, from the Secretary of State, submitting that the Act respecting the Department of Public Printing and Stationary prescribes that all charges for advertising in the *Canada Gazette*

shall be paid in advance, and that the Queen's Printer reports that in some cases, after such payment, the parties advertising discontinue their notices before all the insertions asked for have been given, and apply for a refund of moneys paid for insertions ordered but not given

The Minister recommends that the Queen's Printer be instructed that no such return of moneys can be made, as the Government is ready at all times to fulfil the contract entered into with the advertisers in the *Gazette*, and is in no wise responsible for their discontinuance. The Committee submit the above recommendation for your Excellency's approval.

JOHN J. McGEE, *C.P.C.*

Legal Services.

Order in Council, April 12, 1879.—On a report dated April 2, 1879, from the Hon. Minister of Justice, stating that it has been represented by the Auditor General that it would facilitate the business of his office were an Order in Council passed making it necessary that the accounts rendered by any legal agent employed professionally by any of the departments of the Government should be submitted to the Department of Justice for examination and approval before payment.

That at present the practice of the departments appears to be to submit such accounts to the Department of Justice before paying the same, but no formal Order in Council exists on the subject.

That an Order in Council does exist providing that all accounts for printing and advertising are to be certified by the Queen's Printer before payment.

That he, the Minister, thinks that it would be proper that a formal Order should be passed with respect to legal agents. He recommends, therefore, that it be ordered that the accounts rendered by legal gentlemen employed professionally by any of the departments of the Government be submitted to the Department of Justice for examination and approval before payment, and that a copy of the Order be transmitted to each of the departments of the Government.

Certified. W. A. HIMSWORTH, *C.P.C.*

Travelling Expenses.

Order in Council, Sept. 8, 1871.—The Committee of Council have had under consideration an extract from the minutes of a meeting of the Treasury Board held Sept. 7, recommending that the following rules be adopted for the payment of removal allowances to Government employees, and they respectfully advise that the recommendations therein submitted be approved and apopted :—

"*Removal allowances.*—No removal allowances can be granted except on report of the Treasury Board. No removal allowance is to be granted if the salary is increased, except in special cases, and on a report of the head of the department. A removal allowance is not to exceed the actual cost on account rendered."

Order in Council, Dec. 17, 1889.—The Board, having had their attention called by the Auditor General to the subject of the payment of expenses incurred by officers in the employ of the Government while travelling on Government business, recommend to Council that a certificate be attached to accounts for travelling expenses as follows :—"The whole of the expenditure was incurred on Government business, ;" said certificate to be signed by the officer who has incurred the expense.

JOHN J. McGEE, *C.P.C.*

Order in Council, February 6, 1893.—That all the previous Orders in Council relating to expenses and allowances for travelling and living expenses to officers and employees when travelling on the public service be repealed, and that it be ordered that from the date of the passing of the Order in Council founded hereon, there be paid to all officers (with the exception of the Lieutenant-Governor of the North-west Territories and the Major General Commanding the Militia, and the Judges who are otherwise provided for) travelling on public service for the Government of Canada, their actual reasonable travelling and living expenses; that all advances made to such officers for travelling expenses shall be accounted for within one month from the conclusion of the trip; that the officers shall render to the Department of Finance a detailed statement of such expenses, and that a certificate be attached to all accounts for travelling as follows, signed in each case by the officer who has incurred the expenses :—

"The whole of the expenditure was incurred on Government business."

JOHN J. McGEE, *C.P.C.*

NOTE.—The Lieutenant-Governor of the North-west Territories is allowed $5 a day by Order in Council, January 12, 1888.

Order in Council, March 13, 1895.—That the moving expenses of Judges holding weekly sittings of the High Court of Justice at Ottawa and London, payment of which is authorized by the Order in Council of the 14th January, 1895, be fixed as follows :—

For each sitting at Ottawa	$25 00
For each sitting at London	10 00

JOHN J. McGEE, *C.P.C.*

Order in Council, March 4, 1897.—That the Order in Council of the 23rd October 1896, in reference to advances for travelling expenses from Civil Government Contingencies, be amended to read as follows :—That hereafter no advance be made to officers of the several departments, out of Civil Government Contingencies, for travelling expenses, in excess of one hundred and fifty dollars; and that all advances made to them be accounted for at the end of each quarter, and that no advances made until previous advances are settled.

JOHN J. McGEE, *C.P.C.*

Triplicate deposit receipts for balances of travelling-expense advances to go to Accountant of Contingencies.

Order in Council, June 10, 1893.—That the following regulation in connection with accounts to be rendered to the Accountant of Contingencies for sums advanced from Civil Government Contingencies be approved of by Council.

That the triplicate receipts for all refunds of balances of amounts advanced from Civil Government Contingencies for travelling expenses and for petty cash, and for all other refunds made on account of Civil Government Contingencies, be forwarded by the department or officer making such refund to the Accountant of Contingencies for the purpose of closing the personal accounts and replacing to the credit of the different departments the amounts so refunded, to enable him to keep a proper check upon the various appropriations.

Special Qualifications.

TREASURY BOARD, OTTAWA, Nov. 13, 1883.

SIR,—I have been directed by the Hon. the Treasury Board to call your attention to the 5th subsection of section 7 of 46 Victoria, chapter 7 (C. S. Act), wherein it is stated that "in the case of attorneys, barristers, engineers, architects, actuaries and

land surveyors, the examination may be dispensed with on a report from the deputy head, concurred in by the head of the department, that it is not necessary ;" and in connection therewith I have to call your attention to the "Hansard" of last session, page 1035, when in reply to an observation from Mr. Ross, of Middlesex, Sir Hector Langevin stated that these gentlemen are employed in the service in the practice of their profession, and therefore an examination would not be required, as they had already passed technical examinations before their admission into the ranks of their professions.

I have now to ask whether, in case any of these professional gentlemen are employed in a department where their professional attainments are not required, as for instance, a barrister in the Finance Department, the spirit of the Act would allow of the examination being waived ?

Your obedient servant,

The Deputy Minister of Justice. J. M. COURTNEY, *Sec. Treasury Board.*

DEPARTMENT OF JUSTICE, OTTAWA, Nov. 15, 1883.

SIR,—I have the honour to acknowledge the receipt of your communication of the 13th instant, in which you call attention to subsection 5 of section 7 of 46 Victoria, chapter 7, wherein it is stated that "in the case of attorneys, barristers, engineers, architects, actuaries, and land surveyors, the examination may be dispensed with, on a report from the deputy head, concurred in by the head of the department, that it is not necessary."

An opinion is requested as to whether, in case any of these professional gentlemen are employed in a department where their professional attainments are not required, as for instance, a barrister in the Finance Department, the spirit of the Act will allow of the examination being dispensed with.

I am of opinion that the spirit of the Act does not allow of the examination being dispensed with in the case mentioned, but that the examination can be dispensed with only in cases where the duties to be performed by the officer seeking promotion are those connected with his profession as an attorney, barrister, engineer, architect, actuary or land surveyor.

Your obedient servant,

The Deputy Minister of Finance. GEO. W. BURBIDGE, *D.M.J.*

Appointments subject to changes in Superannuation Laws.

Order in Council, 18th November, 1896.—That all appointments made after 23rd June, 1896, or to be hereafter made, shall be subject to the understanding and condition that the persons so appointed accept office subject to any changes which may be made in the Superannuation Laws of Canada ; and that such appointees be notified of such understanding, and that a copy of this Minute, if approved, be forwarded to the Deputy Head of each Department, and that each Deputy Head be requested to forward a copy thereof to each person to whom it may apply.

JOHN J. McGEE, *C.P.C.*

Civil Service Promotions.

Order in Council, April 12, 1893.—His Excellency, in virtue of the provisions of section 39 of "The Civil Service Act," as amended, and by and with the advice of the Queen's Privy Council for Canada, is pleased to make the following regulation :—

Hereafter no clerk on the staff of any department of the Public Service, who was in the service or employment of the Government on the 1st day of July, 1882, and has since been continuously engaged therein, shall as a condition of promotion be required to pass an examination in any other subject than the duties of the office to which he

seeks promotion, unless in any special case the Deputy Minister by a report concurred in by the head of the department submits to the Board of Examiners other subjects of examination as a test of fitness for such office.

JOHN J. McGEE, *C.P.C.*

Salaries: Date of Payment.

Order in Council, Jan. 13, 1887.—The Committee of the Privy Council have had a memorial from the members of the Civil Service laid before them by the Right Honourable the Prime Minister, praying for relief of their financial embarrassment in reclaiming the advance of salary.

The Committee recommend, with a view to relieving the financial embarrassment, that the pay list for each month be authorized on the 15th day of the month, provided that when the day for passing any pay-list under the provisions hereof shall be a Sunday, or a bank or departmental holiday, the pay-list be issued on the previous day. The salaries of the Ministers to be paid at the end of each month.

JOHN J. McGEE, *C.P.C.*

Order in Council March 22, 1887.—The Committee, on the recommendatian of the Président of Council, advise that the order in Council of Jan. 13, authorizing the issue of the pay-lists on the 15th day of each month, be amended so as to include the temporary clerks of the inside service who are continuously employed.

JOHN J. McGEE, *C.P.C.*

AUDIT OFFICE, OTTAWA, April 1, 1887.

SIR,—Please define the meaning which is to be attached to the word "continuous" in the O.C. of March 22, with reference to the time of paying certain extra clerks.

Yours truly,

The Clerk of the Council. J. L. McDOUGALL, *A.G.*

PRIVY COUNCIL, April 2, 1887.

SIR,—In answer to yours of the 1st inst., respecting the O.C. of March 22, authorizing payment on the 15th to temporary clerks who are continuously employed, I have the honour to state that it is only applicable to those employed by Order in Council.

Yours truly,

The Auditor General. JOHN J. McGEE, *C.P.C.*

Order in Council, Feb. 18, 1889.—That the payment of salaries of temporary employees in the several departments who are not employed under the authority of an Order in Council, be made on the following days: Feb. 18, March 21, April 24, May 27, and June 28, 1889; and thereafter on the last day of the month.

JOHN J. McGEE, *C.P.C.*

Order in Council, November 14, 1895.—The attention of the Board was called by the Deputy Minister of Finance to the statements of the balances of the several Government accounts with the Bank of Montreal, on the 31st October, 1885, by which it appeared that some of the departments had issued pay-cheques in advance of the due date.

The Board recommend that the attention of the several departments be called to the irregularity of such action, and the Board are of opinion and recommend that steps should be immediately taken to stop the practice for the future.

JOHN J. McGEE, *C.P.C.*

Order in Council, March 5, 1888.—The Treasury Board have had their attention called to the fact that the terms of the Order in Council of Jan. 13, 1887, governing the issue of the Civil Service monthly pay-cheques have not been strictly adhered to, and that cheques are sometimes issued in advance of the days authorized by the said Order for the issue of the pay-lists. The Board recommend to Council that the several departments be notified that in future the monthly pay-cheques must not be issued in advance of the days authorized by the said order for the issue of the pay-lists, and that the provisions of the said Order must be strictly adhered to.

JOHN J. McGEE, *C.P.C.*

Extra Salary.

Civil Service Act of 1888, 51 Vic., cap. 12, sec. 12.—Subsections 1 and 2 of section 51 of the Civil Service Act (R.S.C., cap. 17), are hereby repealed, and the following substituted therefor :—" 51. No extra salary or additional remuneration of any kind whatsoever shall be paid to any deputy head, officer or employee in the Civil Service of Canada, or to any other person permanently employed in the public service."

Salaries : Date of Changes and Increases.

Order in Council, July 29, 1871.—On a report dated July 29, 1871, from the Minister of Finance, stating that considerable inconvenience has arisen from Orders in Council making promotions and other changes in the Civil Service, and granting superannuation allowances, not naming the time from which they shall count, and that it is desirable that, excepting for special reasons, such changes shall always count from the first day of some month, and recommending that it be established as a general rule that unless some other date is specially named in the Order in Council, all such changes shall be held to count from the first day of the month next succeeding the date of the said Order. The Committee submit the above recommendation for Your Excellency's approval.

Approved. W. H. LEE, *C.P.C.*

Order in Council, June 29, 1889.—That hereafter officers shall be eligible to receive their statutory increase upon the first day of the official quarter following the expiration of one year from the day on which they reported for service, regardless of the date of appointment ; provided always that the time is not computed from a date prior to the Order in Council making the appointment.

JOHN J. McGEE, *C.P.C.*

Salaries of Deceased Officers.

Order in Council, Feb. 9, 1875.—On a memorandum dated Feb. 8, 1875, from the Hon. the Minister of Finance, reporting that there appears to be a want of uniformity in the manner of paying the salaries of deceased officers—that in some case the salary is paid to the day of death, and in others the salary of the month in which the officer died is paid. He, therefore, recommends that for the future the whole month's salary be paid in all cases. The Committee submit the above recommendation for Your Excellency's approval.

W. A. HIMSWORTH, *C.P.C.*

Employment of Temporary Clerks.

Section substituted by 58-59 Victoria, chapter 15, for section 47 of the Civil Service Act (R.S.C. cap. 17):—When from a temporary pressure of work or from any other cause extra assistance is required in any branch of either the first or second division, the Governor in Council may, on the report of the deputy head of the department, concurred in by the head of the department, that such extra assistance is required, authorize the employment of such number of temporary clerks, writers, messengers, porters, packers or sorters, as are required to carry on the work of the department.

Temporary Employees : Certificate of Attendance.

FINANCE DEPT., OTTAWA, Oct. 9, 1891.

SIR,—I have the honour to inform you that at a meeting of the Treasury Board, held on the 2nd instant, a minute was adopted, requiring that accounts for payments to all extra clerks and extra messengers and of all temporary employees should, from and after Sept. 1, 1891, be certified as follows :—

"I hereby certify that the clerk (or messenger) has been in attendance at this office every day, except Sundays and statutory holidays, during the period for which payment is asked."

It being understood that nothing herein contained shall be construed to authorize payment for Sundays and statutory holidays in cases in which payments for such days have not been made hitherto.

I am, sir, your obedient servant,

The Auditor General. J. M. COURTNEY, *D.M.F.*

Departmental Employees : Pay-list.

TREASURY BOARD, OTTAWA, Dec. 2, 1895.

SIR,—I have the honour to inform you that the Treasury Board, at a meeting held on the 29th ultimo, passed a minute directing that hereafter all departmental employees at Ottawa (other than those extra clerks and messengers who are paid from Civil Government Contingencies, and labourers and mechanics) be paid on pay-lists certified by the Auditor General before payment.

I am, sir, your obedient servant,

The Auditor General. J. M. COURTNEY, *Sec. Treas. Board.*

Special Leave of absence to Permanent Employees.

Order in Council, June 29, 1893.—No payment to be made to any Government employee for time on special leave until Council authorizes same.

J. J. McGEE, *C.P.C.*

Leave of absence to Temporary Employees.

Order in Council, October 20, 1892.—On a report dated 19th October, 1892, from the Acting President of the Privy Council, stating that he has had under consideration the subject of applications for leave of absence, and for sick leave made from time to time by technical officers, clerks and messengers who are not permanently appointed to the Civil Service, but who are engaged in the inside service in the departments at Ottawa, and recommending the adoption of the following rules :—

(1.) That the head of the department, and in his absence, the deputy head of the department, may grant to any professional or technical officers and supernumerary or

temporary clerks who may be employed under Section 47 of the Civil Service Act, and who have been so employed during twelve months continuously, leave of absence for the purpose of recreation, for a period not exceeding three weeks in each year; such leave to be granted at such time during the year as the head or deputy head of the department may determine.

(2.) That employees whose employment is for one month or upwards, may, in the discretion of the head of the department be paid for days when they are absent in consequence of actual illness, after leave of absence obtained, on certificates furnished to the satisfaction of the head of the department; or for days during which absence has been occasioned by contagious or infectious diseases in the families of the persons so engaged; such absence not exceeding one week at any one time and not exceeding two weeks during any year.

This regulation to be retroactive as to cases which have occurred since the 1st of September, 1891, and its future operation to be confined to supernumerary and temporary clerks who are employed under Section 47 of the Civil Service Act, and to persons temporarily employed as messengers and to professional or technical officers.

The committee submit the same for Your Excellency's approval.

JOHN J. McGEE, *C.P.C.*

Medical Certificates.

Order in Council, July 23, 1892.—On a memorandum dated 14th July, 1892, from the Secretary of State, recommending that the Order in Council of the 25th April, 1892, appointing certain gentlemen to be medical practitioners under the 3rd subsection of section 51 of "The Civil Service Act" in so far as regards furnishing medical certificates in cases of illness of officers and servants of the Department of Marine and Fisheries, be cancelled.

The Minister further recommends that every duly qualified medical practitioner whose name is registered in the Medical Register of the province in which he resides be appointed as an authorized medical practitioner for the purpose of issuing medical certificates as required by subsection 3 of section 51 of the Civil Service Act.

The Committee submit the foregoing recommendations for Your Excellency's approval, and order that a copy be sent to each department.

JOHN J. McGEE, *C.C.P.*

Rate of Pay for Copying.

Order in Council, April 1, 1886.—That the rate to be paid for all copying done for the several departments of the Government and in preparation of returns for the Senate and the House of Commons, be fixed at five cents (5c.) per folio of 100 words, to commence on the 1st April instant.

JOHN J. McGEE, *C.P.C.*

Rate of Pay to Reporters.

Order in Council, October 9, 1888.—On a memorandum dated 1st October, 1888, from the Minister of Justice, recommending that authority be given for the payment of the Official Reporters of the Debates of the House of Commons, and of other Reporters who may be designated as occasion may require by the Minister of Justice, to be employed to report Exchequer Court cases, or proceedings under Commissions of Inquiry, or upon arbitrations in which the Government is interested, or upon any other matter requiring a short-hand reporter, at the rate of fifteen cents per folio, of one hundred words, the Reporter for such remuneration to supply to the Government four copies of the proceedings and evidence in each case.

The Minister further recommends that the sum of $3.50 per diem over and above the actual moving expenses be allowed to such Reporters on account of travelling expenses while so employed and when absent from their places of residence, the days of leaving and arriving to be counted as full days. Also, that the provisions of this Order shall relate back to the time from which the services of such Reporters were first engaged in the capacity mentioned, viz., from November 1st, 1887.

The Committee advise that the requisite authority be granted.

JOHN J. McGEE, *C.P.P.*

Order in Council, July 3, 1890.—That the rate to be paid to Unofficial Reporters for reporting during the Sitting of Parliament, when the official staff is not available, be 25 cents per folio of 100 words, the Reporter for such remuneration to supply the Government with four copies of the proceedings in each case.

That the sum of $3 per diem, in addition to actual moving expenses, be allowed to such reporters on account of travelling expenses while so employed and when absent from their place of residence, the days of leaving and arriving to be counted as full days.

That the amount hereby fixed for remuneration shall apply to the accounts for reporting done by such reporters during the last Session of Parliament.

That in all cases when a reporter (not official) is duly in attendance for reporting for a day, and does not, or is not required to report to such an extent as to make the actual amount of his remuneration reach the amount of $5 per day, he shall be entitled to receive $5 a day for each day he has been required to attend and has been properly in attendance ready to work.

That it be declared that whenever hereafter any reporter, whether official or otherwise, applies for and performs reporter's work during the Recess of Parliament, he shall be considered as having been employed under, and shall be paid according to the rates fixed by the Order in Council above referred to, of October 9, 1888.

JOHN J. McGEE, *C.P.C.*

Superannuation.

Extract from a Minute of the Treasury Board, Nov. 11, 1870.—The Treasury Board has had under consideration a memorandum of the Civil Service Board respecting the superannuation list, and other memoranda by the Auditor on the same subject, and it recommends that the following rules be laid down as to the classes of persons who come under the operation of the Act, and as to the method of carrying it into effect:—

(1.) All officers, clerks and other persons permanently employed at the seat of government in any executive department of the government named in the Civil Service Act, 1868.

(2.) All permanent officers and servants of the Senate and those of the Commons.

(3.) The two Commissioners of Police of the Dominion.

(4.) The directors of the penitentiaries and the penitentiary officers appointed by government under 31st Vic., cap. 75, sec. 30, such as the wardens, deputy wardens, accountants and surgeons, who give up their whole time to the institutions.

(5.) The adjutant general and deputy adjutant general at headquarters.

(6.) The directors of the Magnetic Observatory, Toronto, and the Geological Survey, and such of their staff as are permanently appointed by Order in Council.

(7.) The Financial Inspector, and the officers of the Finance Department at Halifax and St. John, including the savings bank at Halifax.

(8.) All officers of customs who are paid by permanent salaries, such as inspectors of ports, collectors of customs, surveyors, landing waiters and clerks in collector's offices.

(9.) Such officers of customs as are paid partly by a fixed salary and partly by a per diem allowance when employed can only be rated for superannuation on their fixed salary; but if any such officers are superannuated within three years their allowance

may be reckoned on the total amount they have received during the previous three years, including the fixed salary and the per diem allowance.

(10.) All officers at permanent salaries connected with the collection of inland revenue, such as district inspectors, collectors, deputy collectors, excisemen, supervisors and deputy supervisors of cullers and clerks in their respective offices.

(11.) The Crown timber agent and the collector of slide dues on the Upper Ottawa, and the collector of timber and slide dues at Quebec, and the staff of their respective offices, being officers of the Dominion, acting also as agents for the provinces of Ontario. and Quebec.

(12.) All officers at permanent salaries in the city post offices of Montreal, Quebec, Toronto, Ottawa, Kingston, Hamilton, London, Halifax, Fredericton and St. John, and such other towns and cities as may hereafter be placed on the same footing, such as postmasters, assistant postmasters, clerks, letter carriers, &c.

(13.) Post office inspectors, assistant inspectors and clerks, and messengers in the inspector's staff.

(14.) Railway mail clerks and guards, and clerks employed in the ocean mail service and in travelling in charge of British and foreign mails.

(15.) Persons employed in the outside service of the Public Works Department other than on railways, who receive annual salaries, and whose services do not cease on the completion of any particular works, such as the permanent staff employed on the canals, slides and on other public works; also the official arbitrators, and their secretary.

(16.) The superintendents and permanent staff at the principal railway depots, being the headquarters of the respective lines.

(17.) The permanent staff of the three quarantine establishments of the Dominion, including the surgeons who give up their whole time to the institutions.

(18.) The emigration agents of the regular agencies in Canada.

(19.) The staff of the Statistical Office, Halifax.

(20.) The agents of the Department of Marine and Fisheries at Quebec, Halifax and St. John, and their staff permanently appointed.

(21.) The inspectors of lights in Nova Scotia and New Brunswick.

(22.) The Inspector of Fisheries for Nova Scotia and New Brunswick and the Assistant Inspector for Nova Scotia and their clerks permanently appointed, and the manager of the fish breeding in Ontario.

(23.) The masters and other officers of the Trinity Houses, Montreal and Quebec, who are in receipt of an annual salary, excepting the captain of the steamer "Richelieu."

(24.) All the lighthouse keepers, engineers of fog whistles and officers of humane establishments of the Dominion, excepting lighthouse keepers under the charge of the Trinity House, Montreal, who receive only a monthly allowance during the time they are employed.

(25.) The Steamboat Inspectors for the Dominion.

(26.) The Shipping Master, Quebec, and the chief constables of the river police, Quebec and Montreal, but not the rest of the force.

(27.) The directors of the observatories, Quebec and New Brunswick.

(28.) All outside officers of the Indian Office, who are at permanent salaries, and give up their whole time to their duties, such as the superintendents and their clerks, salaried agents, interpreters, &c.; but inasmuch as these salaries are charged against the Indian Fund, the superannuation allowance and the abatement should also be charged and credited to the Indian Land Management Fund.

(29.) *The following classes of persons shall not come under the operation of the Act:*—All persons at a salary lower than $150 per annum. All persons who are paid by a commission or percentage on the business transacted by them, such as cullers, or at salary in lieu of such percentage as the country postmasters or keepers of way post offices. All persons only temporarily or occasionally employed as officers of the Intercolonial Railway and other public works. Emigration agents employed in Europe. Tide waiters and lockers at per diem pay. All the outside staff of the Militia Department, except the Adjutant General and Deputy Adjutant General at headquarters, and

captains of steamers employed by the Dominion. All persons who are appointed or dismissed from office by subordinate officers, as overseers, guards, &c., of the penitentiary, attendants in hospitals, and policemen.

(30.) Should any question arise as to whether any particular officer comes within the meaning of any of the above rules defining who shall, or who shall not, come under the operation of the Act, the point be referred to the Treasury Board and decided by it.

(31.) In counting the length of service by which a superannuation allowance is to be regulated, if the man has served a fraction of a year less than half, his service shall count as for the number of years without the fraction, and if the fraction is more than half, it shall count as for the number of years next above.

(32.) In counting the salary on which the superannuation allowance is to be calculated, it shall be taken at one-third of the whole amount received by the officer for the 36 months preceding the Order in Council superannuating him.

(33.) When any officer is permanently employed at a nominally per diem salary it shall for the future be included in the pay-lists at an equivalent per annum salary.

(34.) When any officer has an official residence or other similar perquisite, his salary shall be stated at such higher sum as may fairly represent these advantages, and he shall pay the abatements on such higher salary, otherwise his superannuation allowance shall count only on the salary on which he has paid abatements.

(35.) The superannuation allowances shall be paid monthly in the manner proposed in the memorandum on that subject submitted by the Auditor.

(36.) An Establishment Book shall be kept in the Finance Department, in which shall be entered every person in the service on the 1st July, 1870, or hereafter to be appointed, who, by foregoing rules, comes within the provisions of the Act, showing the date of his birth, and the date of his appointment, together with any other facts upon which his length of service will be counted.

(37.) When any greater length of service is claimed by men now in the service than that from the date of the man's appointment to his present office, it shall be the duty of the Auditor to prepare a classified statement of all such claims, which together with a report thereon from the Civil Service Board, shall be submitted to the Privy Council, to the intent that rules may be laid down by it for counting such service.

(38.) When any person is hereafter appointed in later life for any special qualifications, the additional number of years which may be added to his actual length of service shall be stated in the Order in Council appointing him, and such additional years shall be recorded in the Establishment Book, and in order that the same thing may be done with regard to men now in the service, the Secretary of the Treasury Board shall collect from each deputy head and the clerks of the Senate and House of Commons a statement of all the men now serving under them to whom they are of opinion that additional service should be allowed under the Act for special qualifications in their appointment. Such statement shall be submitted to the Treasury board, and reported upon by it, so that an Order in Council may direct such additional years to be recorded in the Establishment Book.

(39.) The Auditor shall prepare a statement to be submitted to Council on 1st January next of all persons on the Establishment of 60 years of age and upwards, and a similar statement shall hereafter be submitted at the commencement of each financial year.

(40.) No person exceeding 65 years shall be retained on the Establishment except upon an Order in Council passed upon the receipt of the statement above provided for retaining him on the staff for another year.

Order in Council, May 3, 1886.—That the 34th paragraph of the Treasury Minute of the 11th November, 1870, which paragraph is as follows:—"(34.) When any "officer has an official residence or other similar perquisite, his salary shall be stated at "such higher sum as may fairly represent these advantages, and he shall pay the abate- "ments on such higher salary, otherwise his superannuation allowance shall only count "on the salary on which he has paid abatements;"—be repealed, except in the case of

those who now pay superannuation abatement on such allowance or perquisite in addition to the abatement from their salaries.

JOHN J. McGEE, *C.P.C.*

TREASURY BOARD, OTTAWA, Dec. 7, 1883.

SIR,—I am directed by the Treasury Board to call your attention to your letter of October 9, 1882, on the subject of the reconsideration of cases of superannuations of public servants as published in the Book of the Rules of the Civil Service, page 52, and to state that many references are now made to the Board from the several departments, recommending the postponement of the dates of superannuations as established by Council on the Report of the Treasury Board, and to ask whether, under any circumtances, superannuations, once established by Council, may be reopened—always presuming that no clerical errors have been made.

Your obedient servant,

The Deputy Minister of Justiee. J. M. COURTNEY, *Sec. Treasury Board.*

DEPT. OF JUSTICE, OTTAWA, Dec. 12, 1883.

SIR,—I have the honour to acknowledge your letter of the 7th, asking whether, under any circumstances, superannuation once established by Council may be reopened —always presuming that no clerical error has been made.

The Superannuation Act provides that under the circumstances mentioned therein, the Governor in Council may grant to a person who has served in an established capacity in the Civil Service a superannuation allowance, and that the Order in Council made in the case shall be laid before Parliament. If the grant was made by Letters Patent, the latter could not be cancelled by authority of an Order in Council, except they had been issued in the name of the wrong party, or contained a clerical error or misnomer, or wrong description of a material fact. (*See* 38 Vic., cap. 13.) As the grant in the case of a member of the Civil Service is made by an Order in Council, I am of opinion that in practice it would be well to adhere to the same rule, and not to cancel or amend the Order in Council, except in cases mentioned in the Act referred to (38 Vic., cap. 13).

Your obedient servant,

The Secretary, Treasury Board. GEO. W. BURBIDGE, *D.M.J.*

(*Circular.*) OTTAWA, July 31, 1891.

SIR—I have the honour to inform you, for your guidance in future, that the Governor General in Council, on the 21st instant, approved of the following regulation of the Treasury Board :—

" That no person be hereafter appointed to a position in the Civil Service which would entitle him to the benefit of the Superannuation Act unless at the time of his appointment he produces medical testimony, to the satisfaction of the Treasury Board, showing that he is then in good health."

I am your obedient servant,

The Auditor General. J. M. COURTNEY, *Sec. Treasury Board.*

Order in Council, Oct. 9, 1895.—That in future all cases in which application is made for the superannuation of any Government employee there shall be given with the application, for the information of the Treasury Board, the reason or reasons for such superannuation, whether on account of age or ill-health, or abolition of office, or to promote efficiency and economy—also the age, length of service, present salary, average

salary during past three years, and the proposed retiring allowance of the officer recommended for superannuation. Also whether in any case it is intended to fill the vacancy caused by such superannuation by appointment or promotion, and if so, at what remuneration, and generally such information as will enable the Board to determine whether the Superannuation asked for should be granted.

The Board further recommend that if the above meets with the approval of Council, a copy of the Order in Council founded hereon be furnished the several departments for their guidance.

JOHN J. McGEE, *C.P.C.*

Gratuities.

Order in Council, Feb. 1, 1868.—As frequent instances occur of the death of officers in the service of the Government, leaving their families in circumstances of great and immediate want, and destitute of means to defray the expenses of illness and funeral, the Committee respectfully advise that in all cases of the decease of an officer of the Government on the permanent list, a gratuity equal to his salary be paid to his widow or orphan children, or to such members of his family or household as His Excellency may approve, for two months from the date of his decease.

Order in Council, Dec. 26, 1887.—The Board having had under consideration the matter of the payment of gratuities to the widows or other representatives of officials of the Government not on the permanent list, are of opinion, and recommend to Council, that the terms of the Order in Council of Feb. 1, 1868, be adhered to.

The Board are further of opinion that should Council, in special cases deem it necessary that the provisions of the above-mentioned Order in Council be extended to include payment of gratuities to the widows or other representatives of officials not on the permanent list, the consent of Parliament should be asked for the payment thereof.

JOHN J. McGEE, *C.P.C.*

Insurance of Government Property.

Order in Council, July 5, 1881.—The Committee of the Privy Council have had under consideration, upon the suggestion of the Acting Minister of the Interior, the general question of insurance against fire of Government property; and they are of opinion and humbly advise Your Excellency, that in view of the large amount, varied character and widely separated position of the property in the Dominion belonging to the Crown, it is a wise economy for the Government to underwrite its own risks, as well on movable as on immovable property, and they recommend that all existing policies (if any such exist) be suffered to lapse and no new ones effected, and that a copy of this Order, should Your Excellency approve of it, be sent to every department of the Government.

J. O. COTÉ, *C.P.C.*

Franking Privilege at Ottawa.

Order in Council, February 25, 1892—By an Order in Council, dated February 25, 1892, the following regulations governing the franking privilege were approved:—

Regulations.

1. In each department there may be used one franking stamp, such stamp being a facsimile of the usual signature of the deputy head, and to be kept in the custody of some officer or confidential clerk specially intrusted by the deputy head with that duty, and to be affixed by him upon official correspondence only.

2. When envelopes with a printed official address thereon are used, the name of the deputy head may be printed on such envelopes.

3. In addition to the printed stamp or printed signature as above provided, the head of the department and the private secretary of the head of the department in the name of his Minister, and the deputy head, may frank by a written signature or initials; but no other method of franking except as above enumerated will be permitted.

4. No blank or unaddressed envelope shall in any case be franked.

5. The deputy head of each department shall furnish the Postmaster General with an impression of the facsimile stamp which it is proposed to use in his department.

6. The General Officer commanding the Militia of Canada, the Adjutant General of Militia, the Auditor General and the Superintendent of Insurance shall, for the purposes of these rules, be respectively considered as deputy heads of departments.

7. All the official correspondence of the several departments, except that of the heads of departments, the deputy heads and the private secretaries of the Ministers, shall be transmitted in envelopes having printed or written thereon the words "On Her Majesty's Service"; and no envelope bearing the superscription shall be used for any private correspondence.

8. From and after the 15th day of March, 1892, no private correspondence whatsoever shall be transmitted from any department of the Government at Ottawa or elsewhere, or any branch thereof under frank, nor shall the postage due thereon be charged against the Government.

9. All private correspondence addressed to any member of the Civil Service at Ottawa, or to the care of any civil servant, shall be liable to the same rates of postage as apply to the public generally.

10. Should any letter addressed to any civil servant at Ottawa upon which postage has been paid on delivery prove when open to be on public business, the amount so paid may be refunded on the certificate of the deputy head of the department to which the addressee belongs.

11. Any employee offending against any of these regulations shall be liable to suspension or such other punishment as the Governor General in Council may determine.

Tariff of Fees on Commissions.

Order in Council, September 7, 1893.—The Committee of the Privy Council have the honour to recommend to Your Excellency the adoption of the annual report of the Secretary of State with reference to the tariff of fees upon commissions to public officers:—

That the following tariff of fees chargeable upon commissions to public officers be confirmed:

1. Upon commissions to Lieutenant-Governors, ministers of the Crown, judges of all courts, junior judges, deputy ministers and Queen's counsel, a fee of $20.

2. Upon commissions issued to officers or others receiving salaries of $1,000 or over, a fee of $15.

3. Upon commissions issued to officers or others receiving salaries from $400 to $1,000, a fee of $8.

4. Upon commissions issued to officers or others receiving salaries from $100 to $400, a fee of $5.

5. Upon commissions issued to officers or others receiving salaries of $100, or to officers or persons appointed to office, who are paid by fees of office, a fee of $4.

He would also submit that in the case of the Solicitor General of Canada, the Controller of Inland Revenue and the Controller of Customs, and of all officers in the service of the Crown who may receive a salary of $3,000 or upwards, the fee chargeable on commissions issued to them be fixed at $20.

The above to apply to commissions issued under the great or privy seal.

He would further recommend that no commission or document be delivered out of the Department of the Secretary of State until the fee, if any, has been paid thereinto.

Maximum number of Reports to be ordered by each Department for Free Distribution.

Order in Counil, January 19, 1893.—On a report dated January 16, 1893, from the Minister of Finance, stating that by Order in Council, dated May 26, 1886, authority was given for placing on sale by the Queen's Printer, copies of public documents other than those distributed officially to the Houses of Parliament and the departments, that in accordance with this Order a circular was sent to the various departments requesting them to order only such copies as they absolutely needed for official purposes, and due arrangements were made by the Queen's Printer for advertising and supplying copies to the public.

The Minister finds that the number required for parliamentary inside and outside distribution is as to most of the departmental reports 1,800 copies of each, and as to five of the most important 2,050 each. The numbers ordered by the different departments for their own distribution vary from 315 to 10,000, as will be seen from the annexed list.

The Minister is of opininion that it is desirable to secure greater uniformity and economy in the orders from the various departments, and that the number ordered by each should be based on the call for necessary distribution.

The Minister therefore recommends that each department be authorized to order within its discretion for its own distribution, copies of its reports not to exceed a maximum of 500 copies of each report, and that the Queen's Printer be anthorized to reserve for purposes of sale such number of the departmental reports and to arrange for their sale in such manner as may be deemed advisable by the Secretary of State.

The Committee submit the same for Your Excellency's approval.

JOHN J. McGEE, *C.P.C.*

Order in Council, November 18, 1893.—That the annual reports of the Historical Archives, Division of the Department of Agriculture, forming one of the appendices to the annual report of the Minister of Agriculture, be excepted as respects the number of copies printed, from the terms of the General Order in Council, dated January 19th last, limiting the number of Departmental Reports to 500 copies of each.

JOHN J. McGEE, *C.P.C.*

Order in Council, June 16, 1894.—That the printing of the Year-Book and Statistical Abstract for the Department of Agriculture, be excepted from the provisions of the General Order in Council, dated 19th January, 1893, relating to the printing of the department.

That authority be given for the printing of 2,400 copies in English and 750 copies in French, to meet the demands for distribution.

JOHN J. McGEE, *C.P.C.*

Order in Council, Nov. 27, 1896.—The Committee, on the recommendation of the Minister of Finance, advise that the Order in Council of 19th January, 1893, limiting the number of Reports of the different Departments, be amended so far as the Report of the Auditor General is concerned, and as to the number which is to be received by the Audit Office for distribution, by making the number 2,000 instead of 500 of this year's and subsequent Reports.

EXECUTIVE REGULATIONS GOVERNING REVENUE AUDIT.

Treasury Minute, June 21, 1886.—The Board had under consideration a communication from the Auditor General to the address of the secretary of the Board, requesting to be informed whether the revenue accounts generally are to be submitted to him for examination and audit, and if so, under what regulations.

The Board direct that these accounts be submitted to the Auditor General for examination and audit.

I am, sir, your obedient servant,

The Auditor General J. M. COURTNEY, *Secretary.*

TREASURY BOARD, OTTAWA, Dec. 30, 1889.

SIR,—With reference to our recent conversation respecting the submission to the Treasury Board of the rules and regulations drawn up in your office, I have now to state that I have found on inquiry that your letter of the 31st December, 1886, was submitted to the Treasury Board in due course, but as it did not ask for confirmation of the rules inclosed, but only stated what your intentions were in auditing revenue accounts, and requesting any directions that the Treasury Board might deem fit to give—as the Treasury Board had no directions to give, the letter was unanswered; but, in order that the law may be complied with, I have now to state that the rules are approved of.

Rules and Regulations in reference to the Receipt, Entry, and Accounting for Public Moneys.

(1.) Receipts with printed consecutive numbers should be used.

(2.) A receipt should be given for each payment.

(3.) All receipts should be entered in a cash book, and each entry should bear the same number as the receipt.

(4.) The counterfoil of the receipt should bear its number, the name of the payer, the amount, and a short memo. of the object for which payment was made; and it should be signed by the collector, and when payment is made in person, by the payer.

(5.) A deposit should be made to the credit of the Receiver General daily, if the receipts amount to $25. If the daily receipts do not amount to $25, a deposit should be made whenever that sum or more is on hand.

(6.) As soon as possible after the close of each month, and not later than the 10th of the succeeding month, a copy of the cash book should be transmitted to the Audit Office, with the corresponding counterfoils of receipts granted, and also the blank when a receipt has been spoiled or cancelled.

Treasury Minute, May 23, 1890.—The Board had under consideration a communication from the Auditor General, submitting certain regulations and forms of returns drawn up in accordance with the general regulations applicable to certain classes of revenue coming under the control of the Department of Marine, which regulations and forms were submitted to exemplify the carrying out of the general regulations.

After careful consideration the Board approve of the general regulations for the outside service for the audit of the revenue accounts, as follows :—

Revenue Audit.—General Regulations for the Outside Service.

1st. Where possible, every officer or agent employed in the collection of public moneys shall make a daily deposit, if the receipts amount to $25; otherwise, whenever

that sum is on hand ; and he shall furnish regularly to the proper department a return of his collections.

2nd. This return shall be made monthly, or at less frequent intervals, to be fixed by the department, when desirable.

3rd. It shall be a copy in detail of the collector's cash book, showing the different deposits made in acquittance ; and shall be certified by him and mailed to the proper department within five days after the close of the period which it covers, and be accompanied by the corresponding vouchers or papers.

4th. It shall be fully examined and audited in the department and certified by the accountant and examining officer.

5th. When examined and certified, all returns for each period shall be forwarded to the Audit Office, accompanied by a summary certified by the deputy minister and the accountant.

And they direct that the particular regulations and forms applicable to each department be submitted to the Board for approval.

I am, sir, your obedient servant,

The Auditor General. J. M. COURTNEY, *Secretary.*

GENERAL CORRESPONDENCE.

Advances to Officers, when no outlay is contemplated.

AUDIT OFFICE, OTTAWA, October 1, 1896.

SIR,—Let me call your attention to the following advances made from Civil Government Contingencies during the fiscal year of 1895-96 :—

Sept. 29, 1895,	D. Stewart,	$100.	Not used but deposited	Sept. 1896.
3, "	E. F. E. Roy,	$75.	" "	June 29 "
July 23, "	E. Miall,	$200.	" "	Sept. "
Sept. 6, "	"	200.		

As will be seen from this statement, these advances were not used for the purposes for which they were issued by you, being retained by the parties asking for them during the balance of the year, and only deposited on the respective dates given above.

The system of giving advances on the bare signature of the deputy head without some details or estimate of the probable expenditure against such advances is defective. In my opinion the possession of such information should alone constitute your authority before an amount of money could be advanced by your department. I would therefore ask you in making advances under your department to assure yourself that such advances are for immediate use, and that they approximate the expenditure to be made.

In this connection I would also call your attention to section 8 of "The Contingencies Act" which provides that the Accountant of Contingencies shall submit monthly through the Auditor General, to the Treasury Board, a statement of all sums which have been paid in advance and to be accounted for, and which remained unaccounted for at the end of the last preceding month.

Please furnish such a statement covering the advances of the present fiscal year.

The "Auditor General" as above stated may probably now be supposed to mean the Deputy-Minister of Finance.

I am, sir, your obedient servant,

The Accountant of Contingencies. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF FINANCE, OTTAWA, October 3, 1896.

SIR,—I have the honour to acknowledge the receipt of your letter of 1st instant, in which you ask me to assure myself in making advances for travelling expenses, that such advances are for immediate use.

That I have not the power to refuse to make such advances, or to exact such information as you desire, is, I think, proven by the fact that on at least two occasions you have requested the Treasury Board to make regulations giving me such power. See your report for 1885-86, part II, page 56, and for 1894-95, page xxxiv.

I am, sir, your obedient servant,

The Auditor General. W. H. HAYES, *Account. of Contingencies.*

AUDIT OFFICE, OTTAWA, October 5, 1896.

SIR,—In answer to your letter of the 3rd instant, dealing with the subject of advances, in which you state that you have no power to refuse advances, and that such absence of power on your part is proven by the fact that on at least two occasions I have requested the Treasury Board to make regulations giving you such power,—I beg to state that my letter of October 26, 1886, which deals more directly with the matter than the other correspondence referred to, does not directly or by implication say that your department or in fact any department has no power to refuse advances. It simply asked the Treasury Board to have embodied in the form of regulations what I then believed and now believe should be in the possession of every accounting department and could alone constitute their authority for making an advance, whatever sanction custom may have given to a contrary practice. Their right to have such information and their power in its absence to refuse an advance have always in my opinion been unquestioned.

Apart from the other aspects of the matter the prevention of the use of public money for other than legitimate public purposes, as appears to have been the case from the statement submitted in my former letter, should in itself be a valid reason for the position I have asked you to take in this matter.

I am, sir, your obedient servant,

The Accountant of Contingencies. J. L. McDOUGALL, *A.G.*

TREASURY BOARD OVER-RULINGS BETWEEN FIRST AND SECOND SESSIONS OF 1896.

Cornwall Canal: Accounts of Wm. Davis & Sons.

(In Continuation of Correspondence on page R-309.)

Order in Council, March 11, 1896.—That the provisions of the Order in Council of the 12th December, 1895, whereby, in order to meet technical objections raised by the Auditor General to payment for certain back accounts for extra work in the then current progress estimates issued under the contracts of Messrs. Davis & Sons, for Sections 2, 3 and 4 of the Cornwall Canal, the contract requirements were to that extent waived, be extended to cover certain similar accounts covered in the progress estimates now current, namely, up to the 31st January, 1896, and also to cover similar accounts in the current progress estimate (for work done up to the same date) under the contract with the firm for the Sheik's Island Dams, dated 19th June, 1893.

JOHN J. McGEE, *C.P.C.*

Railways and Canals Dept., Ottawa, June, 1896.

To His Excellency, the Governor General in Council.

Memorandum.—The undersigned has the honour to represent that under date of the 18th of February last, progress estimates were given by the chief engineer of this department covering work done by Messrs. Wm. Davis & Sons under their contracts for Sections Nos. 2, 3 and 4, of the Cornwall Canal enlargement, up to the 31st of January last, and on the 13th of March the Auditor General was applied to for the issue of cheques as follows :—

Section 2	$18,513 53
" 3	13,583 03
" 4	20,001 13

That the Auditor General has taken objection to certain items of these estimates and under date of the 29th instant, has returned the application, stating that he declines to pass them as he contemplates the discussion of the question before the Treasury Board and adopts this course to save time.

The undersigned recommends that the necessary steps be taken to bring the matter before the Treasury Board for its judgment as to the sufficiency of the Auditor General's objection in order that, as provided in the Audit Act, it may be sustained, or the issue of the cheques ordered.

Respectfully submitted,

JOHN HAGGART,
Minister of Railways and Canals.

Finance Dept., Ottawa, June 8, 1896.

Sir,—I have the honour to enclose herewith T B file as above being memorandum dated June, 1896, from the the Honourable the Minister of Railways and Canals with reference to an objection raised by you to the issue of certain cheques to Messrs Wm. Davis & Sons, under their contracts for Sections 2, 3 and 4 of the Cornwall Canal enlargement, and I have to request that you will be good enough at your earliest con-

venience to inform me the nature of the objections made and the reasons therefor—at the same time stating under what clause of section 32 of the Consolidated Audit and Revenue Act you make the objections.

I am, sir, your obedient servant,

The Auditor General. J. M. COURTNEY, *Secretary, Treasury Board.*

AUDIT OFFICE, OTTAWA, June 8, 1896.

SIR,—In reply to your letter of to-day which accompanied the application of the Department of Railways and Canals for an overruling by the board of my decision on the January estimates of Wm. Davis & Sons, on Sections 2, 3 and 4 of the Cornwall Canal enlargement, I beg to make the following statement in support of my decision :—

Close-pile Trenches at 64cts. instead of 32cts.

The original quantities of 6,300 and 7,000 cubic yards for trenches at Locks 18 and 19 have been revised to 6,305 and 7,292 yards respectively or 13,597 yards in all.

The reasons given in conversation by Mr. Davis for doubling the rate were : as I recollect them, at his first interview, that the excavation was below the depth mentioned in the specification ; and in a subsequent interview, that the work was all done in the spring of 1889 before the opening of navigation, and in much less time than was allowed by the specification.

The quantity of 13,597 yards may be separated into the following items, (the depth "A" meaning the depth of the gullet described in the specification as payable at excavation-rates, that is to say, 32 cents.)

Lock 18 :	Actual excavation above A in fall of 1888.....	736
"	Actual excavation below A in spring of 1889.....	957
"	Allowance for 1-to-1 slopes, (no excavation).....	4,612
Lock 19 :	First trench, dug in spring of 1889 :	
"	Actual excavation above A	944
"	Actual excavation below A.....	518
"	Allowance for 1-to-1 slopes (no excavation).....	2,918
Lock 19 :	Second trench, dug in Aug-Sept., 1889 :	
"	Total, 750 yards, about 15 feet deep :	
"	Proportion above 10 feet, say.....	500
"	Proportion below 10 feet, say.....	250
"	Allowance for 1-to-1 slopes, (no excavation).....	2,162
		13,597

Recapitulating this with reference to the months of March and April, 1889, when the whole work is claimed to have been done, to unexpected depths, and under surroundings of extreme urgency and haste, we get the following figures :—

Actual excavation in fall of 1888 : Above A.....	736
do do spring of 1889 : Above A.....	944
do do do : Below A.....	1,475
do do Aug.-Sept., 1889 : Above A, say....	500
do do do : Below A, say....	250
Allowance for 1-to-1 slopes (no excavation).....	9,692
	13,597

It will be noticed that these figures do not support the contractor's claim of extreme urgency.

Considering the actual excavation alone, and reckoning 736 and 500 yards at 32 cents as complying with the specification in all respects, we have the following calculations :—

Total, 13,597 yards at 64 cents	$ 8,702 08
Deduct 1,236 yards at 32 cents (specification).....	395 52
Balance of actual excavation, 2,669 yards.....	$ 8,306 56

making $3.11 a cubic yard for the excavation actually performed under circumstances differing from those described in the specification.

Same allowances for slopes, on different classes of work.

Although the close-pile trenches were excavated in November, 1888, and September, 1889, there was no allowance made for slopes for them until November, 1892. The section quoted as authority for this allowance is on page 7 of the specification for section 2 ; "The lock and weir-pit will embrace a stretch of about 600 feet and the width necessary to receive the walls, &c., connected with these structures, and side slopes of 1-to-1 will be allowed to compensate for the removal of slides. The excavation of any gullet made for square piles, trenches for sheet-piles, anchor timbers, sub-sills, &c., will be paid for at the same rate as for lock and weir-pit excavation."

It is not plain from this that the slopes are to be allowed on the trenches, as they are on the lock-pit ; and the addition for slopes was not made in the Estimates until three years after the trenches were dug.

To get at a reasonable interpretation of the words "the same rate as for lock-pit excavation," let us consider the effects of the slope-allowance on the prices for the actual excavation.

The lock-pit is described on page 6 as 400 feet long and 75 feet wide, and on page 7 as 600 feet long. The average depth, from the diagram, appears to be about 24 feet. The volume of a rectangular lock-pit 400 x 75 x 24 feet is 26,667 cubic yards ; and the additional volume for 1-to-1 slopes is 10,816 cubic yards, or an allowance of 40.56 per cent,—being equivalent to the payment of 45 cents a yard on the actual excavation instead of 32 cents. The volume of a rectangular lock-pit 600 x 75 x 24 feet is 40,000 cubic yards ; and the additional volume for 1-to-1 slopes is 15,083 cubic yards, or an allowance of 37·71 per cent,—being equivalent to the payment of 44 cents a yard on the actual excavation instead of 32 cents.

45 cents then for a 400 feet lock-pit, and 44 cents for a 600 feet lock-pit, are the "rates paid for lock-pit excavation" when 32 cents is the schedule price.

The quantity of actual excavation in the close-pile trenches was 3,905 yards, and the additional volume allowed for 1-to-1 slopes is 9,692 yards, or 248 per cent,—being equivalent to $1.11 a yard on the actual excavation, instead of 32 cents.

The main reason for allowing for slopes on the lock-pit is, I think, that the pit has to be kept open for several years, while exposed to rain, leakage and frost, and therefore subjet to slides. Even were it considered necessary to make a similar kind of allowance for the trenches, which were left open only for a few days, (the November, 1888, trench having been filled with straw and manure), the concession made on the lock-pit as by specification would have been more nearly reproduced for the trench by allowing the actual work at some rate like 44 or 45 cents, as figured above. 3,905 yards at, say 45 cents would be $1,757.25, instead of $8,702.08.

Since then the interpretation of the doubtful specification-wording "trenches paid at the same rate as lock-pit excavation" as ordering slope-allowance, gives a result so incongruous with the rest of the work as $1.11 against 32 cents, this reading should be discarded, and some more reasonahle interpretation adopted, such as that by which the prices of 44 and 45 cents were evolved.

Change in classification from filling to puddle.

The excavation and re-filling of the Close-pile Trench at Lock 18, were paid at $2,056 in 1889 (when the work was done), and revised to $3,167 in November, 1892, on the following calculations,) " A " being the depth previously mentioned of about 10 feet.) :—

First Treatment, in 1889.

Excavation above A : 736 yards at 32 cts.	$235 00
Excavation below A : 957 yards at 96 cts	919 00
Filling above A : 576 yards at 32 cts.	184 00
Filling below A : 957 yards at 75 cts (puddle)	718 00
	$2,056 00

Final treatment in November, 1892.

All between 1-to-1 slope lines paid as excavation : 6,305 yards at 32 cts	$2,017 00
All filling allowed as puddle : 1,533 yards at 75 cts	1,150 00
	$3,167 00

A similar readjustment at lock 19 raised the price from $1,642 to $3,870 for excavating and filling the trenches.

The change in classification, from filling at 32 cts. to puddle at 75 cts. seems to affect 576 yards at lock 18, and 286 yards at lock 19, making increases of $247.68 and $122.98 respectively. I should like to be further informed : 1st, as to the actual nature of the filling ; and 2nd, as to the elasticity in the method of classification, by which a piece of work, three years after it is done, can be moved from a 32 to a 75 cent class.

Inaccurate designation of work.

There are items of 513 yards at lock 18, 564 yards at lock 19, and 480 yards at lock 20, described as " masonry in inverts at foot of locks and weirs, " or 1,557 yards in all, at $11 a yard, " Invert " being, by the dictionary, an abbreviation for inverted arch.

In previous estimates, 869 yards of this quantity was returned as concrete at $7 a yard, (which is deducted from these estimates in hand) and the difference of 688 yards now appears for the first time.

Here is a tracing from the plan of the work, showing that half of it is not " Masonry " but " Concrete," and that none at all is " Inverts ", since it is laid flat on the canal bottom.—(NOTE : *Tracing not printed.*)

The concrete, about five-ninths of the volume, seems to be covered by the specification, and to be payable at $7, as in previous estimates, instead $11. And if $11 is an appropriate price for the flat masonry, it is under some such name as that that it should be sanctioned, instead of under a term which generally means something more difficult.

Quantities not correctly reported in estimates.

In the January estimate for section 2, now in hand, the item " No. 3 : Earth excavation from borrow-pit, 99,000 cubic yards at 35 cents, $34,650 " includes the following as part of its composition :—

Re-inforcing bank at station 55 west	25,831·6 yards.
85 per cent of same added	21,956·9 yards.

It was explained at Cornwall that this is not 35 cent work, as there is some departure from the specification ; that the contractors wanted 75 cents a yard, while Mr.

Rubidge was only willing to allow 65 cents; and that, as a temporary expedient, the quantity was raised by 85 per cent, which has the same effect as paying 64 cents instead of 35 cents.

I don't like this. The Engineer's powers are large, but they stop at the Audit Act: and the quantities certified should always be the actual quantities, and the rates the actual rates, as they both profess to be. Every transaction should be described in the way it happens, no matter how much criticism it may be expected to evoke from officers through whose hands it must subsequently pass.

Unwatering Lower-Entrance Piers.

The charges for this service are: at lock 18, $2,396.18; at lock 19, $990.89; at lock 20, $1,724.02. The total time and the pay of the workmen is given, as well as the quantities of materials; and 15 per cent is added for supervision. The bills are certified: "Time checked, J. H. Ramsay"; "work performed, J. L. Weller"; "work necessary, not provided for in contract, charges fair and just, Tom S. Rubidge."

Mr. Rubidge reports on the three sections, as follows: "There being no provisions in the contract for this and similar work, instructions were given by the chief engineer, 15th March, 1895, that the time of labour and plant should be kept, and the usual 15 per cent added thereto, which has been done." He further reports that the pier at lock 18 was begun in the spring of 1891 and finished in 1895; the pier at lock 19 was begun and finished in 1894; and the pier at lock 20 in 1895.

The fact that the chief engineer's instructions to keep the time of labourers were issued only in March, 1895, is an indication that, at the time of building the piers at locks 18 and 19 (from 1891 to 1894) the unwatering was not expected to be paid for in addition to the masonry, and that the time-keeping on it for the Government was not considered necessary.

I should like to be informed as to the scope of Mr. Ramsay's certificate "Time checked"; whether it means that he took the men's time on the unwatering from 1891 to 1895, or that he checked the entries in the contractor's books after the instructions of March, 1895, were issued.

Unwatering Weir-Pits and Raceways.

The additional allowances, caused by change of plans, are estimated as follows by the engineer: at lock 18, $3,700; at lock 19, $5,000; at lock 20, $4,600. The corresponding claims by the contractors are $3,711, $5,029.12 and $4,623.

It will be necessary to have details of these calculations, and information as to whatever record of the men's time was kept by a Government time-keeper.

Unwatering Culverts at Wood's and Robertson's Creeks.

The items are: South extension of Wood's Creek culvert $2,142; Robertson's Creek culvert, $9,643.90.

I do not appear to have details of the calculations of these sums. Details will be necessary, as well as information concerning the time-keeping on behalf of the government.

The item in the specification for Wood's Creek culvert, asking the contractor to state a bulk sum for unwatering, refers only to the original plan. The Southern Extension does not come under this clause, but appears to be on the same basis as Robertson's culvert, where yard-prices were fixed for the masonry, without any reference to unwatering. My opinion is that the yard-prices, as fixed by the engineer and contractors before the work was done, are complete payment for any necessary contingencies.

Unwatering as an Extra Allowance on all Items.

As indicated in some of the preceding paragraphs, I do not think that an extra payment must be made for this service wherever it is not mentioned. To my mind, the

inference is clearly the other way, namely, that when the contractor agrees to do a new item of work for certain specified rates, those rates are to be his complete remuneration for all necessary contingencies involved in the execution of the work. It appears to be a question on which legal advice would be of value.

Unwatering Foundations of Extension Walls.

The items of this claim are as follows, at $1.50 a lineal foot:

Section 2, North side of bridge, 330 feet	$ 495.00
do 2, South do 427 do	640.50
do 2, Lock 18, head and foot, south side, 949 feet	1,423.50
do 3, do 19, do do do 600 do	900.00
do 4, do 20, do do do 950 do	1,425.00
	$4,884.00

Mr. Engineer Rubidge remarks, concerning this unwatering: "The contractors' offer, in the absence of time-records kept by government officials, to accept a lump sum for each work, based on the length of foundation-trenches, is considered reasonable. The work was begun in 1890, and has been carried on to a greater or less extent every season to the present time."

The fact that no time-records were kept on this work by the government officials, from 1890 to 1895, is a strong proof that these officers considered all through the work (as I do now), that the yard-price for masonry covered the unwatering along with the other services. Had they had any idea that the time of the men would ever come to account, they would have taken it down from day to day as part of their routine.

The foundation-trenches for these walls were dug a few feet at a time, as they were needed; there was no running water from the canal or from the river to keep out, and the leakage in most cases was small. The work is so much less than that of keeping a lock-pit unwatered for several seasons, that the necessity of additional payment for the first item cannot be inferred from the fact of separate payment for the second.

Even were the claim a good one in principle, the lengths allowed seem to be too great. The specification gives, for the length of the original lock-pit, in one place "fully 400 feet," and in another place "about 600 feet." In calculating the length of the extension walls in the present item, by subtracting the lengths of the locks from the total lengths from end to end, the three locks are allowed at only 375, 400 and 375 feet respectively, and $1.50 a foot is paid for unwatering the rest. That is to say, additional payment is made for some parts of the wall which were within the original lock-pits, and already covered by the bulk sums of $2,500, $2,500 and $2,000 respectively.

These objections come under both subsections *a* and *c* of section 32 of the Consolidated Revenue and Audit Act.

I am, sir, your obedient servant,

The Secretary, Treasury Board. J. L. McDOUGALL, *A.G.*

RAILWAYS AND CANALS DEPT., OTTAWA, June 12, 1896.

SIR,—With reference to the letter of the 8th instant from the Auditor General to yourself, and with reference to the interviews had between the Auditor General and his officers, the officers of the Finance Department, Mr. Rubidge, the Superintending Engineer, Mr. Davis and his solicitor, and myself, I now, as requested, give explanations on the following points:—

(1.) As regards the pile trenches, for which a charge of 64 cents is made, instead of 32 cents, and for which the Auditor General has objected that the work was not one of extreme urgency, I have the honour to state that the work had to be completed by the 21st of April, instead of the 30th, and that it was necessary to place on the ground an electric plant, in order that the work might be done by night as well as by day, and

that by arrangement with the department, the electric plant has been taken over by the government.

The cost of the plant was	$ 2,326 10
Thirty-two cents in the excavation	4,351 04
And allowing 50 per cent for urgency	2,175 52
Made up	$ 8,852 66

Or a little over 103 per cent of an increase, and the 100 per cent increase was allowed on the whole of the excavation of the pile trenches to make even figures.

(2.) With respect to No. 2—"same allowances for slopes on different classes of work," I beg to state that the explanations given in No. 1 apply to this, which I trust will suffice.

(3) In regard to No. 3 " Change in classification from filling to puddle," I have the honour to state that the *entire filling was puddle*, and with regard to the question as to the elasticity in the method of classification, I beg to say that the progress estimates as made up are in their nature approximate only, and that the least amonnt is allowed in each case as far as can be done in justice to the contractor, and that when the work is finished, a revision takes place and the proper price is determined. This was done in this case at the conclusion of the work on lock 18, and the attention of the engineer was then called by the contractors to the fact that this filling was puddle, and the change was made in accordance with the facts of the case.

(4) As regards No. 4 " Inaccurate designation of work," I have to state in respect to this objection that the work in question 1,557 yards in all, for which $11 per yard is placed in the estimates, that it was impossible to separate absolutely the masonry and the concrete; that in the previous estimates 869 yards which was returned as concrete included masonry, and my former remarks as to progress estimates apply to this case. At the completion of the work, it was found approximately that about two fifths of the work was concrete and three fifths masonry, and to carry out the terms of the contract, the first would be at $7 per yard and the latter at $14 per yard, which if extended at these prices would make a little more than $11 a yard, and in order to facilitate matters the round sum of $11 per yard was charged.

(5) As regards " Quantities not reported correctly in the estimates," I regret that any greater quantity of work should have been placed in the estimates than was actually done. In this particular case the reinforcement of the bank was necessary, and as in the opinion of the engineer the work was worth 65 cents per yard, in order to arrive at this amount of 65 cents, the engineer took the actual number of yards excavated and added 85 per cent thereto and carried this amount out in the estimates at 35 cents, the contract rate, I beg to suggest that the estimate should be altered to the exact amount of yards, viz.: 25,831.6 at 65 cents, similar work is now being performed at this rate.

(6) As regards No. 6 " Unwatering lower entrance piers," I have the honour to state that the time check is arrived at by Mr. Ramsey from notes kept by him of the beginning and the completion of each work, and that these notes were frequently compared with the time-keeper and the items often checked by Mr. Ramsey counting and finding out personally the number of men employed on the work, and it is by these means he arrived at the time.

(7) " Unwatering weir pits and raceways." With regard to this, Mr. Rubidge explains that the time at lock 19 is shewn in detail in the accounts, copy of which is herewith enclosed. That as regards locks 18 and 20, the amounts were made up proportionately, taking as a basis of calculation the area required to be kept unwatered during the construction covering several seasons. In the case of lock 20, as the character of the work was easier, the proportionate amount is reduced by $1,000.

(8) " Unwatering Culverts at Wood's and Robinson's Creek." With respect to this, I enclose herewith copy of the items and calculations in the account making up the item $2,142 (Wood's Culvert), and as regards the Robinson's Creek $9,643.90, Mr.

Rubidge when he returns to Cornwall will send me the figure making up the same which I will duly forward to you when I receive them.

(9) "Unwatering foundations of extension walls." As regards this, the department contends that the measurements are right, and that they can be checked over by any engineer employed by the Auditor General for that purpose.

I am, sir, your obedient servant,

The Deputy-Minister of Finance. COLLINGWOOD SCHREIBER, *D.M.&C.E*

TREASURY BOARD, OTTAWA, June 13, 1896.

SIR,—Referring to your letter to me of the 8th instant in reference to the Treasury Board case regarding the matter of Messrs Davis & Sons I have the honour to send you herewith a letter dated 12th instant, and its enclosures, from the Deputy-Minister and Chief Engineer of the Department of Railways and Canals. I shall be glad to know at your very earliest convenience by what amount the explanations in the letter herewith sent may reduce the sum in dispute.

I am, sir, your obedient servant,

The Auditor General. J. M. COURTNEY, *Secy, Tr. Board.*

CORNWALL, June 15, 1896.

SIR,—I beg to explain for your information how I arrived at an approximate amount as the cost of unwatering Robertson's Culvert, for which the contractors claimed $11,014.24.

I supposed a case, in which the work of removal of Culvert, &c., (pages 26 and 27 of Specification, Nos. 4, 9 and 10 of Tender) "must be done during the winter," in my opinion practicable but not practical, unless the entire area affected could be roofed in.

The excavation in this supposed case amounted to 24,332 cubic yards at section rate	$ 7,843 90
Add 4 dams half puddle	1,800 00
	$ 9,643 90

These two items alone exceeded the contractors' claim as first presented to me, which, less 15% amounted to $9,577.60.

I had therefore no hesitation in offering the above amount $9,643.90 in settlement, which was accepted.

Yours truly,

The Chief Engr. of Canals. TOM. S. RUBIDGE, *Sup. Engr.*

DEPARTMENT OF JUSTICE, OTTAWA, 15th June, 1896.

SIR,—In your letters of the 10th and 12th instant—T-21, 493 B—you submit for opinion questions raised by the Auditor General as to the propriety of certain items in progress estimates given in February last by the Chief Engineer of Railways and Canals under the contracts of Messrs. Wm. Davis & Sons for sections 2, 3 and 4 of the Cornwall canal enlargement, the Auditor General having refused to issue his certificate for the amount of these estimates for reasons stated in his letter of the 8th instant, and the matter having been referred to the Treasury Board under section 32 of the Consolidated Revenue aud Audit Act:

The items in question are the following:—

(6.) Unwatering entrance piers; (8) unwatering culverts at Wood's and Robertson's Creeks; (9) unwatering as an extra allowance on all items, and (10) unwatering foundations of extension walls.

The objection of the Auditor General in each case being the allowance for unwatering in connection with the works mentioned.

I have the honour to state that wherever the works in connection with which the unwatering was done were of the nature of extras, it is in my opinion clear that it was competent for the chief engineer to make such allowance, and that under clause 5 of the contract, the decision of the chief engineer as to the amount of such allowance would in the absence of fraud on his part be final and binding upon both parties to the contract. From information furnished to me by the chief engineer it appears that the lower entrance piers (item No. 6), the Southern extension of the culvert at Wood's Creek (part of item No. 8) and the fondations of extension walls (item No. 10), so far as the unwatering for which an allowance has been made applies to such extension walls, are all of the nature of extra works under the contract, and the consideration just alluded to, therefore, disposes of the objections of the Auditor General to the allowances for unwatering in respect of them.

The remaining allowances are those for unwatering Robertson's Creek (part of item No. 8), and unwatering as an extra allowance on all items (item No. 9).

With reference to the culvert at Robertson's Creek, the chief engineer states that this is part of the contract work ; that no price is given in the schedule for unwatering, although as to all other culverts a price is given.

Under these circumstances, I am not aware of any principle upon which an allowance for unwatering in connection with this work could be made unless such unwatering can be treated as an extra, and I am of opinion that it cannot be so treated unless the engineer has decided or decides under clause 9 of the contract that the unwatering is not within the meaning of that clause included in the work named in the schedule of prices. I am not informed as to whether there has been anything amounting to a decision under that clause. If there were such a decision, it would, of course (in the absence of fraud) be final and binding on both parties, and the engineer might fix a price for the unwatering (as an extra) which would likewise be final and binding.

No details have been furnished as to the particulars included in item No. 9, but I may say that the views above expressed as to the other items appear to be sufficient to dispose of any question which may arise in connection with such particulars. Possibly some further report may be required from the cnief engineer as to them and as to the Robertson Creek culvert, but as I understand that an early opinion is desired from this department, I thought it best to send you this letter at once, leaving you to obtain such further report if you think it necessary.

Papers herewith.

A. POWER, *Acting D.M.J.*

AUDIT OFFICE, OTTAWA, June 29, 1896.

SIR,—Let me acknowledge receipt from you of Mr. Schreiber's letter of June 12, in answer to mine of June 8 addressed to the Treasury Board.

I.—*Close-pile trenches at 64 cents instead of 32 cents.*

It was explained by Mr. Davis at our recent interview, that the method of calculating the volume by one-to-one slope lines, and then doubling the rate, was adopted in order to repay to him the cost of the electric light plant, which he would not have had to purchase if the specification-time for completing the work had been allowed.

If it is considered necessary to pay for the electric light plant, it should be done explicitly. Mr. Davis might produce his voucher for its original cost to him, and there should be a statement that it is now in good working condition ; and if it is in the possession of some government officer, he should certify its receipt. There should also be a certificate by a competent authority of its present value.

Mr. Schreiber gives the following as Mr. Rubidge's calculation of the rate of 64 cents a yard for excavation of the trenches :—

Cost of electric light plant	$2,326 10
Excavation, 13,597 cubic yards at 32 cents	4,351 04
Allowing 50 per cent for urgency	2,175 52
	$8,852 66

Or a little over 103 per cent of an increase, of which 100 per cent was allowed.

This calculation has two weaknesses : only 3,905 yards was excavated, instead of 13,597 ; and of this 3,905 yards, not more than 2,419 was excavated under urgency differing from the specification. These figures were given in my letter of June 8, but are ignored in the department's letter of June 12. I repeat them here, and call special attention to them. They are the cubic yards of excavation in the different pile-trenches :

Actual excavation in spring of 1889 :	Above A	944	
do do	Below A	1,475	
			2,419
do	fall of 1888 : Above A	736	
do	Aug.-Sept, 1889 : Above A say	500	
do	do Below A say	250	
			1,486
			3,905
Allowance for 1-to-1 slopes (no excavation)			9,692
			13,597

Now, in the previous calculation of the amount of $8,852.66, the 32 cents has nothing to do with 9,692 yards out of the 13,597, since the 9,692 yards was not excavated ; and the 50 per cent allowance for urgency in the spring of 1889 has nothing to do with 1,486 of the remaining 3,905 yards, because 736 out of the 1,486 was excavated in November, 1888, and the other 750 in Aug.-Sept., 1889, under no urgency at all.

We admit an increased difficulty for the excavation below A, and urgency for most of the excation in the spring of 1889 (say all, at present, for convenience of calculation ; to be revised by the engineers). A tentative allowance for increased depth may be found in that made in 1889, when the work was new, namely, three times the allowance for excavation above A. A reasonable calculation may be something as follows : the quantities being those detailed in the last tabular statement ; the factor "3" being for increased depth ; and the factor "$1\frac{1}{2}$" for urgency :

Fall of 1888 :	Above A, 736 x 32c	$ 235 52
Spring of 1889 :	Above A, 944 x 32c x $1\frac{1}{2}$	453 12
"	Below A, 1,475 x 32c x 3 x $1\frac{1}{2}$	2,124 00
Fall of 1889 :	Above A, 500 x 32	160 00
"	Below A, 250 x 32c x 3	240 00
Add cost of electric light plant, say		2,326 10
Proposed payment by this calculation, say		$5,538 74
Claimed, 13,597 cubic yards at 64c		8,702 08

It may be that the engineers will consider 96 cents as too much or too little pay for the excavation below A ; and part of the 2,419 yards excavated in the spring of 1889 may be separated out by them as not having been done under circumstances of unspecified urgency.

The objection may be raised, that the contract makes the engineer's decision final. The engineer is bound, however, by the general tenor of the Audit Act : and that will not allow him, I think, to increase 3,905 yards by 9,692 as compensation for a minor

difficulty of excavation; nor will it allow him to use "13,597 yards" in figuring an allowance for urgency, when not more than 2,419 yards was urgent.

My attention was drawn to this item in the first place by the fact that, although charged as an extra, it appeared to be identical (the most of it at least) with the work described in the specification. I have proved this identity. The artificial figuring by slope-lines, introduced some three years after the work was done, came to light by accident in the course of the other investigation. I shall need to be informed, at an early date, of the extent to which similar artificial calculations have been introduced into the progress estimates, and I am preparing a system of detail by which such things will force themselves to notice.

2.—Same allowances for slopes, on different classes of work.

Under this head Mr. Schreiber says: "I beg to state, the explanations given in No. 1 apply to this, which I trust will suffice."

The explanation given under No. 1 makes no reference to slope-lines, but goes only to support Mr. Davis' statement that the calculation was so made in order to pay for the electric light plant. Since the department makes no further effort to justify the payment of slope-lines on the pile-trenches by reference to the specification and contract, we may assume that it has abandoned this part of the argument.

3.—Change in classification, from filling to puddle.

Mr. Schreiber explains that "progress estimates, as made up, are in their nature approximate only," and that the change from filling to puddle was made at the conclusion of the work.

A progress estimate need be approximate in the measurements merely. The classification can be made more accurately at the time the work is doing, than several years later when it is covered up and forgotten. The engineer standing over a work and seeing it done, is at that time in his best condition to fix the class to which it belongs.

I accept Mr. Rubidge's statement that "the entire filling was puddle," though I should have preferred it to be accompanied by an explanation of how it came to be called earth filling in the first place.

4.—Inaccurate designation of work.

I understood that the designation of the "masonry in inverts" is to be changed, and an explanation made in the estimates of the impossibility of separating absolutely the masonry from the concrete: with a certificate that $11 is a fair average price.

Where the total volume is accurately known, and the size of the different stones can be approximated, it should have been possible to make a division very nearly exact. Absolutely accurate separation can hardly be demanded by the contractor, in a system which guesses at the volumes of "boulders in excavation under water" while they drop from the dredge-bucket to the scow.

It would be better, in future, to make such measurements with whatever accuracy is practically attainable, and indicate in the estimate the degree of uncertainty in the approximation.

5.—*Quantities not Reported Correctly in Estimates.*

It was understood, at our meeting, that the item "Earth excavation from borrow-pit, for re-inforcing bank," should be fully explained in the line of its difference from ordinary borrow-pit excavation, to show why it costs so much more. If this is done satisfactorily in the revised estimate, there will be no further objection to the item.

There were four similar over-statements of quantity, all of which have been pointed out to Mr. Schreiber, and he will rectify them at the same time.

6.—Unwatering Lower-Entrance Piers.

The "time-check" described by Mr. Schreiber, as that under which Mr. Ramsay certified "Time checked," appears to be only such a check as would be necessary under Section 13 of the contract, which reads as follows:—"If the engineer shall at any time consider the number of workmen employed on the said work to be insufficient for the advancement thereof towards completion within the limited time he may require the contractors to employ such additional workmen as he (the engineer) may think necessary." Counting the number of men at work, every few days would do for the purposes of Section 13; but no government officer could think of keeping such a cursory check on wages which he had to certify for payment. In other words, at the time of its performance, this unwatering was considered by the engineering staff as chargeable to the contractor, and covered by the yard and foot-prices tendered for materials.

Then the number of employees of different kinds on the whole work and not those specially engaged in unwatering would be noted.

The certificate in this case is apparently worthless.

I trust that you will call the attention of Mr. Ramsay, and others to the impropriety of making such a comprehensive certificate as "time checked," without any information on the subject.

7.—Unwatering Weir-Pits and Raceways.

The calculation for $6,529.12 for unwatering the weir-pit at lock 19, shows $343 for making dams, and $500 for removing them. The excess in the removal charge might be further explained. Fifteen per cent has been added to each item, whereas a lump sum agreement for $500, might naturally be considered as final in itself. The calculation should be given by which the allowances at locks 18 and 20 are established by proportion of areas.

The $6,529.12 includes a large item of $4,180 for 209 24-hour days of a steam-pump, from April 18, to November 13, 1894. It would be interesting to know how many days the steam-pump would have been needed for the weir-pit originally contemplated, whose unwatering was fixed at $1,500 in the contract-schedule. Similarly for the two other weir-pits, originally tendered at $1,500 each, and now costing $5,200 and $6,100 respectively.

8.—Unwatering Culverts at Wood's and Robertson's Culverts.

In addition to the objection (still maintained) that the yard-prices cover the unwatering, when the latter is not explicitly mentioned: The last explanation by Mr. Rubidge for Robertson's culvert is based on a hypothetical method of construction, whereas it should be possible to get approximate figures for the method actually followed, of building the new culvert inside of the old one—a method which apparently would reduce to a minimum the difficulty of unwatering.

9.—Unwatering Foundations of Extension-Walls.

The plans supplied to me by the Department of Railways and Canals, and which are drawn to scale, show the locks 18 and 20 to have been allowed at only 375 feet each; and 50 feet of the retaining-walls inside the 400 feet lock-pits are included in the lengths on which it is now proposed to pay $1.50 a foot for unwatering. My objection is, that the schedule-allowances for "Unwatering the Lock Pits" cover 400 feet of the length, and not merely the lock itself. The difference is only $75.

I am, sir, your obdient servant,

J. L. McDOUGALL, *A.G.*

RAILWAYS AND CANALS DEPT., OTTAWA, July 7, 1896.

SIR,—I have very little to add to what I have already stated in relation to the unwatering of works on Sections Nos. 2, 3, and 4 of the Cornwall Canal, and indeed the only question in dispute now appears to be the unwatering of Robertson's culvert, item 8.

As mentioned in a previous report, the building of the masonry in this culvert formed part of the contract, the price for which was $10 per cubic yard, the same as for the other culverts, for which an item also appears in the schedule of prices for unwatering, but in this particular case it seems to have been inadvertently omitted. Further, according to the specification, this culvert was to have been built during the winter season during which the water was to have been shut off at the head of the canal by the construction of a dam by the government, this was never done, and it appears that the matter of the manner in which this work should be carried on was discussed with the engineer at the time. The question of the great risk in rebuilding the embankments at the north and south end of the culvert during the winter time was brought up and fully considered, when it was decided if possible to avoid it, and negotiations were entered into between the engineer and the contractors for the carrying out of the work in the manner in which it was subsequently done and the mode of doing the work was agreed to with the understanding that the contractors should be paid for the unwatering at a price to be based on the cost of doing the work during the winter season, which includes the cost of excavating and reforming the embankments at the north and south ends of the culvert, and, as I have before explained, the engineer agreed upon a price for the unwatering which he certified was fair and reasonable. I duly certified to it in good faith and still am of the opinion that the contractors, under all the circumstances, are entitled to be paid it.

With reference to item 9, unwatering all the works: All the works outside these for which an item appears in the schedule of prices for unwatering, were either extra works, or the plans were so completely changed as to make them new works, that the unwatering and additional unwatering as I understand, become extra work, and prices are made therefore by the engineer in accordance with the terms of the contract.

I am, sir, your obedient servant,

The Deputy-Minister Finance. C. SCHREIBER, *C.E.*

EXTRACT *from the minutes of a meeting of the Hon. the Treasury Board, held at Ottawa, on the seventh day of July, 1896.*

Railways and Canals.—The Board had under consideration certain objections made by the Auditor General to the payment to Messrs. Wm. Davis & Sons of certain charges made by them under their contracts for sections 2, 3 and 4 Cornwall Canal enlargement, and included in the progress estimates to the 31st January, 1896. Of these items objections were made by the Auditor General under section 32 of the Consolidated Revenue and Audit Act to the following, on the ground that the yard price for masonry covered the unwatering along with the other services, viz. :—

6. Unwatering entrance piers;
8. Unwatering culverts at Wood's and Robertson's Creeks;
9. Unwatering as an extra allowance on all items, and
10. Unwatering foundations of extension walls.

The case having been referred to the Department of Justice for opinion as to whether the contention of the Auditor General in respect of the above was well founded, or whether the charges made for unwatering should be paid in addition to other charges under the contracts, the Board had under consideration a letter dated the 15th June, 1896, (copy annexed) from the Acting Deputy-Minister of Justice in which he states that wherever the works in connection with which the unwatering was done were of the nature of extras, it was, in his opinion, clear that it was competent for the Chief Engineer to make such allowance, and that under clause 5 of the contract the

decision of the Chief Engineer as to the amount of such allowance would, in the absence of fraud on his part, be final and binding upon both parties to the contract.

The Acting Deputy-Minister of Justice states that from information furnished to him by the chief engineer, it appears that the Lower entrance piers (item No. 6) the southern extension of the culvert at Wood's Creek (part of item No. 8) and the foundations of extension walls (item No. 10), so far as the unwatering for which an allowance has been made applies to such extension walls, are all of the nature of extra works under the contract and the consideration above referred to, disposes of the objections of the Auditor General to the allowances for unwatering in respect of them.

With reference to the culvert at Robertson's Creek (part of item 8) the Acting Deputy-Minister of Justice states that he is not aware of any principle upon which an allowance for unwatering in connection with this work could be made unless such unwatering could be treated as an extra, and he is of opinion that it cannot be so treated unless the engineer has decided or decides under clause 9 of the contract that the unwatering is not within the meaning of that clause included in the work named in the schedule of prices. If there were such a decision it would of course (in the absence of fraud) be final and binding on both parties and the engineer might fix a price for the unwatering (as an extra) which would likewise be final and binding. No details, the Acting Deputy-Minister observes, had been furnished him as to the particulars included in item No. 9, but he might say that the views above expressed as to the other items appear to be sufficient to dispose of any question which might arise in connection with such particulars.

The Board had also under consideration a letter dated July 7, 1896, from the Chief Engineer of the Department of Railways and Canals (copy annexed) from which it will be observed that the chief engineer states that as regards the culvert at Robertson's Creek that the work was done on the understanding that the contractors should be paid for the unwatering, and that with reference to item 9 all the works outside those for which an item appears in the schedule of prices for unwatering were either extra works or the plans were so completely changed as to make them new works, and that the unwatering and additional unwatering as he understood became extra work and prices are made therefor by the engineer in accordance with the terms of the contract.

The Board, in view of the above, direct that all charges under the contracts for unwatering certified by the Chief Engineer be allowed and paid.

The Minister of Justice who was present at the meeting of the Board concurred in the opinions of the Acting Deputy-Minister of Justice, as contained in his letter above quoted.

The Auditor General. J. M. COURTNEY, *Secretary.*

AUDIT OFFICE, OTTAWA, October 15, 1896.

SIR,—I return herewith papers connected with the overruling by the Board on the 7th of July last of my decision on charges for unwatering. My reason for asking a review of this case is similar to that mentioned in the case of the living allowance to Mr. Newcombe.

With reference to the merits of this case I would draw special attention to the statement of the Department of Justice that the chief engineer has a right to make unwatering an extra in connection with the part of a work which has been fully provided for by the contract. It seems to me that if the contract requires the erection of a piece of masonry which can no more be completed without unwatering than it can without stone and mortar it must be as legal to pay for the stone and mortar in addition to the contract price as it would be to pay for the unwatering in addition to the contract, presuming that no reference was made in the contract to unwatering. I do not argue that where the work itself is an extra either because it was overlooked when the contract was entered into or was materially changed from the requirements of the contract that the chief engineer has not full power to give a fair remuneration for all

the work which is extra. Indeed when the contract covers the permanent structure without mentioning unwatering it is plain that the contractor as well as the government considered that the cost of unwatering was covered by the price for the structure. Why should the contractor get pay for unwatering a second time as he would in this case if the decision now in force remains.

I am, sir, your obedient servent,

The Secretary, Treasury Board. J. L. McDOUGALL, *A.G.*

Temporary Employees under Amendment of 1895 to Civil Service Act.

AUDIT OFFICE, OTTAWA, March 28, 1896.

SIR,—In connection with the payments for January and February for clerical and other assistance out of Civil Government Contingencies, let me call your attention to the following cases as contrary to the Civil Service Act as amended in 1895 :—

H. Potter, Privy Council ; F. Perchard, sr. and F. Perchard, jr., Justice Department ; John Green, P. Grant, Thos. Sagala, H. G. Clarke and Thos. Bryant, Post Office Department ; have not passed the Preliminary examination required by the Act and are ineligible to be employed as temporary messengers.

Geo. Codd, Secretary of State's Department, $27.50 per month ; D. G. Courtney, Post Office Department, $320 per annum ; Jas. Kearns, Indian Affairs $1 per day—as temporary messengers—should be paid at the rate of not more than $300 per annum.

R. E. Tyrwhitt, Marine and Fisheries, $50 per month ; M. Jolivet, Customs, $1.50 per day—were not employed on the 22nd of July, 1895, and are therefore entitled to only $400 per annum, with additional pay, however, for optional subjects allowed by the Act.

H. Gilbert Smith, Justice Department, who has not passed the Civil Service examination and was not employed on the 22nd of July, 1895, cannot, therefore be employed as an extra clerk.

I notice that a Bill was introduced in the Senate yesterday which will remove the disabilities in the above cases, but would suggest that their salaries for March to the extent of the overpayments or the illegal payments be held pending action on the Bill.

I am, sir, your obedient servant,

The Accountant of Contingencies. J. L. McDOUGALL, *A.G.*

TREASURY BOARD, OTTAWA, April, 17th 1896.

SIR,—Referring to your letter of the 28th ultimo, to the Accountant of Contingencies in connection with the payments for January and February for clerical and other assistance, and calling attention to certain cases as contrary to Civil Service Act as amended in 1895, I beg to state that the case so far as related to F. Perchard, sr., F. Perchard, jr., and J. H. Smith, of the Department of Justice, was submitted for opinion to the Deputy-Minister of Justice, and I inclose herewith a copy of the opinion received under date of 15th instant.

I am, sir, your obedient servant,

The Auditor General. J. M. COURTNEY, *Sec., T. B.*

DEPARTMENT OF JUSTICE, OTTAWA, April 15th, 1896.

SIR,—I have the honour to acknowledge the receipt of your letter of the 13th instant enclosing a letter of the 28th ultimo from the Auditor General to the Accountant of Contingencies, in which the Auditor General states that F. Perchard, sr., and F. Perchard, jr., who are temporary messengers in this department, have not passed the preliminary examination required by the "Civil Service Act" and are ineligible to be

employed as temporary messengers under the Act further to amend the Civil Service Act, 58--59 Victoria, chapter 15 ;—also that H. Gilbert Smith, who is a temporary clerk in this department, has not passed the Civil Service examination and was not employed on the 22nd July last, and therefore cannot be employed as an extra clerk.

You state that before submitting the cases to the Treasury Board you desire my opinion on the points raised by the Auditer General.

I am directed to state that in the opinion of the Minister of Justice the Act amending the Civil Service Act, 58--59 Vic., ch. 15, has no application to engagements existing on the 1st of January last, when that Act came into force. Each of the three temporary employees of this department was at that time employed under requisite authority for periods respectively which have not yet expired. The minister therefore considers that the facts stated by the Auditor General do not affect the present claims of these employees.

I return herewith the Auditor General's letter, also that of the Accountant of Contingencies,

I am, Sir, your obedient servant,

The Secretary-Treasury Board, E. L. NEWCOMBE, *D.M.J.*

AUDIT OFFICE, OTTAWA, April 20, 1896.

SIR,—Let me acknowledge the receipt of your letter of the 17th instant in *re* the employment of F. Perchard sr., F. Perchard jr. and H. G. Smith in the Department of Justice, and enclosing an opinion of the Department of Justice in the matter.

In reply I beg to state that as the objections taken to the employment of these persons and persons similarly situated in other departments will be removed should the bill now before the House be passed, any further discussion of the matter is postponed.

I am, sir, your obedient servant,

The Secretary, Treasury Board. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF FINANCE, OTTAWA, April 30, 1896.

DEAR SIR,—Referring to your letter of the 20th instant *in re* the employment of F. Perchard, sr., F. Perchard jr., and H. G. Smith in the Department of Justice, as the Bill referred to was not passed and the cases are to be brought before the Treasury Board, I shall be glad to have early any remarks you may wish to make on the subject.

Yours truly,

The Auditor General. J. M. COURTNEY, *D.M.F.*

AUDIT OFFICE, OTTAWA, May 2, 1896.

SIR,—I have your letters of the 17th and 30th ultimo with reference to the cases of F. Perchard, sr., F. Perchard, jr., and H. G. Smith of the Department of Justice, which were held by me, as mentioned in my letter of April 20th until the end of the session, in the hope that the Civil Service Bill, which would have cured the difficulty, would have been passed by Parliament.

It appears to me that there must be some mistake about the position taken by the Department of Justice with reference to these cases. That position seems to be that, if the Governor in Council has authorized the employment of any person, Parliament cannot deprive the person of the right during the term authorized by the Governor in Council. If this is the case there surely must be some decision to that effect by a court. I have always looked upon Parliament as being the supreme authority, and considered that, if an Act of Parliament fixed the conditions under which a thing could be done, no other authority could modify the conditions.

I am, sir, your obedient servant,

The Secretary, Treasury Board. J. L. McDOUGALL, *A.G.*

EXTRACT *from minutes of Treasury Board meeting, 2nd May, 1896.*

Contingencies:—The Board had under consideration objections made by the Auditor General to the payment of F. Perchard, sr., and F. Perchard, jr., as temporary messengers in the Department of Justice, and of John Green and H. G. Clarke as temporary messengers in the Post Office Department on the ground that they are ineligible to be employed as temporary messengers, not having passed the Preliminary Examination as required by the Civil Service Act as amended in 1895 :—and to the payment of George Codd, a temporary messenger in the Department of the Secretary of State, and of D. G. Courtney, a temporary messenger in the Post Office Department at rates exceeding the rate of $300 a year ; and to the payment of H. Gilbert Smith as temporary clerk in the Department of Justice, on the ground that he had not passed the Civil Service Examination and was not employed on the 22nd July, 1895.

The Board had also under consideration the opinion of the Minister of Justice that the Act of 1895 amending the Civil Service Act has no application to engagements existing on the 1st January, 1896, when that Act came into force, and that as the employees above named were actually employed on the 1st January, 1896 under Orders in Council authorizing their continued employment they are entitled to be paid.

The Board therefore direct that payment be made to them as authorized in the Orders in Council continuing their employment from the 1st January, 1896.

J. M. COURTNEY, *Secretary.*

AUDIT OFFICE, OTTAWA, May 7, 1896.

SIR,—I am in receipt of the Treasury Board Minute of May 2, regarding the employment of certain temporary clerks and messengers.

One thing that had not occurred to me at the time when I wrote to the Treasury Board was that the Orders in Council authorizing the employment of the persons referred to were passed after the amendment to the Civil Service Act had been assented to, even though it had not come into effect.

The question has quite a different phase from what it would have had if the Orders in Council had been recommended and passed before it was known what action the legislature would take.

I am, sir, your obedient servant,

The Secretary, Treasury Board. J. L. McDOUGALL, *A.G.*

TREASURY BOARD, OTTAWA, May 9, 1896.

SIR,—In reply to your letter of the 7th, I have to say that the dates of the Orders in Council authorizing the employment of the temporary clerks and messengers referred to in the Treasury Board Minute of the 2nd instant were before the Department of Justice, as you will notice from the correspondence herewith enclosed.

Yours truly,

The Auditor General. J. M. COURTNEY, *Sec'y T.B.*

ENCL. :—Letters from Department of Finance, April 24 and 30, and from Department of Justice, April 27 and May 2.

FINANCE DEPT., OTTAWA, April 24, 1896.

SIR,—Referring to your letter 328-96 of the 15th instant, I enclose copy of a letter from the Auditor General of the 28th March last, calling attention to the cases of certain messengers who had not passed the preliminary examination, and who he claims are ineligible to be employed as temporary messengers. Of these messengers the employment of all, with the exception of Mr. Potter, for 6 months from the 1st January, 1896, was sanctioned by Orders in Council passed before the date last named,

they having been continuously employed for the 6 months preceding the 1st January, 1896. Mr. Potter's continued employment from the 1st January, 1896, was authorized by Order in Council passed the 10th January, 1896. In the case of Messrs Codd, Courtney and Kearns, in which objection is made to their being paid at rates in excess of $300, I have to say that these messengers were paid at the rates named when the Civil Service Amendment Act of 1895 was sanctioned. Further, that the Order in Council authorizing the continued employment for 6 months from the 1st January, 1896, of Messrs. Codd and Courtney, was passed prior to the 1st January, 1896, and that the Order in Council authorizing the continued employment of Mr. Kearns for 6 months from the 1st January, 1896, was passed on the 19th February, 1896.

I shall be glad to be advised at your earliest convenience whether the contentions of the Auditor General are correct.

I am, sir, your obedient servant,

The Deputy-Minister of Justice. J. M. COURTNEY, *D.M.F.*

JUSTICE DEPT., OTTAWA, April 27, 1896.

SIR,—I have the honour to acknowledge the receipt of your letter of the 24th instant, enclosing copy of a letter from the Auditor General of the 28th March last. calling attention to the cases of certain messengers who had not passed the preliminary examination and who, as claimed by the Auditor General, are ineligible to be employed as temporary messengers.

You state the case as follows :—"Of these messengers the employment of all, with "the exception of Mr. Potter, for 6 months from the first January, 1896, was sanctioned "by Orders in in Council passed before the date last named—they having been contin-"uously employed for the 6 months preceding the 1st January, 1896. Mr. Potter's "continued employment from the 1st January, 1896, was authorized by Order in Council "passed the 10th January, 1896. In the case of Messrs. Codd, Courtney and Kearns, "in which objection is made to their being paid at rates in excess of $300, I have to "say that these messengers were paid at the rates named when the Civil Service Amend-"ment Act of 1895 was sanctioned. Further, that the Order in Council authorizing "the continued employment for 6 months from the 1st January, 1896, of Messrs. Codd "and Courtney, was passed prior to the 1st January, 1896, and that the Order in Coun-"cil authorizing the continued employment of Mr. Kearns, for 6 months from the 1st "January, 1896, was passed on the 19th February, 1896."

I am to state that it is necessary for me to have further information and I desire to be informed with respect to the temporary messengers, who are stated to be ineligible because they have not passed the preliminary examination, as to each case respectively, whether the messenger was actually serving under competent engagement when the Act came into force on the 1st January last, and if so, for what period he was so engaged. This information it would probably be necessary to obtain from the Deputy-Ministers of the departments concerned. The same information appears to be necessary with regard to the temporary messengers whose rates of pay are objected to.

I may say that I regard the Order in Council as merely giving authority for the employment and not necessarily constituting employment.

So far as this department is concerned I have already advised that the objections of the Auditor General have no application.

Permit me to express the hope that the delay which may ensue in disposing of this question, so far as it relates to the other departments, will not interfere with the immediate disposal of the case of the employees of this department by the Treasury Board. I have already advised upon their case and nothing remains but to have it considered.

I am, sir, your obedient servant,

The Deputy-Minister of Finance. E. L. NEWCOMBE, *D.M.J.*

FINANCE DEPT., OTTAWA, April 30, 1896.

SIR,—I have the honour to acknowledge the receipt of your letter of the 27th instant in reference to certain temporary messengers to whose employment the Auditor General has taken objection, and in reply thereto I have to say that the facts connected with the employment and payment of the messengers named in the Auditor General's letter (including those of your department) are as follows :—

H. Potter, authorized by Order in Council of 12th July, 1895, to be employed for two months from 1st July, 1895, and to 31st December, 1895, by Order in Council of the 9th October, 1895 at $400 a year.

John Green and H. G. Clarke at $300, and D. G. Courtney at $320 a year, by Order in Council 22nd June, 1895 ; Geo. Codd at $27.50 a month by Order in Council 6th August, 1895 ; Jas. Kearns at $1 a day by Order in Council 27th July, 1895 ;—all for 6 months from 1st July, 1895.

They were all paid at the rates above named by the Accountant of Contingencies to the 31st December, 1895—their employment being a continuation of previous employment.

As I stated in my letter of the 24th instant, employment of all these messengers for a further period of 6 months from 1st January, 1896, was authorized by Order in Council passed in the cases of all, except Messrs. Potter and Kearns, before the 1st January and in their cases, after the 1st January, the rates of pay authorized being those above specified, and they have all been paid at the rates named for the months of January and February, 1896, by the Accountant of Contingencies, on requisitions from the several departments.

So far as the messengers in your department are concerned, I shall bring up their cases when the Treasury Board meets again, and in the meantime I shall be glad to hear from you so that all these cases may be disposed of at the same time.

I am, sir, your obedient servant.

The Deputy-Minister of Justice. J. M. COURTNEY, *M.D.F.*

DEPARTMENT OF JUSTICE, OTTAWA, May 2, 1896.

Sir,—I have the honor to acknowledge the receipt of your letter of the 30th ult. with reference to the temporary messengers as to payment of whose salaries the Auditor General objects.

Although you have given me a reference to the Orders in Council authorizing the employment of these messengers, you have not furnished me with the facts as to their respective engagements which I considered it would he well to obtain.

Upon the facts as now stated, however, I am to inform you that, in the opinion of the Minister of Justice, it would appear that Potter and Kearns were not on the 1st January last serving under competently authorized engagements for the month of March, and, therefore, as to them the Auditor General's objection must, upon the present statement of the case, prevail.

As to all the other temporary messengers in question they appear to have been actually employed on the 1st January last under Orders in Council which would authorize continued employment until the 1st July next. If, therefore, they had, when the Act came into force, been actually engaged for a period extending over the month of March, the minister is of opinion that they are entitled to be paid.

I am, sir, your obedient servant,

The Deputy Minister of Finance. E. L. NEWCOMBE, *D.M.J.*

DEPARTMENT OF INDIAN AFFAIRS, OTTAWA, May 15, 1896.

SIR,—On the 7th instant I was advised by the Deputy-Minister of Finance that objection had been taken by the Auditor General to the payment of James Kearns as a temporary messenger in this department at the rate of $1 a day, that the objection had

been referred to you, and that upon your opinion the Treasury Board had sustained it. As this department had not been advised of the nature of the objection raised by the Auditor General and as it was gathered from the letter of the Deputy-Minister of Finance that you were not satisfied with the statement of facts submitted to you in the matter, Mr. Courtney was asked to furnish this department with copies of the Auditor's objection and your opinion thereon. On perusing these copies I observe that in your letter to the Deputy-Minister of Finance of the 27th ult. you state that further information is necessary, and add "I desire to be informed with respect to the temporary messengers, who are stated to be ineligible because they have not passed the preliminary examination, as to each ease respectively, whether the messenger was actually serving under a competent engagement when the Act came into force on the 1st January last, and if so, for what period he was so engaged. This information it would probably be necessary to obtain from the deputy ministers of the departments concerned. The same information appears to be necessary with regard to the temporary messengers whose rate of pay is objected to." And in your letter of the 2nd May to Deputy-Minister of Finance you remark, "Although you have given me a reference to "the Orders in Council authorizing the employment of these messengers, you have not "furnished me with the facts as to their respective engagements which I consider it "would be prudent to obtain."

From these remarks I take it that a messenger might be employed under an engagement on the 1st January, which engagement would entitle him to be paid at the rate at which he was previously employed, although an Order in Council authorizing his payment had not passed prior to the 1st January. The power to employ a temporary messenger rests, it seems to me, with the minister, and that the Order in Council is only necessary in order to pay a person so employed under an arrangement made by the Executive, not under any statute, but as a mere matter of convenience. James Kearns has been employed as a temporary messenger in this department since July 1894, at $1 a day, and from time to time the authority of His Excellency in Council has been obtained for paying him at that rate. On the 27th July, 1895, an Order in Council was issued authorizing his payment at $1 a day for six months from the first of that month. Before the expiration of that period Mr. Kearns was informed that his services would be longer required, and he was engaged by the department to continue on in his position at the same rate of pay. Delay, however, occurred in making the usual recommendation to Council for the requisite authority for his payment, and further delay having occurred after the recommendation was made, the Order in Council did not issue until the 19th February 1896. Mr. Kearns should certainly, however, not be made to suffer for these delays, to which he was in no way a party, and as he continued in the position on the understanding that he would be paid at the rate of $1 a day, it would be an injustice to now force him to take less.

As an evidence of his bona fide engagement by the department under ministerial authority at $1 a day, I may state that provision has been made in the Estimates for the coming year for his appointment at that rate.

In view of these facts, of which, through no fault of this department, you were not previously put in possession, I venture to bring the question of the rate at which James Kearns may be paid again before you; and I shall be thankful if you will advise me at your early convenience whether they are such as to lead you to modify the opinion which you gave the Deputy-Minister of Finance on the incomplete statement of the case by that officer.

I am, sir, your obedient servant,

The Deputy-Minister of Justice. D. C. SCOTT, *Acting D.S.G.I.A.*

DEPT. OF JUSTICE, OTTAWA, May 23, 1896.

SIR,—I have the honour to acknowledge the receipt of your letter of the 15th instant, with regard to the case of James Kearns, a temporary messenger employed in your department at the rate of $1 per day, to whose payment the Auditor General ha

objected, on the ground that he should be paid at the rate of not more than $300 per annum.

I observe that Mr. Kearns was in fact engaged as a temporary messenger in your department at the rate of $1 per day during the period from December until 19th February last, when an order in Council was obtained authorizing his employment at that rate for a period of six months from the 1st January last, and that for the preceding six months Mr. Kearns had been engaged in the same capacity and at the same rate, under competent authority.

In these circumstances, I am of opinion that Mr. Kearns did not begin his services as temporary messenger after the Act 58-59 Vic., cap. 15, amending the Civil Service Act, came into force, and, therefore, that his right to the salary stipulated for is not affected by section 10, paragraph (*b*) of that Act.

I would have been glad to have stated this view, for the information of the Treasury Board, when the case was before me previously if the same facts had been given me.

I am, sir, your obedient servant,

The Deputy Supt. General of Indian Affairs. E. L. NEWCOMBE, *D.M.J.*

DEPARTMENT OF INDIAN AFFAIRS, OTTAWA, May 28, 1896.

SIR,—I have the honour to refer to your letter to me of the 7th instant, respecting the Auditor General's objection to James Kearns, a temporary messenger in this department, being paid at a rate exceeding $300 a year, and advising me of the action of the Treasury Board in the matter. In that letter you informed me as to the reference of the question to the Department of Justice and advised me as follows as to the opinion expressed by that department :—

"In reply the Deputy-Minister of Justice stated that although I had given him a reference to the Order in Council authorizing the employment of the messenger, I had not furnished him with the facts as to his engagement, which he considered it would be prudent to obtain, and that upon the facts as stated, in the opinion of the Minister of Justice, it would appear that Mr. Kearns was not on the 1st January last serving under a competently authorized engagement for the month of March, and as to him the Auditor General's objection must, upon the present statement of the case, prevail."

In compliance with my request you were good enough to send me on the 12th instant a copy of the Auditor General's objection and of the correspondence which passed between your department and the Department of Justice on the subject. On reading this correspondence I observed that the Deputy-Minister of Justice desired information "from the Deputy-Ministers of the departments concerned," and as I had not been previously given an opportunity of furnishing him with the desired information, I wrote him on the 15th instant stating the facts as to James Kearns' engagement, and on the 23rd instant I received a reply to the effect that Kearns could legally be paid a salary of $1 per day.

I beg to submit a copy of the reply of the Deputy-Minister of Justice, and to request you to kindly cause the same to be placed before the Treasury Board, to the end that its sanction may be given to the payment of James Kearns at $1 a day, as provided by the Order in Council of the 19th February last, authorizing his being paid at that rate until the 1st July.

Your obedient servant,

The Secretary, Treasury Board. HAYTER REED, *D.S.G. I.A.*

FINANCE DEPT., OTTAWA, June 1, 1896.

SIR,—I have been advised by the Deputy Superintendent General of Indian Affairs that on the 15th May last he wrote you a letter in regard to the case of Mr. James Kearns, a temporary messenger in the Department of Indian Affairs, and in reference to whose payment in excess of $300 a year you advised me as Secretary of the Treasury

Board by letter dated the 2nd May last that under the facts as then stated, in the opinion of the Minister of Justice, it would appear that Kearns was not on the 1st January last serving under a competently authorized engagement for the month of March, and, therefore, the Auditor General's objection to pay him in excess of $300 a year must prevail upon the then present statement of the case. It appears from copies of the correspondence furnished me by the Deputy Superintendent General of Indian Affairs that on the 23rd ultimo you wrote in reply to his letter of the 15th that Mr. Kearns did not begin his services as temporary messenger after the Act 58-59 Vic., cap. 15, came into force, and therefore that his right to the salary stipulated for is not affected by section 10, paragraph (*b*) of that Act. I regret that the correspondence has taken place without reference to this department, and as the matter has to be explained to the Treasury Board when again brought before them, I shall be glad if you will kindly let me know the additional fact or facts brought to your knowledge by the Deputy Superintendent General of Indian Affairs which led you to change your opinion as indicated in your letter of the 15th May last above referred to.

I am, sir, your obedient servant,

The Deputy-Minister of Justice. J. M. COURTNEY, *Sec. T.B.*

JUSTICE DEPT., OTTAWA, June 9, 1896.

SIR,—In reply to your letter of the 1st instant with reference to the case of Mr. James Kearns, a temporary messenger in the Department of Indian Affairs, I have the honour to refer you to the letter of the Acting Deputy Superintendent General of Indian Affairs to me of the 15th ultimo, in which he states in effect that Mr. Kearns had previous to the first of January last been engaged for a further period at the rate of $1 per day and that he actually continued in the service of the department under such arrangement from the first of January until the 19th of February last, when the authority of Council for his employment from the first of January was obtained.

The facts with reference to Mr. Kearns' engagement by this department were, as I pointed out, not stated in the previous submission of the case, and I stated before advising that I considered a reference to the deputy-heads of the departments concerned might afford further material information. I have no doubt, however, that the previous statement of facts went as far as you could go without consulting the departments which were responsible for the employment of the messengers in question.

I am, sir, your obedient servant,

The Secretary Treasury Board. E. L. NEWCOMBE, *D.M.J.*

EXTRACT *from minutes of a Treasury Board meeting held at Ottawa on 26th day of June, 1896.*

Indian Affairs :—The Board, on the opinion of the Deputy-Minister of Justice that James Kearns, a temporary messenger in the Department of Indian Affaires, did not begin his services as temporary messenger after the Act 58-59 Vic., ch. 15, amending the Civil Service Act, came into force, and that, therefore, his right to the salary stipulated for is not affected by section 10, paragraph (*b*) of that Act, direct that Mr. Kearns be paid at the rate named in the Order in Council continuing his employment for six months from 1st January, 1896, viz. : $1.00 a day.

J. M. COURTNEY, *Secretary.*

Geological Survey :—Salary H. J. Cameron.

AUDIT OFFICE, OTTAWA, April 28, 1896.

SIR,—I beg to acknowledge receipt of your application of the 24th instant to pay Hugh Cameron the sum of $54.25 for 31 days' service from January 27th to February 26th at $1.75 as voted in the Supplementary Estimates for 1895-96.

As I understand it, Mr. Cameron was ineligible for employment under the Civil Service Act, and the amount was voted with the intention of legalizing the payment. However, as the words "notwithstanding anything to the contrary in the Civil Service Act" were not inserted in the Estimates, the Civil Service Act has not been amended as regards this particular item, and the payment is still illegal.

I am, sir, your obedient servant,

The Deputy-Head and Director Geological Survey. J. L. McDOUGALL, *A.G.*

GEOLOGICAL SURVEY DEPT., OTTAWA, April 30 1896.

SIR,—A sum of $54.25 was specifically provided for in the Supplementary Estimates 1895-96, and voted as per Supply Bill, to pay Mr. Hugh Cameron for 31 days' wages at $1.75 per day.

The Auditor General in a letter dated 28th April, copy herewith, objects to the payment of the above sum to Mr. Cameron on the grounds that the words "notwithstanding anything to the contrary in the Civil Service Act" were not inserted in the Estimates, and that the Civil Service Act has not been amended as regards this particular item. Will you be so good as to bring the matter under the notice of the Treasury Board for their action?

Mr. Cameron has been put to much inconvenience in being unable to receive his pay for work actually done, and for which he has now been waiting since February 26 last, and I should therefore be glad if possible to be enabled to settle the account.

I am, sir, your obedient servant,

The Secretary of the Treasury Board. GEORGE M. DAWSON, *Director.*

GEOLOGICAL SURVEY DEPT., OTTAWA, May 2, 1896.

SIR,—I have the honour to report that Mr. Hugh Cameron had been employed temporarily from time to time between 15th July and 14th August, and 30th October and 29th November 1895, on work in this department. His services were again required on the 27th January and he was employed till the 27th February last. It appears however, that in consequence of the amendment of 22nd July, 1895, to the Civil Service Act, chap. 15, it had become illegal to employ, even temporarily, persons who had not passed the Qualifying Examination, and an objection was consequently made by the Auditor General to the payment of Mr. Cameron between the last mentioned dates.

To overcome this irregularity, a special amount was asked for in Mr. Cameron's name, and voted as per Supply Bill, assented to on the 23rd April. The Auditor General on being asked to pass Mr. Cameron's pay-list objects to do so, on the grounds that the words "notwithstanding anything to the contrary in the Civil Service Act" were not inserted in the Estimates, and that the Civil Service Act has not been amended as regards this particular item.

Inasmuch as Mr. Cameron has done the required work between the above dates and has already been put to much inconvenience in not being able to receive his pay, and as the amount was voted for this special service by name, and at a special rate, I would recommend that payment of the above named sum of $54.25 be made to Mr. Cameron.

I am, sir, your obedient servant,

The Honourable the Minister of the Interior. GEORGE M. DAWSON.

THE GEOLOGICAL SURVEY DEPT., OTTAWA, May 2nd, 1896.

SIRS,—The undersigned, Minister of the Interior, having reference to the annexed report of the Director and Deputy-head of the Geological Survey Department, in which he concurs, has the honour to recommend that the Treasury Board may take such action as will enable the sum of $54.25 being paid to Mr. Hugh Cameron for services rendered.

I am, sir, your obedient servant.

To the Hon. the Treasuay Board. HUGH JOHN MACDONALD, *M.I.*

TREASURY BOARD, May 5, 1896.

SIR,—I have the honour to enclose herewith a communication from the Hon. the Minister of the Interior in reference to the payment of Mr. Hugh Cameron, for services rendered from 27th January to 27th February, 1896, at the rate of $1.75 a day—which payment you object to as being illegal. I have to request that you will be good enough to let me know, for the information of the Treasury Board, upon what clause of section 32 of the Audit Act, your objection to such payment is founded and the ground of the objection to such payment, whether from lack of parliamentary authority or otherwise. I shall also be glad to have any other remarks you may have to make in connection with the matter.

I am, sir, your obedient servant,

The Auditor General, J. M. COURTNEY, *Sec.*

AUDIT OFFICE, OTTAWA, May 8, 1896.

SIR,—In answer to your letter of the 5th instant, regarding the appeal to the Treasury Board by the Geological Survey Department on the case of Mr. Hugh Cameron, I beg to state that the appeal would come under subsection *a* of section 32, Revenue and Audit Act, as described in the letter of Mr. Lash in the case of the appeal of Heney and Borthwick.

With respect to the legal merits of the case itself, in addition to what was said in my letter to the Geological Survey, a copy of which is appended to the correspondence, I beg to point out that Parliament was not in possession, when the vote was taken, of any reason to suppose that the Civil Service Act was being amended, or that there was anything more in the vote itself than authority to pay Mr. Cameron an amount which could have been legally paid except for the fact that there was no parliamentary appropriation for it.

I am, sir, your obedient servant,

The Secretary, Treasury Board. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF JUSTICE, OTTAWA, May 16, 1896.

SIR,—I have the honour to acknowledge the receipt of your letter of the 11th instant—T. 21374B—and of the accompanying papers relating to a question raised by the Auditor General as to the legality of a proposed payment to Mr. Hugh Cameron of $54.25 for services rendered by him in the Geological Survey Department from January 27 to February 27 last.

The Auditor General takes the position that there is no parliamentary authority for this payment, and the matter is referred by you to this department under section 32, paragraph *a* of the Consolidated Revenue and Audit Act, for an opinion of the Attorney General as to whether or not there is such authority.

Schedule A to the Appropriation Act, 1896, contains an item which was intended to provide for this payment, and which reads as follows:—

"Amount required to pay Hugh Cameron for 31 days' wages, at $1.75=$54.25."

The Auditor General takes the ground that the employment of Mr. Cameron was contrary to the provisions of section 8 of chapter 15 of the Statutes of 1895, Mr. Cameron not having passed the qualifying examination, and he contends that as the words "notwithstanding anything to the contrary in the Civil Service Act" were not inserted in the vote, the Civil Service Act has not been amended as regards this particular item, and the payment would be illegal. He observes that parliament was not in possession, when the vote was taken up, of any reason to suppose that the Civil Service Act was being amended, or that there was anything more in the vote itself than authority to pay Mr. Cameron an amount which could have been legally paid except for the fact that there was no parliamentary appropriation for it.

I am of opinion that the position taken by the Auditor General is untenable. I think that the Appropriation Act containing the item above referred to, makes a clear and distinct provision for the payment of this particular sum for this particular purpose, and that this special provision effects an implied repeal of the general provision in the Civil Service Act, so far as it is inconsistent therewith, although it contains no express reference to that Act. In the absence of the Attorney General, I am therefore of opinion that the Appropriation Act, 1896, is sufficient parliamentary authority for the issue of a cheque for the payment of the amount in question.

I am, sir, your obedient servant,

The Secretary, Treasury Board. E. L. NEWCOMBE, *D.M.J.*

Extract from minutes of Treasury Board meeting, June 26, 1896.

Geological Survey : The board had under consideration an objection made by the Auditor General to the payment of Mr. Hugh Cameron of the sum of $54.25 voted in the Appropriation Act, 1896, and on the advice of the Deputy-Minister of Justice that there is sufficient parliamentary authority for the issue of a cheque for the payment of the amount in question, direct that such payment be made.

The Auditor General, J. M. COURTNEY, *Secretary.*

NOTE.—This was sanctioned at a Board at which the Minister of Justice was present and he concurred in his Deputy's opinion.

30th June, 1896.

J. M. COURTNEY, *Secy. T.B.*

(*a.*) Owing to a misapprehension as to balance available near the end of year. (*b.*) No blankets purchased. (*c.*) Not so many removals as expected. (*d.*) Costs not so great as expected. (*e.*) Expenditure under these heads is governed largely by circumstances. Strict economy was exercised. (*f.*) Some Indians absent when payments made. Not so many commutations as expected. (*g.*) Too much estimated for freight. (*h.*) More Indians employed this year at lower wages than whites. (*i*) Owing to ruling of Auditor General by which expenditure charged to vote for destitute was transferred. (*j*) Proposed new school not put in operation.

These accounts have been examined under my direction and are correct.

a. (1) The demands on the police were of such a nature as to forbid a speedy reduction in numbers. (2) Many articles of equipment are now manufactured within the force, the wages of the artisans being charged to *Pay*, there is, however, a corresponding reduction in the expenditure for *Repairs and Renewals.* (3) The actual reduction in *Pay* as compared with the previous fiscal year was $33,613.43. *b.* The services of the men being required as per explanation (*a*) their maintenance had also to be provided for. *c.* This was caused by a change in the classification of accounts, services which had previously been charged against *Repairs and Renewals* being charged to *Buildings*.

These accounts have been examined under my direction and are correct.

a. A special clause in the Supply Bill makes the balances unexpended at the end of a fiscal year non-lapsable, hence the surplus in this case.

b. The travelling expenses of the Inspector of Land Titles offices were very small in 1895-96; this, and the fact that $1,193.70, balances of previous years did not lapse, accounts for the surplus.

c. The number of lunatics to be cared for in 1895-96 was less than estimated; this, and the fact that $2,904.38 unexpended in previous years was non-lapsable, accounts for the surplus.

* Sec. 4 of Supply Bill provides that any amount unexpended shall be deemed not to have lapsed. This amount is available for expenditure of 1896-97.

AUDIT OFFICE, OTTAWA, July 8, 1896.

SIR,—Let me call your attention to the following payments made by your department in May and June, on account of Manitoba census :

May—7058.	J. W. Hughes, services, March 14 to May 5	$87 10
7208.	F. S. Drummond, salary, May	60 00
7209.	J. Leafloor do	41 66
7210.	M. H. Seed, May 10-31	35 48
June—7218.	L. W. Hill, May 6-31	41 94
9.	J. Leafloor salary, June	41 66
10.	F. S. Drummond, salary, June	60 00
11.	E. S. McDermott, do	50 00
12.	C. J. Isbester do	50 00
13.	M. H. Seed do	50 00
14.	L. W. Hill do	50 00

What authority is there for making these payments? In view of the Treasury Minute of December 2, 1895, directing "that all departmental employees at Ottawa, other than those extra clerks and messengers who are paid from Civil Government contingencies and labourers and mechanics, be paid on pay-lists certified by the Auditor General before payment," why were not pay-lists sent to this office to be certified before payment was made, as directed by the above minute which is acted upon by other departments and followed by yours in respect of other services?

The statement of May cheques with the application to repay the bank having been delayed in your department and sent to this office only a few days ago, I have been unable to call your attention before to the May portion of this illegal expenditure.

I am, sir, your obedient servant,

The Deputy Minister of Agriculture. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF AGRICULTURE, OTTAWA, July 18, 1896.

SIR,—In reply to your letter of the 9th instant, I have to state that the authority for the employment, on account of the Manitoba census, of the several parties you mention therein was as follows :—

7058. J. W. Hughes, services March 14 to May 5. Mr. Hughes was appointed at the request of Sir Charles Tupper, the then Secretary of State, by Mr. Foster, then acting Minister. I find on inquiry that after the 14th April, one month from the date of his appointment, we should have had an Order in Council. I did not at the time know this, but will have it rectified.

7208, 7209, 7210 and 7218. The parties mentioned opposite these figures were appointed by the Minister until 1st June. All the June items mentioned by you are authorized by Order in Council, dated 8th July, copy of which has been forwarded to you.

In case you may ask what authority the Minister has to appoint for a month, I would draw your attention to section 27 of the Census Act and the Order in Council of February 6, 1893. The Minister considered that the above section of the Census Act, coupled with the above mentioned Order in Council, authorized him to employ the parties mentioned in your letter.

In reference to the Treasury Board Minute of the 2nd December, 1895, to which you refer, I was under the impression that the Order in Council of February 1, 1896, made it unnecessary for us to comply with the Treasury Board Minute. Am I not correct in this?

I am sir, your obedient servant,

The Auditor General. W. B. SCARTH, *D.M.A.*

AUDIT OFFICE, OTTAWA, August 31, 1896.

SIR,—In reply to your letter of the 18th ultimo, in reference to the employment of clerical assistance in connection with the Manitoba census, and calling my attention to section 27 of the Census Act and the Order in Council of Feb. 6th, 1893, as your authority for such employment for one month, I beg to state that all services under the Census Act must be approved by the Governor in Council. This you have recognized in the case of the other clerks who are employed under this Act, and whose services are chargeable to the regular Census Vote.

In reply to the last paragraph of your letter I would state that the Order of Feb. 1st, 1896, to which you refer, was only an interim matter, and was cancelled by a subsequent order dated Feb. 19th.

I would, therefore, ask that you obtain the authority of the Governor in Council for the employment of these clerks for the whole period during which they worked.

I am, sir, your obedient servant,

The Deputy Minister of Agriculture. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, November 7, 1896.

SIR,—Adverting to my letter of August 31st, 1896, in reference to the employment in May of a number of clerks in your department without the authority of an Order in Council, I would remind you that I have not yet received any notice that such authority has been obtained, nor have I received from your department the accounts of these clerks, covered by cheques Nos. 7058, 7208, 7209, 7210 and 7218.

I notice that $2.50 for postage and stationery was paid N. Matheson, Census Commissioner for Selkirk, in addition to the $100, the rate of payment fixed by the Order in Council of May 13th, 1896. Under what circumstances was this item allowed?

I am, sir, your obedient servant,

The Deputy Minister of Agriculture. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF AGRICULTURE, OTTAWA, December 18, 1896.

SIR,—Referring to your letters of August 31st last and the 7th ultimo, I have the honour now to inclose you pay list for cheques Nos. 7058, 7208, 7209, 7210 and 7218.

You ask for the accounts of the clerks who were paid under these cheques. I take it for granted that by accounts you mean pay lists.

In your letter of the 31st August you mention that the Order in Council of February 1st, 1896, was cancelled by a subsequent Order dated February 19th. As that subsequent Order is not printed in the Executive Regulations governing public expenditure and revenue audit for 1896, and as no copy of it was furnished to this Department, I could not very well know of its existence when I wrote you. I have since obtained a copy.

Immediately upon the return of the Minister, who is now absent, I will ask him to sign a memo. to Council which I am having prepared, authorizing the payment of the amounts mentioned in the pay list inclosed.

With respect to the $2.50 for postage and stationery paid to N. Matheson, Census Commissioner for Selkirk, and referred to in your letter of the 7th ultimo, I have to state that this was paid on the recommendation of Mr. St. Denis, who was in charge of the taking of the Manitoba Census, and who stated that Mr. Matheson had had so much correspondence that he thought he should be allowed his postage and stationery. The $100, to each Commissioner was supposed only to pay them for their services. I dare say that properly speaking we should have had authority to pay postage and give stationery, but this was evidently over-looked. No application has been made for payment of these items except by Mr. Matheson.

I have the honour to be, sir, your obedient servant,

The Auditor General. W. B. SCARTH, *D.M.A.*

AUDIT OFFICE, OTTAWA, January 16, 1896.

SIR,—I have an Order in Council of the 17th instant, authorizing the employment of Mr. Elie Tassé as an extra clerk in your department for three months from the 1st September last. His term has apparently ceased. Please explain how Mr. Tassé came to be employed so long without the requisite authority.

I am, sir, your obedient servant,

The Deputy Minister of Agriculture. J. L. McDOUGALL, *A.G.*

Delay in obtaining Order in Council.

DEPARTMENT OF AGRICULTURE, OTTAWA, January 17, 1896.

SIR,—Replying to your letter of the 16th instant, and to my verbal interview with you yesterday, I have to state that Mr. Tassé was employed for the month of August last, at the request of Sir A. P. Caron, who was then acting for the Acting Minister of Agriculture. On the 30th September, Mr. Ouimet, the Acting Minister, recommended to Council that Mr. Tassé be appointed as an extra clerk in this department for three months, dating from the 1st September. This report was not entertained. On the 12th December, the Acting Minister made another recommendation to Council, of which I inclose you a copy, and on that report the Order in Council referred to in your letter of above date was passed.

I may mention that Mr. Tassé was also employed during the month of December as the work was not finished and his assistance was necessary. I hope to get an Order in Council for the payment to him for that month.

I am, sir, your obedient servant,

The Auditor General. W. B. SCARTH, *D.M.A.*

AUDIT OFFICE, OTTAWA, June 2, 1896.

SIR,—I have an Order in Council of the date of May 16, 1896, authorizing a payment of $62 to Mr. Elie Tassé for his services as an extra clerk in December, 1895. Please explain why the requisite authority was not obtained and Mr. Tassé paid before.

I am, sir, your obedient servant,

Deputy Minister of Agriculture. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF AGRICULTURE, OTTAWA, July 7, 1896.

SIR,—In reply to your letter of the 2nd ultimo, on the question of the Order in Council of May 16th, 1896, authorizing the payment of $62 to Mr. Elie Tassé, I inclose you a copy of the memorandum sent to Council, which will explain to you why the requisite authority was not obtained and Mr. Tassé paid before.

I am, sir, your obedient servant,

The Auditor General. W. B. SCARTH, *D.M.A.*,

DEPARTMENT OF AGRICULTURE, OTTAWA, April 7, 1896.

SIR,—The undersigned having approved of the annexed report has the honour to recommend the payment of the sum of $62 to Mr. Elie Tassé, being one month's salary at the rate of $2 per diem, for special and technical services rendered by him.

The work having been performed by Mr. Tassé, the undersigned respectfully recommends that he be authorized to pay him for such technical services rendered.

The whole respectfully submitted.

GEO. E. FOSTER, *Acting M.A.*

DEPARTMENT OF AGRICULTURE, OTTAWA, April 6, 1896.

I have the honour to submit to you the following representations:

That in the state in which the French translation of the "Statistical Year Book" was in September, 1895, it was found necessary to employ the temporary services of an additional translator to have the French translation of the work completed in time to submit to Parliament.

The then acting minister, Hon. Mr. Ouimet, authorized such employment, and that, on this authorization, Mr. Elie Tassé rendered his services in assisting Mr. D'Auray the French translator of the department, at a rate of pay of $2 per day, for services which were special and technical within the meaning of the Civil Service Act.

By Order in Council under date the 7th January, 1896, authority was given for the employment of Mr. Elie Tassé as an extra clerk, for three months from the 1st of September, 1895, with pay at the rate of $2 per day. This Order should have read "for four months from the 1st of September" as Mr. Tassé worked faithfully and well to the 31st December, 1895.

I, therefore, respectfully ask that the necessary authority be obtained to have Mr. Tassé paid the sum of $62 for services rendered during the month of December, 1895.

Respectfully recommended.

W. B. SCARTH, *D.M.A.*

The Hon. the Acting Minister of Agriculture.

Delay in Repaying Bank.

AUDIT OFFICE, OTTAWA, July 2, 1896.

SIR,—I have to-day received your application and accompanying statement of cheques to repay the Bank of Montreal for the expenditure during May under your departmental letter of credit. Please explain why application to this office was not made before this date to repay bank for May expenditure.

I am, sir, your obedient servant,

Deputy Minister of Agriculture. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF AGRICULTURE, OTTAWA, July 21, 1896.

SIR,—In reply to your request of the 2nd instant, as to why you did not receive our application to repay the Bank of Montreal for May expenditure until the date of your letter, I have to say that I had signed the application at the usual time. The acting accountant explains to me that he was so busy endeavouring to arrange discrepancies in dairy account balances and with other work, that by an oversight he did not send the application at that time.

I am, sir, your obedient servant,

The Auditor General. W. B. SCARTH, *D.M.A.*

Purchase of Supplies for Grosse Isle Quarantine Station.

DEPARTMENT OF AGRICULTURE, OTTAWA, August 21, 1896.

SIR,—In further reference to your letter of the 2nd June last, in which you ask me, in connection with the purchase of supplies for the Grosse Isle Quarantine Station, "Are tenders asked for by public advertisement?" I have now received information from the general superintendent of quarantines, and his statement is this :—

"In 1893 printed forms of tender were furnished me, with list of names of suppliers, two or three names for each kind of supply, and I was instructed to obtain tenders from them and submit the returns. I did so, the minister made his decision and sent me the list of those from whom I was to get supplies, and at the prices marked by them on their tenders."

I understand that supplies have been purchased in the same way since then, and I further understand that it is the intention of the minister to ask for tenders again for the present year in the same way.

I am, sir, your obedient servant,

The Auditor General. W. B. SCARTH, *D.M.A.*

Cattle Quarantine Expenditure.

AUDIT OFFICE, OTTAWA, June 3, 1896.

SIR,—With reference to your expenditure to April 30th on account of cattle quarantaine, I would call your attention to the following items :—

D. McEachran's accounts, cheque No. 4905, include an amount of $24.80 paid to E. H. Lehnert for travelling expenses. The latter should submit vouchers.

Wm. Jakeman, cheque No. 4908, was paid $24 for his services, 3 days. Does not his salary cover all his services in connection with cattle quarantine?

W. H. Craig, V.S.—cheque No. 5281, $16—should furnish an account.

Cheques Nos. 5304, 5415 and 5799, A. Ramsay & Son. The vouchers sent to this office are mere summaries, giving no details, either as regards quantity or price of goods.

Cheque No. 6019, G. F. Risteen. No voucher has been sent to this office.

I inclose an account of Eimer & Amend's, No. 5697, for certificate.

I am, sir, your obedient servant,

The Deputy Minister of Agriculture. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF AGRICULTURE, OTTAWA, July 7, 1896.

SIR,—The accountant has now returned to me your letter of the 3rd ultimo, in connection with expenditure to April 30th, on account of cattle quarantine.

Cheque No. 4905, E. H. Lehnert, $24.80, travelling expenses. We have written for account and vouchers.

Wm. Jakeman, Cheque 4908, $24, for three days services. The late Deputy Minister explains to me that the salary of $500 to Mr. Jakeman was not intended to cover

his whole time, being rather in the nature of a retaining fee than a salary, and that it was, therefore, thought fair when he was sent out of Halifax for days together, to the exclusion of his professional practice, that some allowance should he made to him for compensation He goes on to say that the amount actually authorized by the Minister in March, 1895, was very small, and in his opinion fair and just.

W. H. Craig, Cheque 5281, $16. I inclose you the account as requested.

Ramsay & Son, Cheque 5304, I have marked on the account inclosed what the items were, and I trust they are now in order.

Cheque No. 6019, G. F. Risteen. This payment is in connection with a lease of 10 acres of land at Huntingdon, B.C., for quarantine purposes, dated 16th November, 1895, and is for five years from that date, there being no consideration for the five years tenure. The agreement was that the Government should pay $80 to Risteen for fencing and ditching the 10 acres, and should have it for five years free from any consideration. It also contains a clause that the lessor may cancel the lease at any time by giving three months' notice of his intention to do so, and returning the sum of $80. A cheque for the amount was sent to Mr. Risteen on the 27th November, 1895. We have no letter acknowledging its receipt. If you desire one we will get it.

Eimer & Amend's account, cheque No. 5697. I return this account duly certified.

I am, sir, your obedient servant,

The Auditor General. W. B. SCARTH, *D.M.A.*

DEPARTMENT OF AGRICULTURE, OTTAWA, July 25, 1896.

SIR,—Referring to your letter of the 3rd ultimo. and my reply of the 7th instant, I now beg to inclose you the voucher from Mr. E. H. Lehnert, with full details of the $24.80.

I am, sir, your obedient servant,

The Auditor General. W. B. SCARTH, *D.M.A.*

AUDIT OFFICE, OTTAWA, July 13, 1896.

SIR,—Please have the following advances on account of expenses of cattle quarantine in 1895-96 accounted for :—

Cheque No. 5034—J. A. Couture—$100 on account.
" 5142— " —$100 "
" 7207—D. McEachran—$125 "
" 7062—M. Young—$300 on account.
" 5254—D. H. McFadden—$500 balance due on accounts.

I have not been furnished with any statement or accounts on the basis of which this payment was made.

The name of E. C. Thurston, D.V.S., was added to the May pay-list at Montreal, with salary of $83.33 per month. What authority is there for his employment?

In connection with the payment of the salaries of the different inspectors under this service, I would ask that you furnish this office with pay-lists, which should be certified by the Chief Veterinary Inspector for the Dominion.

I am, sir, your obedient servant,

J. L. McDOUGALL, *A.G.*

The Deputy Minister of Agriculture.

DEPARTMENT OF AGRICULTURE, OTTAWA, July 21, 1896.

SIR,—I have the honour to give you, on the report of the acting accountant, the following explanations in reply to your letter of the 13th inst. :—

Cheques Nos. 5034 and 5142, $100 each, J. A. Couture—We have received Couture's account for April, showing $107.43 to apply on the above. May and June accounts are not received. I have written for these.

Cheques 7207, D. McEachran $125—Dr. McEachren received this amount on account of expenses for a trip to Manitoba, the North-west Territories and British Columbia. He has not yet returned.

M. Young, $300,—I hope to send you Mr. Young's full statement to-morrow.

D. H. McFadden, $500, balance due on accounts—I attach to this letter a statement which the acting accountant says has been furnished to you, showing advances, including the above, to Mr. McFadden, of $2,143.89 and expenditure of the same amount.

E. C. Thurston, D.V.S.—When the Order in Council in regard to inspection of horses was passed, it was found necessary to put one of the two cattle inspectors in Montreal to inspect horses, and to appoint a temporary cattle inspector in his place. Mr. Thurston was appointed by the minister to the position.

In connection with the payment of the salaries of the different inspectors under the cattle and horse inspection service, you will be hereafter furnished with pay-lists certified by the chief veterinary inspector for the Dominion, or, in his absence, by the party acting in his place.

I am, sir, your obedient servant,

The Auditor General. W. B. SCARTH, *D.M.A.*

Regular Quarantine Expenditure Charged to Vote for Unorganized Districts.

AUDIT OFFICE, OTTAWA, May 4, 1896.

SIR,—In reference to your expenditure to February 29, against the vote for public health in other than organized districts, let me call your attention to the following observation :—

The salary of $83.33 per month paid to H. B. McPherson is made a charge against this vote. As his services were confined to the Port of Sydney, his salary was more properly chargeable to the vote of $35,000 for salaries of quarantine officers in organized districts.

In connection with the payment of this and other salaries of quarantine officers, I would ask that you supply this office with certified pay-lists.

I am sir, your obedient servant,

The Deputy Minister of Agriculture. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF AGRICULTURE, OTTAWA, May 11, 1896.

SIR,—I have the honour to acknowledge receipt of your letter of the 4th instant.

With regard to the salary of $83.33 per month paid to Dr. H. B. Macpherson, which you complain was charged to the wrong vote, I am informed that the Port of Sydney was not included in the vote for organized districts, but in the vote for unorganized. I will see that hereafter certified pay-lists are sent you for the salaries of quarantine officers.

I am, sir, your obedient servant,

The Auditor General. W. B. SCARTH, *D.M.A.*

AUDIT OFFICE, OTTAWA, May 15, 1896.

SIR,—Let me acknowledge the receipt of your letter of May 11, stating in reference to the salary of the late Dr. Macpherson being charged to the vote for unorganized districts, that the Port of Sydney was not included in the vote for organized districts.

The salaries of the other quarantine officers at the Port of Sydney, as well as the expenses, you have charged to the vote for organized districts, and I see no reason why the salary of Dr. Macpherson and that of his successor, Dr. Johnstone, should not be charged to the same vote. If, however, the expenses at this port were not estimated for in the vote for organized districts, you should transfer the amount of these expenses to April 30—$1,217.05—that you have already charged to this vote, to the vote for unorganized districts.

I am, sir, your obedient servant,

The Deputy Minister of Agriculture. J. L. McDOUGALL, *A.G.*

Further Allowance for Boat Service at St. John, N.B.

AUDIT OFFICE, OTTAWA, June 19, 1896.

SIR,—I have a copy of an Order in Council of the date of June 12, 1896, granting Dr. March the sum of $250, "this amount having been provided for and granted in the "Supplementary Estimates for the year 1895-96, as further allowance for boat hire, to "the close of the present year."

The words quoted are taken from the Order in Council, and would imply that distinct provision had been made for the payment of this claim. The only vote, however, passed at the last session, in connection with Quarantine, was for general expenses.

As the Order in Council of June 19, 1894, appointing Dr. J. E. March an inspecting physician at the Quarantine station at Port of St. John, explicitly states that his salary of $1,400 is to include cost of boat hire or other transportations to visit vessels, I am of the opinion that a claim of this kind should be paid only after being specially provided for and brought to the notice of Parliament in the regular way.

I am, sir, your obedient servant,

The Deputy Minister of Agriculture. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF AGRICULTURE, OTTAWA, June 23, 1896.

SIR,—I have to acknowledge your letter of the 19th inst., with reference to the Order in Council, dated 12th instant, granting Dr. March the sum of $250, as further allowance for boat hire to the close of the present year.

Your letter has my attention. Before receiving it we had issued a cheque in Dr. March's favour for the $250.

I am, sir, your obedient servant,

The Auditor General. W. B. SCARTH, *D.M.A.*

Illegality of Extra Pay to Civil Servant.

AUDIT OFFICE, OTTAWA, March 2, 1896.

SIR,—Let me acknowledge the receipt of your applications of Feb. 28 for cheques in favour of E. J. Toker and Mrs. L. A. Kingsmill for services from Oct. 1, 1895, to Feb. 5, 1896, in connection with the Report of the Royal Commission on the Liquor Traffic. I cannot assume the responsibility of issuing cheques to these parties without their accounts, duly certified.

Mrs. L. A. Kingsmill, during the period for which payment is asked for the above service, was also employed in another capacity by your department and paid at the rate of $1.50 per day.

I am, sir, your obedient servant,

The Deputy Minister of Agriculture. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF AGRICULTURE, OTTAWA, March 3, 1896.

SIR,—I have the honour to acknowledge the receipt of your letter of the 2nd inst., and have to say in reply, that I had duly certified all the accounts in connection with

Mr. Toker and Mrs. Kingsmill. I am not at present able to explain the reason you did not receive them, but I understand you are now in possession of certified accounts. Mrs. Kingsmill's account was not for any services rendered to this department, but for services rendered to the Department of Finance in connection with the report of the Royal Commission on the Liquor Traffic.

I am, sir, your obedient servant,

The Auditor General. W. B. SCARTH, *D.M.A.*

AUDIT OFFICE, OTTAWA, March 5, 1896.

SIR,—I have the honour to acknowledge the receipt of your letter of the 3rd instant, *re* applications for cheques in favour of S. J. Toker and Mrs. Kingsmill. The account of Mr. Toker has been sent to this office since the receipt of the application for a cheque, and a cheque in his favour has been duly issued. I have not yet received any account in connection with Mrs. Kingsmill's services, and am, therefore, still holding the application.

I am, sir, your obedient servant,

The Deputy Minister of Agriculture. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, March 14, 1896.

SIR,—With further reference to the account of Mrs. Kingsmill for $169.50 for type-writing, I beg to state that Mrs. Kingsmill being employed under the Contingencies Act, and paid at the rate of $1.50 per day out of the Civil Government Contingencies Vote, is thereby brought by the terms of that Act, section 1, subsection (*g*), under the Civil Service Act.

Section 51, subsection 1 of the Civil Service Act, as amended in 1888, provides that no extra salary or additional remuneration be paid to any employee in the Civil Service of Canada.

The fact of this work having been performed after office hours, so called, as evidenced by the certificate of Mr. Johnson, does not in any way strengthen Mrs. Kingsmill's claim. By the terms of the Order in Council of July 27th, 1882, the heads of departments or deputy heads can call for the attendance of all or any of the officers or clerks at an earlier or later hour than those named, that is, that period of time, generally called office hours, 9.30 a.m. to 4 p.m.

I am unable, therefore, to pass your application for a cheque in favour of Mrs. Kingsmill for the additional remuneration.

I am, sir, your obedient servant,

The Deputy Minister of Agriculture. J. L. McDOUGALL, *A.G.*

Dairying Refunds to Meet Arrears of Previous Years.

AUDIT OFFICE, OTTAWA, February 7, 1896.

DEAR MR. ROBERTSON,—Your deposit of $36,000 and another of somewhat over $3,000 have come to account. I note, however, that the Department of Agriculture indicated that they were to go to the credit of the $40,000 advance appropriation of this year. I have placed them, as you no doubt intended, to the credit of Casual Revenue, as they were expected to meet the advances in the year 1894-95.

I think it was quite understood between you and me, after you had made the sale, that no payments were to be made to patrons on account of the late large sale until there was an adjustment of the accounts of the two years, 1894-95 and 1895-96, so as to show that nothing more remained as a charge to the maintenance account of each year than should be there. I have no doubt, from our conversations, that there will be little

difficulty in arriving at an understanding, but I write so that there may be no difference of view between us on the subject.

I expect to have the report of this office for Parliament off my hands about the middle of next week. We shall then be ready in this office to give you whatever time is necessary to assist in the adjustment of the accounts.

Yours sincerely,

J. L. McDOUGALL, *A.G.*

J. W. ROBERTSON, Dairy Commissioner.

Necessity of a Uniform System of Charging Dairying Expenses.

AUDIT OFFICE, OTTAWA, March 20, 1896.

SIR,—In our recent conversations it was agreed upon that you should give instructions to those having letters of credit for services under your control to charge cheques for accounts to their proper appropriations from the beginning.

I have before me applications from the Department of Agriculture asking that the Bank of Montreal be repaid for the cheques issued during February by yourself and J. W. Ellerby and by T. J. Dillon and W. W. Moore under their respective credits, the whole amount in each case according to the application to be charged to the dairy stock account. In both the statements there are cheques which should be chargeable to dairy maintenance. I therefore, return the statements and ask you to make them so as to indicate the cheques which are chargeable to maintenance and those which are chargeable to the stock account. There is no difficulty in determining the account to which each cheque should go. You will recollect that so far as either of us could see at the time the discussion took place, the only entries which were likely to be required under this new system were those to debit to the stock account and credit to the maintenance account the charge of the Government to the patrons for making the cheese.

Don't you think that you could obtain the ready consent of the patrons to the smaller equivalent charge per pound of the cheese when manufactured, in lieu of the present charge per pound on the cheese when sold? This I suggest so as to enable your office and this to show by their books almost exactly how the maintenance and stock accounts stands at any time.

Each cheque as issued in the future should, I think, have "M." for maintenance or "S." for stock, so as to distinguish them in assorting them afterwards.

I am, sir, your obedient servant,

J. L. McDOUGALL, *A.G.*

J. W. ROBERTSON, Dairy Commissioner.

AUDIT OFFICE, OTTAWA, April 2, 1896.

SIR,—I have the honour to acknowledge the receipt of a statement of cheques and two applications of yesterday's date from your department, the one application asking the bank be repaid the amount of expenditure during March by Messrs. Robertson and Ellerby, the other asking for a letter of credit in favour of Messrs. Dillon & Moore.

In my letter of March 20, to Mr. Robertson, I pointed out the necessity of distinguishing in his statements the cheques to be charged against the maintenance vote from those chargeable to the stock account, returning therewith his statements which have not since been received here.

The applications and statements to hand this morning are deficient in the same respect and I return them herewith for correction.

I am, sir, your obedient servant,

J. L. McDOUGALL, *A.G.*

The Deputy Minister of Agriculture.

DEPARTMENT OF AGRICULTURE, OTTAWA, April 24, 1896.

SIR,—You wrote me on the 2nd instant in reference to a statement of cheques and two applications from the dairy branch of this department, and returning the applications and statement for correction.

In reply to your letter I now inclose you a copy of a letter which I have received from the agricultural and dairy commissioner, and I understand from the commissioner that he has also written you on the subject. Trusting that his explanations are satisfactory.

I am, sir, your obedient servant,

The Auditor General. W. B. SCARTH, *D.M.A.*

DEPARTMENT OF AGRICULTURE,
AGRICULTURAL AND DAIRY COMMISSIONER'S BRANCH, OTTAWA, April 22, 1896.

DEAR MR. SCARTH,—In reference to the letter of the Auditor General to you, under date of April 2, I desire to state that cheques for the dairying service are now being issued, marked "S" on the cheques which are issued for advance payments (on milk and milk drawing), which are to be refunded in full from proceeds from sales of cheese or butter; and that the cheques issued on maintenance account are marked "M." These are for expenditures which are to be met from the revenue derived from the manufacturing charge made by the department for manufacturing butter and cheese at the dairy stations, as far as that revenue will do so. The balance, if any, is to be met from the vote by parliament for maintenance of the dairying service.

I have marked on the departmental applications to the Auditor General for cheques to repay the bank, the accounts to which the cheques issued in February and March should be charged.

I am, sir, your obedient servant,

The Deputy Minister of Agriculture. J. W. ROBERTSON, *A.D.C.*

DEPARTMENT OF AGRICULTURE,
AGRICULTURAL AND DAIRY COMMISSIONER'S BRANCH, OTTAWA, April 22, 1896.

SIR,—In the matter of issuing cheques for the dairying service, all cheques issued to pay advances on milk or milk drawing, which are to be repaid in full from proceeds from sales of cheese and butter, are marked "S" for stock account. All cheques issued to pay for wages, furnishings and miscellaneous items, which are to be paid by the government in consideration of the manufacturing charge which is made for making butter and cheese at the dairy stations, I have marked "M" for maintenance account.

As the total proceeds from the sales of cheese and butter are deposited always to the credit of stock account, I shall make application from time to time for a transfer from stock account to maintenance account, of sums sufficient to meet the cheques issued on maintenance account, always bearing in mind that the transfer is to be kept within the revenue from the manufacturing charge, and that the exact amount to be transferred is to be determined at the end of the year when the exact amount of revenue from the manufacturing charge is ascertained.

I am, sir, your obedient servant,

The Auditor General. J. W. ROBERTSON, *A. & D.C.*

AUDIT OFFICE, OTTAWA, December 17, 1896.

SIR,—Referring to your letter of July 13, asking for a transfer of $1,200 crediting Dairy Maintenance and debiting Dairy Stock, inclosing a copy of a letter from Professor Robertson to your department applying for such transfer, in which he states that vouchers will be furnished in the usual course for this $1,200, I have not yet received a

statement showing that this amount of $1,200, and the amount of $7,000 previously transferred on the same understanding are the exact amounts which should be transferred.

I am, sir, your obedient servant,

The Deputy Minister of Agriculture. J. L. McDOUGALL. *A.G.*

DEPARTMENT OF AGRICULTURE,
AGRICULTUAL AND DAIRY COMMISSIONER'S BRANCH, Dec. 18, 1896.

SIR,—I have the honour to acknowledge enquiry from the Auditor General.

A statement showing the amounts which should be transferred from Dairy Stock Account to Dairy Maintenance Account is being prepared. and will be forwarded to you for the Auditor General.

I am, sir, your obedient servant,

The Deputy Minister of Agriculture. J. W. ROBERTSON, *A.& D.C.*

AUDIT OFFICE, OTTAWA, September 23, 1896.

SIR,—Let me call your attention to the following charges, the accounts for which are inclosed, against the vote of $2,500 for additional dairying work in Prince Edward Island, Manitoba, North-west Territories and British Columbia :—

Part of cheque	No. 6394—John S. Pearce & Co.	$101 63
do	No. 6585—K. Bott	5 04
do	No. 6589—Can. Press Clipping Bureau	7 25
do	No. 6626—Pritchard & Andrews	3 35
do	No. 7347—F. Jarman	15 15
		$132 42

and to ask that a transfer of the amount of these cheques be made to the main Dairying Vote of $25,000, as those items do not appear to have any connection with the places named for which the additional vote was taken. Please explain how the charges were made.

I am, sir, your obedient servant,

The Deputy Minister of Agriculture. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF AGRICULTURE,
AGRICULTURAL AND DAIRY COMMISSIONER'S BRANCH, OTTAWA, September 30, 1896.

SIR,—In connection with the letter of the Auditor General of September 23rd, I beg to state that part of the cheque No. 6394, to John S. Pearce & Co., $101.63, was chargeable to the vote for additional dairying work in Prince Edward Island and the North-west Territories, as it was for dairy supplies used in Prince Edward Island and the North-west Territories.

The cheque No. 7347 to F. Jarman was for repairs to the travelling dairy outfit for the North-west Territories.

Please transfer the other accounts, namely,—

Cheque	No. 6585—K. Bott	$5 04
do	No. 6589—Canadian Press Clipping Bureau	7 25
do	No. 6626—Pritchard & Andrews	3 35

to the Main Dairying Vote.

I am, sir, your obedient servant,

The Deputy Minister of Agriculture. J. W. ROBERTSON, *A. & D.C.*

AUDIT OFFICE, OTTAWA, September 28, 1896.

SIR,—The inclosed list of accounts, amounting to $4,251.09, is charged to the vote of $5,200 additional for promoting dairy industry in Nova Scotia, New Brunswick,

Manitoba, the North-west Territories and British Columbia. An examination of these accounts will show you that they are chiefly in connection with the dairying work in Prince Edward Island, and therefore, not properly chargeable to the vote of $5,200. How were the mistakes made?

I am, sir, your obedient servant,

The Deputy Minister of Agriculture. J. L. McDOUGALL, *A.G.*

Old Accounts not Settled.

AUDIT OFFICE, OTTAWA, October 2, 1896.

SIR,—In my letter of September 28th, I called your attention to a number of payments for which no vouchers have been returned to this office. Among these is a payment of $30, to W. W. Hubbard, cheque, No. 7098. This party I presume, is the W. W. Hubbard who with S. L. Peters, was formerly in the employ of the dairying branch of your department in connection with their work in New Brunswick.

Can you tell me what steps have been taken to have a settlement with Messrs. Hubbard and Peters for advances made to them at that time and from the papers in this office still unaccounted for?

I am, sir, your obedient servant,

The Deputy Minister of Agriculture. J. L. McDOUGALL, *A.G.*

Advance on Cold Storage Charges.

AUDIT OFFICE, OTTAWA, September 21, 1896.

SIR,—I notice in the statement of cheques drawn in August on account 1895-96, an amount of $3,200 paid to Elder, Dempster & Co., of Montreal on account of cold storage on steamsships. As this payment can be made only on account of services

rendered before June 30th, please send to this office the accounts or statements of accounts on the basis of which this amount is paid.

I am, sir, your obedient servant,

The Deputy Minister of Agriculture. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF AGRICULTURE,
AGRICULTURAL AND DAIRY COMMISSIONER'S BRANCH, OTTAWA, September 30, 1896.

SIR,—Replying to the letter from the Auditor General of September 21st, I beg to state that the vote of $20,000 for cold storage was "to enable the Dairy Commissioner to promote the dairying interests of Canada, by making provision for placing the fresh-made creamery butter on the British market in regular shipments."

Under that vote I was authorized by the Minister of Agriculture to enter into an agreement with Messrs. Elder, Dempster & Co. I attach a copy of that agreement.

Owing to failure on the part of the company which had contracted to supply the refrigerating machinery on the steamships to carry out the contract which they had entered into, the refrigerating plants were not fitted up. In consequence of that, additional steamships were fitted up with insulated compartments for the carriage of chilled butter.

I attach two statements showing the expenditure on three steamships in this connection before the end of June, 1896.

It was in part fulfilment of clauses 4, 5 and 6 of the agreement, and because payment for part of the service was urgently wanted by Messrs. Elder, Dempster & Co., that the cheque for $3,200 on account was issued.

The expenditure in fitting up steamships to the 22nd August was $12,037.77.

The cheque for $3,200 was issued on August 31st.

I am, yours very truly,

The Deputy Minister of Agriculture. J. W. ROBERTSON, *A. & D.C.*

Arrears at St. Hyacinthe.

AUDIT OFFICE, OTTAWA, November 23, 1896.

SIR,—In reference to the arrears of revenue from the sales of butter and cheese at St. Hyacinthe, during 1892-93 and 1893-94, to which I called your attention September 10, 1895, I have not noticed to this date any refund by Mr. Leclair of these arrears.

What steps have been taken by your department to have this matter closed and the balance due by Mr. Leclair recovered?

I am, sir, your obedient servant,

The Deputy Minister of Agriculture. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF AGRICULTURE, OTTAWA, November 25, 1896.

SIR,—In further reference to Leclair's arrears, which, by the way, I had heard of for the first time in your letter of the 23rd instant, I have to say that I had an interview with the Agricultural and Dairy Commissioner yesterday evening. He informed me that some time ago he sent for Mr. Leclair, and had him go into the matter of his arrears with Mr. Gross, of your department, and Mr. Whitley, his own accountant, and on striking a balance had arranged with Leclair for a settlement, a considerable portion of which should have been paid by this time. On my showing the Commissioner your letter, he wrote Mr. Leclair, pressing an immediate settlement.

I will write you further on the subject as soon as I hear from the Agricultural and Dairy Commissioner.

I am, sir, your obedient servant,

The Auditor General. W. B. SCARTH, *D.M.A.*

Dairying Interests.—Expenditure.

OTTAWA, AUDIT OFFICE, December 28, 1896.

SIR,—With reference to the expenditure in connection with the Dairying Interests under your Department, I have to call your attention to the following matters :—

Refunds in 1896-97 of advances on account of expenses made in 1895-96 :

J. C. Chapais	$100 00
J. W. Mitchell	100 00
L. A. Zufelt	56 50

Amounts to be accounted for in 1896-97 :—

J. W. Robertson	$352 48
T. J. Dillon	175 48

Refunds of unexpended balances deposited to the credit of the Dairy Stock account as per advice on statement of Agriculture Department, and not to the credit of Maintenance Vote from which the advance were made :—

C. Marker, refund of	$310 00
J. A. Ruddick, refund of	200 00
L. A. Zufelt do	229 85

As to the above, all accounts, where possible, should be closed at the end of the fiscal year, and refunds made of balances due the Department, and an appropriation from which an advance on account of expenses is made should be credited with any unexpended balance, otherwise the public accounts are not a correct statement of the actual expenditure.

I notice from the accounts there was paid to W. W. Moore of Charlottetown, $273.73 for dairying supplies and to Hazzard & Moore of the same place, $6.62 for stationery supplies. I presume the Mr. Moore in both of these cases is the W. W. Moore connected with your dairying work in Prince Edward Island. The impropriety of a public official acting as a seller of supplies to himself as the agent of the public, is of course apparent to you and should be avoided where possible. Stationery supplies should be obtained in the regular way through the Stationery Office, Ottawa.

In the matter of arrears at St. Hyacinthe due by Mr. Leclair, in the letter dated Sept. 10, 1895, I called your attention to the necessity of a settlement. In view of the fact that Mr. Leclair was paid his salary and monthly expense accounts in full until June, 1896, some explanation appears to be necessary why no steps were taken to have these treated as an offset to the amount due by him.

There was paid to Townsend and Rogers, Amherst, $69 premiums on insurance on Nappan cheese, and to E. A. Whitehead & Co., Montreal, $499.80 premium on insurance on cheese in store. Are these amounts properly chargeable to the Maintenance Vote?

Under Dillon & Moore's expenditure from February to June, 1896, charged to Dairy Maintenance, I note the following items :—

Company's charges on butter and cheese :

Anderson, John, Kensington	$103 63
Hughes, P. F., Emerald	58 00
Irving, D. P., Cornwall	198 44
Munn, R., Dunstaffaage	214 69
McDonald, Alex., Cornwall	441 29
McLean, D , Crapaud	98 09
Stevenson, C. A., New Glasgow	72 33

No statements are submitted showing how these amounts are arrived at, or of what they consist. Should not accounts of this nature be directly charged to the stock account, to be repaid from the revenue from the sales?

Not being in possession of complete statements and vouchers I have been unable to call your attention to these matters at an earlier date.

I am, sir, your obedient servant,

The Deputy Minister of Agriculture. J. L. McDOUGALL, *A.G.*

Re Cattle Inspection.

AUDIT OFFICE, OTTAWA, March 21, 1896.

SIR,—No returns have yet reached this office in connection with cattle inspection fees for the present fiscal year.

I wrote you October 25, 1894, and again July 27, 1895, calling attention to the necessity of having returns from each collector and inspector regularly every month.

I have to ask for your early attention to this matter.

I am, sir, your obedient servant,

The Deputy Minister of Agriculture. J. L. McDOUGALL, *A.G.*

Re Cattle Inspection Repayable by the Railway Companies.

AUDIT OFFICE, OTTAWA, April 10, 1896.

SIR,—The expenditure for the eight months to end of February last, on account of cattle inspection repayable by the railway companies amounts to $5,608.69, or slightly over $700 per month.

The Michigan Central repays $326.50, and the Grand Trunk $254.31 each month. If the expenditure is likely to continue so large the monthly payments should be increased.

In my letter of September 6, 1894, I suggested that the companies should make an approximate monthly payment, and that a full settlement should be made quarterly. This suggestion was approved by your department on September 11, 1894. Please let me know if a statement has been rendered quarterly as agreed. If it has, the companies should be required to repay the balance due; if not, a statement covering the whole expenditure to March 31 should now be rendered, and an early repayment of the balance requested.

I am, sir, your obedient servant,

The Deputy Minister of Agriculture. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF AGRICULTURE, OTTAWA, April 13, 1896.

SIR,—I have to acknowledge your letter of the 10th instant, on the above subject, and have drawn the attention of the acting accountant to your remarks, instructing him to make out the accounts against the railway companies and write for a remittance.

I am, sir, your obedient servant,

The Auditor General. W. B. SCARTH, *D.M.A.*

AUDIT OFFICE, OTTAWA, October 3, 1896.

SIR,—Referring to previous correspondence in reference to the repayment by railway companies of the expenditure in connection with cattle inspection at Windsor, I have now to point out that there yet remains $1,419.13 of the expenditure for 1895-96 that has not been repaid.

In order to get this amount credited to the accounts of 1895-96, it must shortly be deposited, as the accounts for that year will soon be closed.

The railway companies should be required to repay this expenditure more promptly.

I am, sir, your obedient servant,

The Deputy Minister of Agriculture. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF AGRICULTURE, OTTAWA, October 6, 1896.

SIR,—I have the honour to acknowledge your letter of the 3rd instant, asking us to get payment of $1,419.13 still due by the railway companies in connection with cattle inspection at Windsor.

I wrote the different railway companies on the 5th ultimo, inclosing them copies of the accounts and asking for payment. The amounts still due are, by the Michigan Central Railway, $1,355.03, and by the C.P.R., $64.10. I have again written each of these companies asking them to remit.

I am, sir, your obedient servant,

The Auditor General. W. B. SCARTH, *D.M.A.*

NOTE.—These amounts were paid Oct. 9th. The correspondence is published with the view of its leading to an approximate payment each month, and a settlement quarterly.—A.G.

Re Cattle Inspection—Payments to Inspector Young.

AUDIT OFFICE, OTTAWA, April 15, 1896.

SIR,—In his letter of November 30, last, the then Deputy Minister explained that the per diem allowance to Inspector Young was expressly authorized by the Minister to remunerate him for his services, when he had to proceed to distant points from his home to make inspections, for which the fees from inspecting one or two animals would constitute no adequate remuneration.

I have to call your attention to the payments made Mr. Young. In every case, regardless of how large the fees are, he is paid in addition to the fees a per diem allowance of $8 and his expenses. He was engaged 8 days in June last; the fees on his inspections amounted to $50.75, the per diem allowance to $64, and the expenses to $24.20. He was engaged 4 days in August; the fees on his inspections amounted to $40.20, the per diem allowance to $32, and the expenses to $9.70. No other inspector paid by fees received anything in addition.

The permanent inspectors are paid a yearly salary which is charged to the vote for Quarantine, with the exception of one half of Inspector McFadden's salary of $1,000, which is charged to the Revenue account.

The fees arising from the inspections of these inspectors are utilized to pay Inspector Young his extra allowance, and to pay one-half the salary of Inspector McFadden. This is objectionable and contrary to the provisions of Chap. 29, sec. 48, R.S. In my letter of October 21, 1895, I called attention to the objections to charging anything to this Revenue, except the fees collected. As the practice is still continued, I have again to call your attention to the matter. I would also point out the irregularity of using a letter of credit, granted on the strength of the votes granted by Parliament only, to make expenditure which you are not charging to a vote.

I am, sir, your obedient servant,

The Deputy Minister of Agriculture. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF AGRICULTURE, OTTAWA, April 24, 1896.

SIR,—I have the honour to acknowledge your letter of the 15th instant, on the above subject. Since receiving it I have had the Chief Veterinary Inspector up here and we have arranged a plan, approved of by the Minister, by which the cattle inspectors hereafter will be paid by salary, and all the fees will be placed to the credit of casual revenue. This cannot be put in force until the commencement of the new fiscal year.

I am, sir, your obedient servant,

The Auditor General. W. B. SCARTH, *D.M.A.*

AUDIT OFFICE, OTTAWA, May 20, 1896.

SIR,—I wrote you on April 15th, in reference to the payments made to Inspector Young, and in your reply of April 24th, you state that you and the Chief Veterinary Inspector had arranged a plan by which the cattle inspectors will be paid by salary and the fees collected placed to the credit of casual revenue.

Would you be good enough to inform me more fully as to the proposed arrangement.

I am, sir, your obedient servant,

The Deputy Minister of Agriculture. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, June 4, 1896.

SIR,—In order to properly audit the receipts from cattle inspection, it is necessary to have the returns of the inspectors who made the inspections, and the collectors of customs to whom the fees are paid. These returns should be so made up that they can be readily compared; and the returns of the collectors of customs should contain a memo. of the deposits made in acquittance, that they may be checked with the deposits that have come to account. The returns both from inspectors and collectors should be examined in your department and certified accordingly.

Among the returns received from your department on the 12th instant, there were none from inspectors Young, Chambers, Walker, Dann, Wilson and Blanchard; and none from the collectors of customs at Winnipeg, Victoria, New Westminster, Nelson and Calgary.

I have previously called attention to this matter. There should be no difficulty in the department insisting that the inspectors make regular returns. If the collectors of customs do not do so, the Department of Customs should be advised accordingly, and requested to take the necessary action.

I am, sir, your obedient servant,

The Deputy Minister of Agriculture. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF AGRICULTURE, OTTAWA, June 9, 1896.

SIR,—I have your letter of the 4th inst., and have handed it to the acting accountant, asking his immediate attention to it.

I am, sir, your obedient servant,

The Auditor General. W. B. SCARTH, *D.M.A.*

DEPARTMENT OF AGRICULTURE, OTTAWA, June 11, 1896.

SIR,—In further reference to yours of the 4th instant, the acting-accountant informs me as follows:

With regard to Inspector Young, there are some discrepancies in his account which are at present being investigated. You will receive the return in a few days.

With regard to Chambers, Walker & Wilson, they are North-west mounted policemen. So far we have not received any reports from the North-west mounted police. I will write the Commissioner, inclosing the proper forms, and ask him to instruct the veterinaries in his corps to fill them up and send them in regularly to this department hereafter.

No returns have been received from Dann, I will write for them at once.

In Blanchard's case you have received regularly the monthly returns.

In reference to the Collectors of Customs at Winnipeg, Victoria, New Westminster, Vancouver, Nelson and Calgary, the Department of Customs has been written urgently, both officially and privately, requesting to see that their collectors make regular returns. I have again written them drawing their attention to this matter.

I am, sir, your obedient servant,

The Auditor General. W. B. SCARTH, *D.M.A.*

AUDIT OFFICE, OTTAWA, October 13, 1896.

SIR,—According to the returns of the Collector of Customs for Lethbridge, inspection fees were collected by him for the seven months ended January, 1896, amounting to $729.68. Comparing these returns with the payments made to him, as per his receipts, by the Department of the Interior, it seems that he has omitted to debit an item of $7.50 paid in name of J. D. Hilliard, August 12th, 1895. On the other hand, he has debited $2.50 more than he received, leaving his corrected account standing at $734.68. The total amount deposited by the collector amounted to $769.68 of which $50 was for collections of the previous year, leaving $719.68 in acquittance of returns amounting to $734.68, a shortage of $15. I inclose a statement showing the transactions.

The returns of the Inspectors have not been furnished.

I shall be glad to learn that you have made arrangements to have these inspection revenue accounts thoroughly examined for the future.

The Department of Customs should be requested to call on the collector at Lethbridge to make good the shortage.

Collectors should enter on each monthly return a statement of the deposits made, and this statement would prove a check that all the receipts were deposited.

I am, sir, your obedient servant,

The Deputy Minister of Agriculture. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, October 16, 1896.

SIR,—The sum of $3,244.36 came to account during 1895-96 for cattle inspection fees. Of this amount $2,310.57 was paid by the Commissioner of Domminion Lands at Winnipeg, being the fees on settlers' stock. He made advances to the Dominion Lands agent at Lethbridge, out of which payments were made to the collector of Customs at that Port; and the latter made payments directly to the collector of Customs at Winnipeg. I have already written you in reference to the transactions at Lethbridge. I am unable to efficiently examine the transactions at Winnipeg as the collector's returns have not been furnished.

Is there any reason why collectors of Customs could not make two monthly returns; one containing a statement of cash received from importers; the other of the fees on settlers stock, to be paid by the Department of the Interior, which should be done by transfer entry? This arrangement would lessen the work all round, very much simplify the accounts, and be in accordance with the usage of settling accounts between departments without the issuance of cheques.

During the year $440.07 came to account from the collector of Customs at New Westminster for which no returns of any kind have been furnished.

I have to ask for your consideration of this subject and a reply in due course.

I am, sir, your obedient servant,

The Deputy Minister of Agriculture. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF FINANCE, OTTAWA, October 6, 1896.

SIR,—In reply to your letter of the 6th instant, I beg to say that the following arrears are due this department to June 30, 1896, viz. :—

Albert Railway Company	$	7,497 23
Fredericton and St. Mary's Railway Bridge Co		84,000 00
Quebec Harbour Commissioners		1,005,433 45
Three Rivers Harbour Commissioners		29,507 41

I am, sir, your obedient servant,

The Auditor General. J. M. COURTNEY, *D.M.F.*

Re Interest on Investments.

AUDITOR GENERAL'S OFFICE, OTTAWA, November 13, 1896.

SIR,—In the adjustment with the Montreal Harbour Commissioners, consequent on the Act of last session, granting further advances, $336,000, part of the old liability which had been drawing 5 per cent was figured at 4 per cent from January 5, to April 23. Though the matter was discussed with me at the time, yet I think it would be advisable to have the explanation of the reasons for the change published, and I have to ask you for a letter in reference thereto.

The interest on $76,000 from December 31 to January 5 seems to have been omitted.

I am, sir, your obedient servant,

The Asst. Deputy Minister of Finance. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF FINANCE, OTTAWA, January 19, 1897.

SIR,—I have the honour to acknowledge the receipt of your letter of the 13th November last asking for an explanation of the reasons for the change of the rate of interest from 5 per cent to 4 per cent from January 5 to April 23, 1896, on $336,000, part of the then liability of the Montreal Harbour Commissioners, and in reply thereto I have to say that the change in the rate of interest was made under authority of Orders-in-Council passed on the 8th and 18th January, 1896.

I am, sir, your obedient servant,

J. M. COURTNEY, *D.M.F.*

The Auditor General.

Industrial School deficits—Correspondence on "per capita" grants to Industrial Schools and on certain over-payments of the amounts authorized by the Governor in Council.

NOTE.—For beginning of this correspondence see Auditor General's Report 1894-95, page G—125.

DEPARTMENT OF INDIAN AFFAIRS, Ottawa, January 25, 1896.

SIR,—With reference to Departmental letter of the 27th November last, in reply to yours of the 3rd October, respecting over-payments to industrial schools, in the North-west Territories, I beg to state that further investigation into the Regina school account shows that after deducting $119.94 from the grant for September quarter, 1895, there will be nothing further to deduct.

I may add by way of explanation in regard to the balance, which you consider should have been refunded on account of freight charges on clothing, that only a portion of the supplies, for which these charges were made, was used for the industrial school, the remainder being distributed to destitute Indians, and consequently $64.74, the amount deducted from the per capita grant for March quarter, 1895, represents all that is properly chargeable against the school. As regards the seeming over-payment of $2 to which you refer, on account of September quarter, 1894, I beg to state that when the return first came to hand it appeared as if an over-payment of $2 had been made, but by subsequent returns sent to the department it was found that the school had earned $76 in addition for three pupils not shown on the first return, and the balance, $74 was accordingly paid.

I am, sir, your obedient servant,

The Auditor General. HAYTER REED, *D.S.G.I.A.*

AUDIT OFFICE, OTTAWA, November 2, 1896.

SIR,—I beg to call your attention to the following payments made on account of Indians of Manitoba and North-west Territories, during the year 1895-96, and charged to Elkhorn Industrial School :—

Voucher.	Cheque.	Name.	Service.	Amount.
8	3130	Wilcox & Ramsay.	Clothing	$ 4 20
15	3137	Hudson's Bay Co.	do	232 83
16 (in part)	3138	Wilcox & Ramsay.	Groceries and clothing.	324 44
20 (in part)	3142	Hudson's Bay Co.	Clothing	334 97
21	3127	H. W. McNeill Co.	Coal	156 75
22	3128	D. E. Adams	Coal	93 25
23	3548	Jas. Evans	Potatoes	19 75
24	3548	Jas. H. Peters	Vegetables	72 55
25	3550	Anthony Goettler.	do	51 15
51	6087	Kate E. Halson	Freight on clothing	5 01

All of these amounts are properly chargeable to the per capita grant of the school, and although you state in your letter of October 10th, 1895, that the amount of the per capita grant is not considered binding by your department, still I am of the opinion that if it is the intention of your department to maintain this school upon the per capita grant system, all accounts for its maintenance should be paid from the grant, and the deficit, if any should be paid by an increased grant.

I am, sir, your obedient servant,

The Deputy Supt. Gen. of Indian Affairs. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF INDIAN AFFAIRS, OTTAWA, Dec. 17, 1896.

SIR,—With reference to your letter of the 2nd inst., in which you call attention to certain payments made during 1895-96 which are charged to the Elkhorn Industrial School, I beg to inform you that the department tries to keep within the amount per capita at which it is endeavouring to have the expenses of this school met, but circumstances sometimes arise which make it absolutely necessary to overstep the same; amongst these circumstances may be mentioned the decrease in grants from persons interested in the institution, which have lately considerably fallen off, leaving a larger amount to be provided by the department. The items to which you refer were incurred owing to a fire which destroyed two of the main buildings at the Elkhorn institute, with most of their contents, and the emergency rendered the purchases necessary. Your remarks upon the system of paying any deficits at Industrial Schools are noted.

I am, sir, your obedient servant,

The Auditor General. HAYTER REED, *D.S.G.I.A.*

J. J. Campbell's Removal Expenses—Irregularly paid.

(For beginning of this correspondence, see Auditor General's Report, 1894-95, page G—123.)

DEPT. OF INDIAN AFFAIRS, OTTAWA, January 16, 1896.

SIR,—I have the honour to acknowledge the receipt of your letter of the 13th ultimo, relative to various payments connected with the removal of Mr. J. J. Campbell from Regina to Ottawa, and allowance made to him on account of maintenance until he was transferred to the Inside Service; and in reply to inform you as follows:—

With regard to the allowance of $1 per diem for living expenses, you say that as Mr. Campbell's family seems to have been removed to Ottawa at the public expense about the same time, his removal must have been regarded as permanent, and you can therefore see no justification for the payment of his living expenses at Ottawa for a period of nearly nine months. In reply, I beg to inform you that while it is perfectly true that it was in contemplation to remove Mr. Campbell to Ottawa permanently, it was quite uncertain whether the necessary authority of Parliament could be obtained, and the department is unable to see how it can possibly be contended that he was permanently transferred before the transfer was made by the only power existing for such purpose. As a matter of fact, and as you point out yourself, Mr. Campbell was paid out of the North-west Territorial appropriation until August, 1894, which certainly could not have been done unless he were up to that date regarded as belonging to the office of the Indian Commissioner, Regina. As it was utterly impossible for Mr. Campbell, on the salary he was then receiving, to keep up an establishment for his family at Regina unless the department should pay the whole cost of his maintenance at Ottawa, it is evident that the department effected a very considerable saving by the arrangement made. What the department did, therefore, was to defray in the most economical manner possible the living expenses incurred by an officer in the execution of his duty and acting under its instructions. As to removal of himself, his wife and family, since he has already been called upon to refund the expenditure, pursuant to the terms of an Order in Council which you quote in the latter part of your letter of the 13th ultimo, the removal cannot be said to have been done at the public expense, although the necessary advance was made, and, as already shown, in the public interest.

As to your suggestion that Mr. Campbell should be asked to refund half of the charge of the car which was hired to remove the household effects of the Deputy Superintendent General, the department is unable to discover any justification for such course. The car was hired because it was found that it would cost less than to pay for the freight of the Deputy's effects by weight or measurement, and the car was allowed by the department without any consideration of Mr. Campbell's effects. It is true that when it was found that there would be some vacant space in the car Mr. Campbell was

told that as it was already paid for he might as well make use of it, and consequently he did put some effects into it, but it is very questionable whether he would have removed them at all if he had been going to pay freight on them.

I am, sir, your obedient servant,

The Auditor General. HAYTER REED, *D.S.G.I.A.*

Payment to the Province of British Columbia for Maintenance of Insane Indians.

(For beginning of this correspondence see Auditor General's Report of 1894-95, page G—128.)

INDIAN AFFAIRS, OTTAWA, December 27, 1895.

SIR,—I have the honour to acknowledge the receipt of your letter of the 17th inst., and in reply to your remark that the British Columbia "Insane Asylum Amendment Act of 1893" appears to apply to expenses for maintenance after and not before the coming into force of that Act, to inform you that when you wrote "what arrangements have been made with regard to the maintenance of Insane Indians, and for recouping the Government of British Columbia for expenses of maintenance dating back to 1890" it was supposed that the latter inquiry only had reference to the past, and that the former was made relative to arrangements now existing.

In this connection, and in reply to your request to be informed whether the question of legal responsibility for the accounts has been submitted to the Department of Justice, I beg to state that the Department of Justice has been repeatedly referred to with reference to the liability of the department as opposed to that of the various provinces, and while it has held that it is the duty of the provinces to provide for the care of the insane, it has stated "when it is said that it is the duty of the provincial authorities—the legislature and the Government—to provide for the care of the insane, it is meant that this is their duty morally. Except in so far as the legislature makes provision therefor, it is a duty the performance of which cannot be enforced." If, therefore, a province makes no provision for the care of Indian lunatics, and refuses to receive them unless this department defrays the cost, there does not appear to be any other course open consistent with humane treatment of the afflicted and the safety of the Indian and white community, than to pay for the maintenance in asylums of dangerous lunatics, and for that reason it has been the custom of this department to defray the cost under such circumstances.

In reply to your inquiry as to what explanation the Finance Minister gives to the delay in presenting the accounts, I beg to state that they were simply presented to this department appended to a report of the Executive Council of the Provincial Government of British Columbia, in reference to the moneys due by the Dominion Government to the Province of British Columbia on account of Indians and convict lunatics from which I may quote the following extract:

"The committee remark that the arrangements under which lunatics under whose "custody properly devolves upon the Dominion Government are received into the "asylum are, even when carried out properly, to a certain extent a burden upon the "province, and that when circumstances arises such as are adverted to in this memoran-"dum (this has reference to case of two insane convicts, not Indians) there seems to be "no reason why the arrangement should be continued when its only result is the cause "of annoyance and inconvenience."

I am, sir, your obedient servant,

The Auditor General. HAYTER REED, *D.S.G.I.A.*

Insufficiency of Certificates of Delivery on Vouchers for Indian Supplies.

AUDIT OFFICE, OTTAWA, March 10, 1896.

SIR,—I beg to call your attention to the following irregularities in the vouchers forwarded this office in support of payments made on account of the Indians in Manitoba and the North-west Territories.

I find that in many cases vouchers are made out covering payments to a number of agencies, and in some cases, for a number of votes in each of the several agencies, and are certified only by the Indian Commissioner, and do not bear any certificate or receipt showing, that the articles charged were received at the several agencies. It is very necessary to a proper audit of these accounts that vouchers be made out for each payment, and that they be certified by the agent and appoved by the Commissioner before payment. I would suggest that a circular letter be sent to your agents and to the Regina office, drawing their attention to the note upon your printed voucher forms, and requesting that in future separate youchers be made for each payment.

I am, sir, your obedient servant,

The Deputy Superintendent General Indian Affairs. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF INDIAN AFFAIRS, OTTAWA, March 16, 1896.

SIR,—Referring to your letter of the 10th instant, I have to request that you will kindly furnish the department with the numbers of the vouchers, in support of payments made on account of the Indians in Manitoba and the North-west Territories, which you state are certified to only by the Indian Commissioner.

I am, sir, your obedient servant,

The Auditor General. HAYTER REED, *D.S.G.I.A.*

AUDIT OFFICE, OTTAWA, November 7, 1896.

SIR,—In reply to your letter of March 16th last asking for the numbers of vouchers which are certified to only by the Indian Commissioner, I may state that, now that I have received all the vouchers for the year, I find that the list would be much too long, but I might refer you to voucher 8 and attached vouchers and distribution lists in general vote 5. These vouchers are for a payment to the Hudson's Bay Co. for contract supplies delivered at Regina and distributed to votes 2, 5, 7, 10 and 13 of every agency in the North-west Territories, but I have not been furnished with the receipts from the agents to whom the goods were sent. I would ask that in furture when goods are issued from the warehouse at Regina, separate vouchers for each vote and agency be made out to accompany them, and when goods are received and certified by the agents, the vouchers be forwarded to your department in support of the payments for contract supplies.

I am, sir, your obedient servant,

The Deputy Sup. General Indian Affairs. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF INDIAN AFFAIRS, OTTAWA, November 17, 1896.

SIR,—In reply to your letter of the 7th instant, I beg to say that in order to meet your wishes in the matter, the department will ask the Indian Commissioner in future to send agency receipts in support of the charges made for contract supplies against any agency, attached to a statement of the subdivision of such vouchers, and at the end of the year a further statement of any goods remaining in storage at Regina. Kindly inform me whether the above suggestion meets with your approval.

I am, sir, your obedient servant,

The Auditor General. HAYTER REED, *D.S.G.I.A.*

Insufficient Certificate on Account for Purchase of Fireman's Axes.

AUDIT OFFICE, OTTAWA, October 16, 1896.

SIR,—I beg to call your attention to the following cheques :—Manitoba and North-west Territories, 1895-96, 7006 for $242.27, British Columbia, 1895-96, 959 for $49.36, and Trust Fund, 1896-97, 524 for $38.03, issued to Messrs. J. P. & F. W. Esmonde, in payment for 136 fireman's axes at $2.25 each, with freight and packing thereon, supplied on June 20, 1896.

The voucher in support of this payment bears no certificate other than "Correct, M. Benson." I need not remind you that a certificate of this nature is of no value for the purposes of audit. In accordance with sec. 33 of the Audit Act, a definite certificate is required that the goods have been supplied and that the prices are fair and just. As the axes appear to have been shipped direct from Three Rivers, without being first received at the department here, the only persons competent to certify as to the delivery are the consignees to whom the axes were shipped. In addition to this, receipts should be furnished from the various schools and agencies among which they were ultimately distributed. Please send statement of the distribution of the 30 axes forwarded to Ottawa if it has been made.

I am, sir, your obedient servant,

The Deputy Sup. General of Indian Affairs. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF INDIAN AFFAIRS, OTTAWA, October 20, 1896.

SIR,—Referring to your communication of the 16th instant, in regard to the cheques issued in payment of Messrs. J. P. & F. W. Esmonde's account for fireman's axes (with freight and packing expenses), supplied this department, I have to request that you will kindly return the account in question, in order that a proper certificate may be placed upon it.

I am, sir, your obedient servant,

The Auditor General. HAYTER REED, *D.S.G.I.A.*

AUDIT OFFICE, OTTAWA, October 22, 1896.

SIR,—In accordance with your request of the 20th instant, I beg to return herewith the accounts of J. P. & F. W. Esmonde for fireman's axes supplied your department.

I am, sir, your obedient servant,

The Deputy Sup. General of Indian Affairs. J. L. McDOUGALL, *A.G.*

Payment of Arrears of Salary of Twenty years' Standing.

AUDIT OFFICE, OTTAWA, September 15, 1896.

SIR,—I beg to call your attention to voucher 50, vote 7 of Clandeboye Agency, being a payment of $137.50 to Thomas Howard Corregan for arrears of salary at North St. Peter's School during the years 1876-1877. I would ask when this claim was first presented, and what the causes are which led to the payment of a claim of twenty years' standing.

I am, sir, your obedient servant,

The Deputy Sup. General of Indian Affairs. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, November 30, 1896.

SIR,—I have to remind you that I have not received any reply to my letter of September 15th last with reference to a payment to Thomas Howard Corregan for arrears of salary at North St. Peter's School during the years 1876 and 1877. Please let me know the reasons for paying this claim.

I am, sir, your obedient servant,

The Deputy Supt. General of Indian Affairs. J. L. McDOUGALL, *A.G.*

Payment of Balance due on Seeders purchased in 1888.

AUDIT OFFICE, OTTAWA, July 18, 1896.

SIR,—Voucher 16, vote 2, cheque 5537 of Battleford Agency, 1895-96, is for a payment of $178 to Messrs. I. G. Baker & Co., for balance due on seeders supplied by him on April 3rd, 1888 upon the contract of 1882-83. As the voucher gives no explanations I would ask why this account has been standing unpaid for so long a period and upon what basis the part payment of $270 made in 1888 was arrived at. I would also ask for the necessary certificate that the seeders were received at the agency and that the price paid was according to contract.

I am, sir, your obedient servant,

The Deputy Supt. General of Indian Affairs. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF INDIAN AFFAIRS, OTTAWA, August 2, 1896.

SIR,—I have to acknowledge the receipt of your letter of the 16th instant, referring to the payment of $178, made to I. G. Baker & Co., by cheque No. 5537 ; in reply I have to state that the firm in question never considered this account settled, and had made repeated demands upon the department for reconsideration of their claims. In general explanation I may say that owing to the risks that the delivery of farm machinery involved for northern parts of the Territories, tenderers declined to tender except for delivery at points convenient of access. Heavy machinery and other supplies therefore were contracted for to be delivered at Fort Ellice, and paid for there upon receipt of shipping bills dated at Winnipeg. A further agreement was entered into with the contractor for delivery of the supplies at the different agencies in the north, the contracters to act as freighters and to be responsible as such. This was the best arrangement the department could make for the year 1882-83.

In the case of the three seeders in question it would appear that these articles were sent in after the general supplies, but under the 1882-3 contract, and probably owing to an oversight, claim was not made for payment at the time at Ellice rates, but delivery was made at Battleford and payment demanded after delivery. Some parts of two of the seeders were missing, the third it is alleged being complete and subsequently issued to the Indians, and the agent rightly refused to grant receipts until these missing parts were furnished. The difficulty was reported to I. G. Baker & Co., the contracters, and they were informed that as soon as they put the seeders in order they would be taken over and paid for. It is understood that every effort was made to complete the seeders but owing to difficulty in ascertaining exactly what pieces were lacking and other pieces not fitting when sent in and having to be replaced, together with the long time it took in those days to reach the North, the seeders were not complete in 1884, and in the Spring of 1885, when they no doubt would have been put in order, the rebellion interfered and it was not until 1887, that the missing parts were finally received. The Agent then issued a receipt for the seeders complete, and a voucher was made out in accordance with contract rates, but the department claimed that as the contractors failed to deliver the machinery complete at Battleford in 1883, they should not be paid more than the same machinery could be bought for in 1888, and consequently reduced

the vouchers from $448 to $270. It was this difference that the department recently paid. In justice to the contractors and after the consideration of all the circumstances the department held itself bound to refund the reduction made in 1888. It was evidently made without considering the terms of the contract, as if these had been strictly followed, Baker & Co. would have received $125 for each seeder upon delivery at Ellice, as there can scarcely be any doubt but that the missing parts were lost between that point and the Battleford Agency. After the supplies left Ellice the contractors were common carriers and responsible only as such. It might be stated here that as freighters the contracters suffered considerable loss upon the disallowance of certain claims and through short deliveries, shinkages, &c. From a claim for some $2,700 the department subjected them to a reduction of over $1,100, and in making this settlement the three seeders were taken into consideration and arranged to be paid for at contract rates when completed. I inclose the certificate of the agent for the delivery of the seeders as asked for, and would certify that the prices paid and the freight rate charged were according to contract.

Your obedient servant,

The Auditor General. HAYTER REED, *D.S.G.I.A.*

Payments for Travel and Maintenance, in Ottawa, of Gilbert Bear, of Battleford School.

AUDIT OFFICE, OTTAWA, November 2, 1896.

SIR,—I beg to call your attention to the following payments made from the vote for Indians of Manitoba and North-west Territories during 1895-96 on account of Gilbert Bear, an out pupil of Battleford Industrial School, who appears to be at present a resident of Ottawa:

BATTLEFORD AGENCY, VOTE 5.

Voucher.	Cheque.	Name.	Service.	Amount.
84	2745	Annie Grant	Board at Ottawa	$ 7 00
86	2800	Mrs. Tyrell	do	4 00
		BATTLEFORD INDUSTRIAL SCHOOL.		
30	2231	Bank of Montreal	Travel	6 25
34	2319	Ottawa Y. M. C. A.	Membership fees	5 00
35	2320	Bryson, Graham & Co.	Clothing	13 40
37	2391	A. J. Stephens	Boots	2 75
57	3615	Leeson & Scott	Stage fare and meals	8 75
65	4189-90	Canadian Pacific Ry. Co.	Fare, Saskatoon to Ottawa	47 05
115	7044	Bryson, Graham & Co.	Clothing	16 66

In your letter of April 2nd last you state: "The department has been making a certain outlay from time to time on account of this boy, but it has not been allowed to exceed in the aggregate the usual grant for out pupils." I would ask what is the usual grant for an out pupil, and why this particular individual is still entitled to the privileges of an out pupil.

I am, sir, your obedient servant,

The Deputy Supt. General of Indian Affairs. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF INDIAN AFFAIRS, OTTAWA, November 18, 1896.

SIR,—I have to acknowledge the receipt of your letter of the 2nd instant, relative to certain payments made by the department on account of Gilbert Bear, an out-pupil of the Battleford Industrial School, now resident in Ottawa. In reply, I beg to say that this boy is still retained on the roll and the expenditure is charged against the school. The largest outlay on the boy's account was for railway fare and transport from Battleford to Ottawa, and as the Ottawa Citizen Company, his employers, do not pay him enough to board and clothe him, certain allowances have been made. However, with the increased wages it is hoped may be obtained for him soon, he will be self-supporting. There is no fixed grant for an out-pupil, but it should not exceed in any case the amount the pupils would cost at the institution. I may add that it is not only cheaper but better for the boy to work at his trade in Ottawa under the present arrangement than to remain on at the school.

The Auditor General. HAYTER REED, *D.S.G.I.A.*

Payments on Account of Grist Mills, Charged to Vote for Destitute Indians.

AUDIT OFFICE, OTTAWA, March 25, 1896.

SIR,—I beg to draw your attention to the following payments charged to Supplies for Destitute Indians, Edmonton Agency, for the year 1895-96.

Voucher.	Cheque.	Name.	Service.	$ cts.
11	792	E. A. Cameron	Lumber for grist mill	151 00
12	793	Lazarus	Roofing building	50 00
13	794	F. Yuneau	Labour	41 00
15	1176	Hudson's Bay Co	Freight on machinery	518 18
16	1202 in part	do do	do do	4 50

These accounts are for supplies and labour on the grist mill and should have been charged to the vote for grist mills. Please have the amounts transferred.

I am, sir, your obedient servant,

The Deputy Supt. General of Indian Affairs. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF INDIAN AFFAIRS, OTTAWA, April 4, 1896.

SIR,—I have the honour to acknowledge the receipt of your letter of the 25th ultimo, in regard to certain payments on account of the grist mill in the Edmonton agency, which were charged to supplies for destitute Indians; and in reply to state that as the construction and operation of this mill were undertaken with a view to reduction of the cost of food supplies, and a reduction having taken place, it was thought that a portion, at least, of the cost was properly chargeable to the vote for destitute Indians. Moreover, $323 of the expenditure above referred to has already been refunded by the Indians from their annuities, and it is intended that the balance shall be repaid next year.

I am, sir, your obedient servant,

The Auditor General. HAYTER REED, *D.S.G.I.A.*

AUDIT OFFICE, OTTAWA, April 8, 1896.

SIR,—I beg to acknowledge your letter of the 4th instant, with regard to certain payments on account of the grist mill in the Edmonton agency, which were charged to supplies for destitute Indians; and in reply I beg to say that in my opinion all payments for the construction and operation of this mill or other mills in the Indian agencies are supposed to be undertaken with a view to the reduction of the cost of food supplies, but as there is a special vote for this purpose, the accounts should have been charged to that vote. I would call your attention to vouchers 1 to 14, charged to grist mills in this agency, and would ask why these vouchers are so charged, as they also tend to reduce the cost of food supplies. Please, therefore, cause the vouchers to be transferred in accordance with my letter of the 25th ultimo.

I am, sir, your obedient servant,

The Deputy Supt. General of Indian Affairs. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF INDIAN AFFAIRS, OTTAWA, April 11, 1896.

SIR,—I have the honour to acknowledge the receipt of your letter of the 8th instant, with further reference to the question of certain payments on account of the grist mill in the Edmonton agency, which were charged to supplies for destitute; and in reply to state that the items referred to will, in accordance with your request, be transferred to the vote for grist mills.

I am, sir, your obedient servant,

The Auditor General. HAYTER REED, *D.S.G.I.A.*

Payment from Suspense Account of Retiring Allowance to Rev. G. Anderson.

AUDIT OFFICE, OTTAWA, December 1, 1896.

SIR,—I notice that in March last Rev. G. Anderson was paid $50 out of the Indian Trust Fund "Suspense Account" as retiring allowance for three months to May 31. Rev. Mr. Anderson was employed as a missionary to the Mohawks of the Bay of Quinté, and his salary up to February 29th last was paid out of the funds at the credit of that band. Kindly advise me as to what funds in the Suspense Account this band of Indians has an interest in, out of which this payment should be made.

I am, sir, your obedient servant,

J. L. McDOUGALL, *A.G.*

The Deputy Supt. General of Indian Affairs.

DEPARTMENT OF INDIAN AFFAIRS, OTTAWA, December 7, 1896.

SIR,—I beg to acknowledge the receipt of your letter of the 1st instant, with reference to a payment made out of the Suspense Account of the Indian Trust Fund to the Rev. Mr. Anderson. This payment was made after full consideration of the subject by the Superintendent General and by his direction. The Suspense Account which was opened many years ago, was supposed to be used for the temporary deposit of Indian money, when the band to which the funds belonged could not be at once ascertained. It is presumed that an effort was always made to discover this source and to carry the money to the credit of the bands to which they properly belonged. In many cases it was found impossible to discover this source, and the balance in the account gradually increased. I understand, and an examination of the books would seem to carry out the opinion, that it was the custom in past years to pay from this fund accounts which could not be charged to any other account of the Indian Trust Fund. In this way a

considerable amount was spent and it would now be found impossible to close the account by a distribution of the amount to the bands properly interested, even if it were posible to discover these bands, and I do not think that at this late date that will be at all possible. At present the accountant of the department has instructions not to allow any transient amount to remain in this account after the close of any fiscal year, and the balance of the account will not be allowed to increase further by additional deposits. The grounds upon which the payment was made to the Rev. Mr. Anderson were that he had been for a very long period a missionary for the Mohawks of the Bay of Quinté, and that owing to ill health and advanced years he had become unable to continue his duties and was about to leave the reserve. Mr. Anderson died shortly after the date of the payment. As you will see from the above information it is impossible for me to answer the last paragraph of your letter.

I am, sir, your obedient servant,

The Auditor General. HAYTER REED, *D.S.G.I.A.*

AUDIT OFFICE, OTTAWA, December 22, 1896.

SIR,—I beg to acknowledge receipt of your letter of the 7th instant, with reference to a payment made out of the Suspense Account of the Indian Trust Fund to the Rev. Mr. Anderson. It does not appear from your letter that there were any funds at the credit of the Suspense Account directly applicable to this payment. Your argument appears to be that, as there are certain moneys at the credit of this account, the source of which cannot be determined, these moneys may fairly be employed in the payment of accounts which cannot be properly charged to any other account of the Indian Trust Fund. The fact that this has been done in previous years is no valid argument for the continuance of this principle. No doubt the payment of these unprovided accounts in the past has had its share in bringing the Suspense Account into its present more or less confused state. I still maintain that no payments should be made from this account, to which funds in the account are not specially applicable. I would suggest that any funds in this account, the source of which cannot now be determined, should be carried to a special account to be expended on behalf of the Indians only on the authority of the Governor in Council.

I notice that in the case of the Six Nations Indians a superannuation allowance of $500 is paid to R. H. Dee, M.D., a former medical officer of the band. If the Mohawks of the Bay of Quinté desired that a retiring allowance be paid their missionary, should it not have been dealt with in a similar manner and have been charged against the funds of the band, which is a fairly wealthy band, having some $114,000 at its credit?

I am, sir, your obedient servant,

Deputy Superintendent General of Indian Affairs. J. L. McDOUGALL, *A.G.*

DEPARTEMENT OF INDIAN AFFAIRS, OTTAWA, December 26, 1896.

SIR,—I have to acknowledge the receipt of your letter of the 22nd instant with reference to a payment made out of the Suspense Account of the Indian Trust Fund to the Rev. Mr. Anderson. In reply to your question whether it would have not been possible to charge the allowance to the funds of the Mohawks of the Bay of Quinté, I may say that as the Indians generally had not expressed any desire to have the amount so charged, the payment was made as you are aware, from Suspense Account.

I am, sir, your obedient servant,

The Auditor General. HAYTER REED, *D.S.G.I.A.*

Payment from Suspense Account for purchase of steamer for John Angus.

AUDIT OFFICE, OTTAWA, December 1, 1896.

SIR,—In May last a Trust Fund cheque was issued against Suspense Account in favour of E. A. Carr, for $300, in payment of a steamer for John Angus. Kindly let me have the full particulars of this payment, and inform me if J. Angus had this amount at his credit in Suspense Account, out of which this payment could be made.

I am, sir, your obedient servant,

J. L. McDOUGALL, *A.G.*

The Deputy Supt. General of Indian Affairs.

DEPARTMENT OF INDIAN AFFAIRS, OTTAWA, December 10, 1896.

SIR,—I have to acknowledge the receipt of your letter of December 1, with reference to purchase of a steamer by the department for John Angus, the amount being charged to the Suspense Account. With reference to the constitution of this account, I have to refer to my letter of even date, No. 171728. This amount was a loan to John Angus. The department has a lien on the steamer and holds a power of attorney from John Angus to draw the amount of his allowance as mail carrier between Cornwall and St. Regis. The loan was to be repaid in three years with 6 per cent interest. This assistance was given to John Angus in order that he might engage in a pursuit which would bring him in a fair return and in pursuance of the policy of the department to assist deserving Indians who are making efforts to improve their condition. A difficulty arose as to John Angus being allowed to run the boat himself, and if the department cannot overcome this, the boat can be sold to cover the advance.

I am, sir, your obedient servant,

The Auditor General. D. C. SCOTT, *for D.S.G.I.A.*

AUDIT OFFICE, OTTAWA, December 23, 1896.

SIR,—I am in receipt of your letter of the 10th instant, with reference to a loan of $300 out of the Suspense Account to John Angus, to enable him to purchase a steamboat. I need not repeat my views on the expenditure of this account, which you will find in another letter to you of this date, but will only say that I fail to see a sufficient reason for charging this loan against the Suspense Account. I find that in other cases loans are made out of the capital funds of the different bands, on the authority of the Governor in Council, to individual Indians, to enable them to improve their buildings or to purchase cattle and implements. Would it not have been advisable to have treated this loan in a similar manner and to have advanced the money out of the funds at the credit of the St. Regis band?

I am, sir, your obedient servant,

Deputy Superintendent General of Indian Affairs. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF INDIAN AFFAIRS, OTTAWA, December 26, 1896.

SIR,—I have to acknowledge the receipt of your letter of the 23rd instant with reference to the loan made from Suspense Account to John Angus. Your remarks in this matter are noted. If it had been possible to make the loan from the capital funds of the St. Regis band, it would have been done, but as the interest account of this band is fully taxed to meet current expenditure, no charge can be made to capital which would tend to reduce the revenue of the interest account.

I am, sir, your obedient servant,

The Auditor General. HAYTER REED, *D.S.G.I.A.*

"Suspense Account." How it should be dealt with.

AUDIT OFFICE, OTTAWA, December 2, 1896.

SIR,—I notice in my examination of the Trust Fund Accounts that the balance at the credit of Suspense Account has increased materially during the fiscal year 1895-96. In my opinion if it is found necessary to have a Suspense Account it should be kept merely as an interim account to which might be credited amounts received on account of Indians not having a regular tribal account, which amounts are to be paid out again almost immediately. To this account might also be credited any amounts received as revenue, the exact source of which is at the time unknown No payments should be made out of this account, unless funds have been already specially provided to cover such expenditure. At the end of each fiscal year the account should be closed, individual accounts being opened for any amounts which may remain unexpended. This is the only way I can see to treat such an account if the power to analyse it is to be retained.

I am, sir, your obedient servant,

J. L. McDOUGALL, *A.G.*

The Deputy Superintendent General of Indian Affairs.

DEPARTMENT OF INDIAN AFFAIRS, OTTAWA, December 19, 1896.

SIR,—With reference to your letter of the 2nd instant, relative to Trust Fund Accounts, I beg to inform you that in the opinion of the department it is necessary to have an account in which to place transient deposits or amounts the source of which cannot at the time be ascertained. As the Suspense Account has now a large balance at credit, and is in somewhat an exceptional position, it would seem to be better to open what might be called a Provisional Account for this class of deposits, and allow the Suspense Account to remain as at present constituted, with no increase except the increase arising from the interest on invested capital. Of course the Provisional Account would be exhausted every year, and no balance carried over to the following year.

I am, sir, your obedient servant,

The Auditor General. D. C. SCOTT, *for D.S.G.I.A.*

AUDIT OFFICE, OTTAWA, December 22, 1896.

Sir,—In reply to your letter of the 19th instant, with reference to the establishment of a "Provisional Account" for transient deposits in the Trust Funds, I beg to say that I agree with you as to the advisability of opening such an account, it being distinctly understood that this account is to be exhausted each year and therefore no balance carried over to the following year. At the same time I would suggest that the present Suspense Account be adjusted as far as possible by taking out of it all amounts whose source can be accurately determined, and that any balance left therein be expended on behalf of the Indians only on the authority of the Governor in Council.

I am, sir, your obedient servant,

J. L. McDOUGALL, *A.G.*

The Deputy Superintendent General of Indian Affairs.

DEPARTMENT OF INDIAN AFFAIRS, OTTAWA, December 26, 1896.

SIR,—I have to acknowledge the receipt of your letter of the 22nd instant with reference to Suspense Account and the establishment of what is to be called the Provisional Account for transient deposits in the Indian Trust Fund, and in reply I beg to inform you that your remarks on this subject have been noted.

I am, sir, your obedient servant,

The Auditor General. HAYTER REED, *D.S.G.I.A.*

Travel of J. A. Macrae—Return Tickets not Purchased.

AUDIT OFFICE, OTTAWA, December 2, 1896.

SIR,—In the examination of the accounts for travelling expenses of Mr. J. A. Macrae, Inspector of Agencies, I notice that he charges first class single fare each way, no matter how short the duration of the trip may be. Mr. Macrae may not be aware of the fact that return tickets good for thirty days are always obtainable for two-thirds over single first class fare. Should the return portion of the ticket for any reason, not be used, the railway company is bound to refund the excess paid over single fare. Unless it is clearly foreseen that the duration of the trip will be over a month, it would be in the interests of public economy to purchase return tickets. Kindly advise Mr. Macrae to this effect.

I am, sir, your obedient servant,

J. L. McDOUGALL, *A.G.*

The Deputy Superintendent General of Indian Affairs.

Payment for Services rendered in 1875-76,

AUDIT OFFICE, OTTAWA, December 22, 1896.

SIR,—I notice that on April 29th last, Indian Consolidated Fund cheque No. 5540, was issued for the amount of $200 in favour of Mrs. Margaret McPherson, for service rendered by her late husband in 1875 and 1876, before his appointment as Indian Agent. Kindly furnish me with the full particulars of this payment as well as with the reason of there being an interval of twenty years between the rendering of the services and the payment for the same. I would also ask for your authority for making this payment.

I am, sir, your obedient servant,

J. L. McDOUGALL, *A.G.*

The Deputy Superintendent General of Indian Affairs.

DEPT. OF INDIAN AFFAIRS, OTTAWA, December 26, 1896.

SIR,—I have to acknowledge the receipt of your letter of the 22nd instant with reference to the payment made by this department to Mrs. Margaret McPherson for services performed by her late husband in 1875 and 1876. In reply I beg to say that the payment was made on the authority of the Superintendent General, after full consideration. The claim was first preferred by Mr. McPherson in the year 1878. The department at that time asked for full information which was not then forthcoming for some reason unknown to the department, and the matter seemingly was allowed to drop. The claim was again brought forward by Mr. McPherson's widow after his death and it was supported by certificate from Indian Agent Pither, who was in charge of Indian matters in the district when the services claimed to have been performed by Mr. McPherson were rendered. In this certificate Mr. Pither informs the department that in October, 1875, Mr. Provencher, who was then in charge of the Manitoba Superintendency, instructed him verbally to request Mr George McPherson to take charge of the department's supplies and cattle at the North-west Angle and that he would be paid for his services. Mr. Pither further states that he had charge of the supplies until July, 1876, and that he was then appointed to pay the Indians of the Lake of the Woods. The department therefore considered the claim favourably, as it was thought to be just. Mr. McPherson performed a long and faithful service for the department, and the circumstances of his widow were such as to render the settlement of this claim acceptable to her.

I am, sir, your obedient servant,

The Auditor General. HAYTER REED, *D.S.G.I.A.*

Re Indian Fund deposited in Government Savings Bank.

AUDIT OFFICE, OTTAWA, March 21, 1896.

SIR,—I understand that you hold at your credit in the Post Office Savings Bank, as Deputy Superintendent General of Indian Affairs, any funds belonging to individual Indians that have of late years come into the hands of the department.

I shall be glad to have full particulars in reference to this amount, and, if possible a detailed statement of the deposits and withdrawals since the account was commenced. Please let me know the regulations as to the withdrawals of any sum from the savings bank, and whether the account is in your own name, or together with the accountant or some other officer of your department.

I am, sir, your obedient servant,

The Deputy Supt. General of Indian Affairs. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF INDIAN AFFAIRS, OTTAWA, March 25, 1896.

SIR,—I have to acknowledge the receipt of your letter of the 21st instant, with reference to the Post Office Savings Bank account which is at present active under the name of the Deputy Superintendent General of Indian Affairs. When I was appointed to this position the account which was then in existence was transferred to my name, under the official designation just mentioned. It was not opened and is not administered jointly in the name of any other officer of the department. If you think it advisable, the account might also stand in the name of the secretary, who has been accustomed to carry it on when I am away from headquarters. The deposits usually accrue

from the sale of produce belonging to individual Indians, and from the funding of the annuities of Indian children who are pupils at industrial schools. When it is found desirable to withdraw an amount upon the recommendation of the Indian Commissioner, after considering the facts, application is made in the usual way to the Savings Bank branch of the Post Office Department. When a cheque issues it is indorsed payable to the Indian who is entitled to the money. This cheque becomes a voucher which I presume eventually comes into your possession, with the other cheques of the Post Office Savings Bank branch. The Department also takes a receipt from the Indian payee, which is attached to the papers on file. I have given instructions to have a detailed statement of the account prepared, and will have pleasure in submitting it to you as early a date as possible, and to continue the statements from time to time.

I am, sir, your obedient servant,

The Auditor General. HAYTER REED, *D.S.G.I.A.*

DEPARTMENT OF INDIAN AFFAIRS, OTTAWA, July 23, 1896.

SIR,—I have the honour to inclose herewith statement of account in the Post Office Savings Bank in trust for various Indians, together with receipts and vouchers, and I beg to inform you that this statement is up to the 26th March last. A further statement up to the 30th June will be forwarded to you without delay.

I am, sir, your obedient servant,

The Auditor General. HAYTER REED, *D.S.G.I.A.*

Re Indian Fund.

AUDIT OFFICE, OTTAWA, March 21, 1896.

SIR,—During 1894-95 an advance was made to the Mississaguas of Alnwick for the purchase of seed grain, and to the Mississaguas of Mud Lake for the erection of some houses. In the returns of Agent Thackeray for July, October and January last, repayments on account of these advances and for road work, were treated as refunds of the expenditure of the current year. Had these repayments come to account during the year in which the advances were made, it would have been proper to treat the repayments as refunds. As it is they should be treated as revenue, and I have to request an application for the necessary transfer.

I am, sir, your obedient servant,

The Deputy Supt. General of Indian Affairs. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF INDIAN AFFAIRS, OTTAWA, March 25, 1896.

SIR,—I have to acknowledge the receipt of your letter of March 21st, with reference to the manner of treating repayments of advances from the Indian Fund.

I agree with you that the procedure outlined in your letter would be the correct one as regards accountable advances from Consolidated Fund, but I cannot see that the repayment of any portion of these advances from Indian Fund after the close of the fiscal year can be considered as revenue. The accounts of the Indian Fund are continuous, and repayments for accountable advances are, in my opinion, refunds, no matter when they happen to be made. I trust, upon further consideration, that you will concur with me in this view of the case.

I am, sir, your obedient servant,

The Auditor General. HAYTER REED, *D.S.G.I.A.*

AUDIT OFFICE, OTTAWA, April 4, 1896.

SIR,—I have received your letter of March 25th in reply to mine of the 21st, with reference to the manner of treating repayments of advances from the Indian Fund.

You consider that, as the accounts of the Indian Fund are continuous, repayments should be treated as refunds, no matter when they happen to be made.

The objection to so treating these repayments is that the expenditure of the year is to that extent incorrectly stated, and may lead to misapprehension, when comparison is made between the expenditure of one year and another.

If there are no particular reasons for doing otherwise, it might be advisable that the actual expenditure of each year should be shown intact, the only deductions being repayments of advances or charges made during the same year.

I am, sir, your obedient servant,

The Deputy Supt. General of Indian Affairs. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF INDIAN AFFAIRS, OTTAWA, April 21, 1896.

SIR,—With reference to previous correspondence on the question of the manner in which repayments of advances from Indian funds should be treated, and more particularly to your letter of the 4th instant, and recent conversation on the subject, I beg to state that the department, having special reasons, is glad to learn that such repayments may be treated as refunds.

I am, sir, your obedient servant,

The Auditor General. D. C. SCOTT, *Secretary.*

Re Casual Revenue.

AUDIT OFFICE, March 21, 1896.

SIR,—I have to call your attention to the necessity of furnishing vouchers in connection with the several items collected by your officers that go to the credit of Casual Revenue.

These items may be classified as follows :—Sales ; refunds of previous years expenditure ; work done at industrial schools ; rents and sundries.

The voucher for sales should give the date, the name of purchaser, a detailed statement of the articles or materials sold, the price ; and should be certified by the officer in charge, who should state why the materials were sold, that the sale was authorized, and by whom, and that the prices obtained were fair and reasonable, and the best available.

The voucher for refunds of previous years' expenditure should state the name of the person to whom the advance was made, the date, the amount expended, the date when the Balance was refunded with explanations of the reasons why the refund was not made in time to be applied to the account of the year in which the advance was made.

The voucher for work done at the industrial schools should state the persons for whom the work was done, the date, the class of work and the amount; and it should be certified by the officer in charge.

Vouchers for rents and sundries should contain full particulars and such explanations as the case call for.

I am, sir, your obedient servant,

The Deputy Supt. General of Indian Affairs. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF INDIAN AFFAIRS, OTTAWA, March 25, 1896.

SIR,—I have to acknowledge the receipt of your letter of the 21st instant, requesting vouchers for items placed to the credit of Casual Revenue. Your requests have been noted, and the vouchers and information you require will be furnished in the future for deposits, to the credit of this fund.

I am, sir, your obedient servant,

The Auditor General. HAYTER REED, *D.S.G.I.A.*

Re Claim against Hon. Peter McLaren.

AUDIT OFFICE, OTTAWA, August 14, 1896.

SIR,—Referring to your letter of January 9 last, I have now to inquire if the claim against Hon. Peter McLaren for the mill purchased by him from your department has yet been settled. If so, please let me have particulars of the settlement made.

I am, sir, your obedient servant,

The Deputy Supt. General Indian Affairs. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF INDIAN AFFAIRS, OTTAWA, August 29, 1896.

SIR,—In reply to the enquiry made in your letter of the 14th instant, as to whether the claim of this department against the Hon. Peter McLaren for the mill purchased by him has yet been settled, I beg to transmit a copy of a communication in the matter from the Department of Justice, and in connection therewith I may say that there is nothing to show whether when making the agreement therein referred to the then Superintendent General took into consideration the claim of this department and relieved Mr. McLaren of his obligations in regard thereto, or whether he was acting as Minister of the Interior with reference solely to the claim of that department. I am informed that the late Minister gave no decision on this point, upon which you will observe the whole contention rests. The question is, however, to be referred to the acting Minister.

I am, sir, your obedient servant,

The Auditor General. HAYTER REED, *D.S.G.I.A.*

DEPARTMENT OF JUSTICE, OTTAWA, June 3, 1896.

SIR,—Referring to your letter of the 11th January last, reference No. 146301, on the subject of the claim of the government against the Hon. Peter McLaren in connection with the purchase by him from the Department of Indian Affairs of a mill situated on a tributary of the Old Man's River in the district of Alberta, N.W.T., I have the honour to state as follows :—

I understand that the point as to which an opinion is desired is that stated in the latter part of your memorandum of the 17th December last, viz. :—as to whether the contention put forward on behalf of Mr. McLaren that the Minister of the Interior in agreeing to patent to him the quarter section on which the mill in question is erected, and the department in carrying out this agreement and granting the lands in question, and thus conveying to Mr. McLaren the buildings on the land as well as the land itself, have relieved him, Mr. McLaren, of any obligation which might otherwise have rested upon him to pay the balance of the purchase money.

With regard to this point, I beg to state that the conveyance of the land does not necessarily relieve a purchaser from the payment of the purchase money. Unless it can be shown that it was the intention to so relieve him, the liability to pay remains, and, in equity, there is a lien upon the land for unpaid purchase money. Whether there was such an intention in the present case is mainly a question of fact, and I do not understand that you wish to have an opinion from me to that aspect of the case.

Papers returned herewith.

I am, sir, your obedient servant,

The Deputy Minister of Interior. E. L. NEWCOMBE, *D.M.J.*

AUDIT OFFICE, OTTAWA, December 3, 1896.

SIR,—You stated in your letter of August 29, last, that the question, whether or not the agreement made with Hon. Peter McLaren by the Minister of the Interior, covered the claim of your department, was to be referred to the Acting Minister.

I shall be glad to know with what result.

I am, sir, your obedient servant,

The Deputy Supt. General Indian Affairs. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF INDIAN AFFAIRS, OTTAWA, December 26, 1896.

SIR,—With further reference to your communication of the 3rd inst., and my reply thereto of the 9th, I beg to state that this department has been informed by the Department of the Interior that, although the matter in question had been advanced by some important steps, it now remains in the same position as at first.

The earliest opportunity will be taken of bringing this question before the Superintendent General.

I am, sir, your obedient servant,

The Auditor General. HAYTER REED, *D.S.G.I.A.*

Re Arrears Due.

DEPARTMENT OF INDIAN AFFAIRS, OTTAWA, October 30, 1896.

SIR,—In reply to your letter of the 27th instant, calling for statement of arrears due to this department by all persons, whether Government officers or not, I beg to inform you that it would take the staff in the Lands Branch of the department a long time to furnish the detailed statement you require; as the same would have to be obtained from the individual sales in the various sales books of the department and interest computed on the arrears to the 30th June, 1896. Mr. Gorman, of your office, however, phoned me this morning that you would be willing to accept a modified statement, that is, a statement showing the outstanding principal, without the interest against the various sales, by agencies. If this would be satisfactory, the staff will be put to work at once to prepare the same, and instead of showing in our Annual Report, the approximate arrears of principal and interest due on outstanding sales, there will be shown the total outstanding principal by agencies up to the 30th June, 1896, and which will form a basis for future reports.

I am, sir, your obedient servant,

The Auditor General. D. C. SCOTT, *Acting D.S.G.I.A.*

AUDIT OFFICE, OTTAWA, November 3, 1896

SIR,—Referring to your letter of October 30th in connection with the arrears outstanding on account of Indian lands, I have to say that a statement of the outstanding principal by agencies on June 30th last will suffice for the present occasion. You will be expected to furnish next year a statement of both principal and interest outstanding.

I am, sir, your obedient servant,

The Acting Deputy Supt. General Indian Affairs. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF INDIAN AFFAIRS, OTTAWA, January 2, 1897.

SIR,—With reference to your letter of October 5 and subsequent communications, in the former of which you ask for a statement of the arrears due this department on June 30, last, I beg to inform you that there are no amounts unaccounted for by disbursing officers of this department, in so far as the Indian Trust Fund is concerned, and there are no arrears affecting the Consolidated Fund.

As regards arrears due by collecting officers, I may say that the amounts are the same as those published in your report for last year, viz.:—

Charles B. Savage, Gore Bay	$ 3,542 11
A. P. LeBel, Rivière du Loup	638 78

Irregular accounts for travelling expenses of Inspectors Wadsworth and McGibbon.

AUDIT OFFICE, OTTAWA, December 5, 1896.

SIR,—I beg to ask your attention to the following remarks on Mr. T. B. Wadsworth's account for travelling expenses during the first six months of the fiscal year 1895-96. The account in question covers the period from July 1, to December 17, inclusive. For August the 16th he makes no charge for living expenses being at Regina the whole of that day; he was at Winnipeg from the afternoon of December 15 until December 17, on which day he left for the east on the authority of the Deputy Minister. For this time spent at Winnipeg he furnished an account of $8.90 for board at the Hotel Leland. For the rest of the time covered by his account he furnishes no receipts for board and lodging, his account being made up of the following items charged day by day with invariable regularity:—breakfast, $1.00, dinner $1,00, supper $1.00, bed 50c., total $3.50. In short, Mr. Wadsworth's charges for living expenses may be summed up as follows: 167 breakfasts at $1, 167 dinners at $1, 166 suppers at $1, 166 beds at 50c., board at Winnipeg 2½ days $8.90; total $591.90.

Mr. Wadsworth's itinerary may be shortly described as follows:—He had gone to Elkhorn on June 23, 1895 and remained there until August 15, on the evening of which day he took train for Regina, arriving there early on the morning of the 16th. On the morning of the 17th he left Regina for Battleford, at which place he arrived on the 19th at 5 p.m. He remained there until the 23rd, between which day and the 31st he was inspecting various reserves in the agency. The period from September 1st to October 4th was spent at the Battleford Agency and Industrial School; between October 5th and November 4th he was inspecting various reserves in the Carleton and Duck Lake Agencies; on November 4th he left Duck Lake for Regina, which place he should reach on the evening of the same day; on the evening of November 5th he left en route to Fort Qu'Appelle and remained there and at the Industrial School until December 13th, on which date he left for Winnipeg.

It will be seen from the above that the greater part of Mr. Wadsworth's time was spent in comparatively long stays at Elkhorn, Battleford and Fort Qu'Appelle. During these periods it is highly improbable that he lived in such a hap-hazard and unbusiness like way as to pay $1 each time he partook of a meal, and 50c. night by night for lodging. The greater probability is that when his stay was to be of any length he made the arrangements usually made by travellers and settled his accounts either weekly or when leaving. Part of the times during which he was visiting the different agencies he would appear to have been camping. See the account of $84 paid Rev. T. Clarke, Principal of the Battleford School, for one double team and one single team with two drivers and tent, camp stove, cooking ustensils and dining equipment from October 5th to 20th inclusive. During this period he charges $1.50 *per diem* for board of each of the drivers; for this he does not give any receipt but simply the following memo. "The accounts for transport were exclusive of board of teamster, on account of which I defrayed all expenses. Rates charged herein fair and just in accordance with the condition of the men so employed." Under these circumstances I see no reason whatever why Mr. Wadsworth should not be required to furnish proper receipts for all payments made by him for board and lodging. During the time that he was camping he should not have continued charging $1 for each meal and 50c. for bed, but should be called upon to furnish accounts for all groceries and other camp supplies used by him. This latter would cover the board of the drivers as well.

While I do not wish to be understood as saying that Mr. Wadsworth did not spend these amounts, still he nowhere definitely states that he did so spend them. His certificate to the account is not in accordance with that prescribed by the Order in Council of Feb. 6, 1893, viz.:—"the whole of the expenditure was incurred on Government business," but he certifies as follows.—"Duly performed, charges fair and just," which may have quite a different meaning.

Leaving to one side the very great improbability of paying exactly the same amount for each of some 500 meals and for each of 166 lodgings, a comparison of the

rates charged by Mr. Wadsworth with those charged by other officers travelling in the North-west may be instructive. Commissioner A. E. Forget's charges amount to about $2 a day, except when at Winnipeg and Calgary, at which place he pays $3 per diem, furnishing the hotel accounts. The officers of the North-west Mounted Police and the North-west Government school inspectors charge at the rate of from 25c. to 50c. for each meal and for lodgings. Mr. Betournay, of the Regina office, the inspector of Roman Catholic schools, charges for single payments about 50c. a meal. He was at Elkhorn for 7½ days, from November 7th to 14th, and paid at the rate of $2 a day at the hotel there; later he again visited Elkhorn and was there for 42 days to February 28, and was charged $1.25 a day at the same hotel. Mr. Betournay also spent 16 days at the St. Joseph's Industrial School; during this time he appears to have stopped with the principal and to have paid him at the rate of $1 a day for accommodation as appears from the principal's receipt. An explanation of the great disparity between the amounts charged by Mr. Wadsworth and those charged by the other officers referred to will be necessary. I notice that on both occasions that Mr. Wadsworth travelled by night train and took a berth in the pullman, he makes his regular charge of 50c. for a bed in addition to the charge for the berth. He has also made his usual charges amounting to $3.50 for the full day at Regina when proceeding from Duck Lake to Fort Qu'Appelle.

I have not yet received Mr. Wadsworth's accounts for the balance of the fiscal year 1895-96. Kindly have them forwarded to me at your earliest convenience.

I am, sir, your obedient servant,

The Deputy Supt. General of Indian Affairs. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, December 10, 1896.

SIR,—Since writing my letter to you of the 5th instant with reference to Mr. Wadsworth's accounts, I have received a further account of his which bring his travelling expenses up to June 30, 1896.

The last date mentioned in the former account was December 13, 1895, on which day Mr. Wadsworth left Winnipeg to come east. He appears to have been on leave for a portion of the time spent in eastern Canada, as the first charge for living expenses is an account for $40.85 for board at the Russell House, Ottawa, from February 19th to March 7th. This is followed by a charge of $2.50 for two meals and a bed en route to Toronto. The following 16 days from March 8 to 23, inclusive, were spent at Toronto. For these days he charged at the rate of $3.50 a day for three meals and bed. This charge, however, appears to have been disallowed by your department. From March 24 to 31, Mr. Wadsworth was engaged in inspecting the Mount Elgin Institute; during this period he appears from his diary to have taken up his quarters at the hotel at Melbourne, Ont., driving each day to the school. No account, however, is put in for his hotel expenses, in place of which he makes his usual charge of $3.50 a day.

From April 1 to 10, Mr. Wadsworth was engaged in looking after the purchase and shipping of a fire engine for the Qu'Appelle school. Most of this time he was in Toronto, and charges $3.50 as his daily living expenses. On April 11th he left for Winnipeg, reaching there on the 13th. He remained there until the 21st, when he left for Brandon, and from Brandon proceeded to Regina which place was reached on the morning of the 29th. During this period the regular charge of $3.50 is made except for two days spent on the train between Toronto and Winnipeg, for which days the charge of 50 cents for bed is omitted.

On April 30th Mr. Wadsworth left Regina for the Saddle Lake agency *via* Calgary and Edmonton. He stopped at Calgary until May 3rd, and then at Edmonton until

May 9th. On May 9th he hired a man with teams and camp outfit and proceeded to the Saddle Lake agency. He returned to Edmonton on June 6th and remained there until June 15th when he once more went to the agency and was there on June 30th—the date up to which his account is made. His living expenses for this period are charged at the rate of $1 for each meal and 50 for bed.

From May 9th to June 6th, and again from June 15th to the end of the month, Mr. Wadsworth appears from his diary to have been camping. Joseph McDonald was paid $100 for the "use of a span of horses and camping outfit and services as teamster and interpreter" during these 45 days. If a camp outfit was hired at government expense why does Mr. Wadsworth charge the government 50 cents for a bed each night spent in camp? His charges for board between these dates may be summarized as follows:—135 meals for self at $1, 135 meals for teamster at 50 cents. What he should have charged is the actual cost of provisions and other supplies purchased for the camp. Most probably he purchased a supply of provisions on leaving Edmonton. Why were not the amounts so paid put in his account, supported by proper vouchers, instead of charging as he did for each meal.

Among the sub-vouchers accompanying this account of Mr. Wadsworth I find one for a payment of $11.50 on May 9th to the Queen's Hotel, Edmonton. The items of this amount are:

Five days board	$10 00
Horse and rig	1 00
Satchels and valises	0 50
	$11 50

Of these items the two last are the only ones which appear in Mr. Wadsworth's account. The charge of $10 for five days board, which evidently is for the period between his arrival at Edmonton on May 4th and his departure on May 9th, is not entered in the account. In place of this, his charge for each of the five days is as follows:—Breakfast, $1; dinner, $1; supper, $1; bed, 50 cents—total $3.50, a clear overcharge of $1.50 for each of the five days. I cannot understand, in face of the above evident overcharge, how these accounts were ever approved in their present form by the commissioner at Regina and passed by your department here. It seems to me that Mr. Wadsworth's salary should be retained by you until a full investigation has been made.

I am, sir, your obedient servant,

The Deputy Supt. General of Indian Affairs. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, December 10, 1896.

SIR,—I beg to ask your attention to the following analysis of Inspector A. McGibbon's travelling expenses between October 16, 1894, and June 30, 1896. Mr. McGibbon left Regina for Battleford, accompanied by his teamster, E. J. Martin, on the morning of October 16, 1894, on which day he charges $2.80 for 4 meals for self and man, presumedly breakfast and dinner. Arriving at Saskatoon on the afternoon of the same day he remained there or in that vicinity until the 21st, on which day he left for Battleford by stage, arriving there on the 22nd. Between his arrival at Saskatoon and his arrival at Battleford he paid out the following amounts for board, in support of which proper vouchers are furnished:—

Geo. Garrison, Saskatoon—18 meals at 40c.; 6 beds at 30c.	$9 00
W. R. Tucker, Saskatoon—9 meals at 50c.	4 50
D. W. Garrison, Saskatoon—2 meals at 50c.; 2 beds at 50c.	2 00
W. Collie, Baljeannie—2 meals at 50c.	1 00

He remained at Battleford and vicinity inspecting the agency, the Industrial School and the different reserves until December 10, on which day he left for the Onion

Lake Agency. During this period he charges as follows :—meals for self and man for 33⅔ days, 202 meals at 70c.—$141.40 ; meals for self, the man being at the school, 16 days—48 meals at $1, $48. For these payments there are no vouchers nor indication as to whom the payments were made. Mr. McGibbon remained in the Onion Lake agency inspecting the various reserves, schools and the agency itself until January 2, 1895, and charges the following for his living expenses for the 23 days—154 meals for self and man, there being a second man for 5⅓ days, at 70c.—$107.80. There is nothing to show to whom this was paid. The Saddle Lake Agency was the next one inspected, and he remained there until January 21, when he left for Edmonton. His charges for the 19 days at Saddle Lake were 114 meals for self and man at 70c.—$79.80. The work in the Edmonton Agency lasted until March 25 ; his charges here are $6 paid F. Marriaggi at Fort Saskatchewan for 8 meals and 4 beds at 50c., and board for self and man 34 days—204 meals at 70c.—$142.80. The Hobbema Agency was the next one visited and the inspection of this agency and of the Red Deer Industrial School ended on March 28th. The charges in this case are board for self and man 30 days, 180 meals at 70c.—$126. In this case I find no charge for board for March 6th. Between March 29th and July 6th, Mr. McGibbon was occupied in making up reports, etc., at Calgary, and inspecting the St. Joseph's Industrial School and the Sarcee, Blood, Blackfeet and Peigan agencies, his teamster returning to Regina on April 10th. His charges for living expenses during this period are as follows :

4 meals for self and man en route to Calgary	$ 2 80
Alberta Hotel, Calgary—board for self 20½ days at $3	61 50
do do board for man 3½ days at $2	7 00
Dunbow Industrial School, board for self 11 days at $1	11 00
do do board for man 9 days at $1	9 00
Queen's Hotel, Macleod, board for self	10 75
Board for self, no voucher—60 days at $3	$180 00
Meals on dining car returning to Regina	2 50

On July 15, 1895, Mr. McGibbon left Regina and proceeded to the Touchwood Agency by way of Fort Qu'Appelle. On August 1st he returned to Fort Qu'Appelle from Touchwood and remained there working on his annual report until August 17th, when he again left for Touchwood, returning to Fort Qu'Appelle on August 25th ; he then remained at Fort Qu'Appelle working on his annual report until September 7th, on which day he returned to Regina. During the whole of this period of 55 days Mr. McGibbon charges $3.50 day by day for three meals and bed, a total of $192.50.

On September 11th, Mr. McGibbon again left Regina and proceeded to Brandon, returning to Regina on October 4 ; his charges are 3 meals and bed for three days at $3.50, 3 meals per day for 21 days, at $3. During this period he was in charge of the Brandon school, during the absence of the principal, and accordingly makes no charge for beds.

The periods October 28 to November 2, November 4, November 6-14 were spent at the Regina Industrial School. For each of these 16 days there is a charge $3.50 for 3 meals and bed.

On November 14 Mr. McGibbon left Regina for Elkhorn and remained there until November 26th, when he went on to Winnipeg and remained there until December 4th. The time between December 4th and December 10th was spent at Elkhorn and Brandon, and on the morning of December 11th he returned to Regina. His charges for living expenses on this trip are also $3.50 for each of the 26 days he was absent from Regina.

Between December 12th and 19th Mr. McGibbon again visited the Regina Industrial School and charges living expenses at the rate of $3.50 a day for each of the 8 days.

On December 19th Mr. McGibbon left for Winnipeg, and from there proceeded to the St. Paul's Industrial School. He returned to Regina on February 29th. During this period of 72 days some 58 days were spent at St. Paul's School, the remaining 14 days being spent at Winnipeg and on the return journey to Regina. The charges are

$3 each day at St. Paul's School for 3 meals, and $3.50 for 3 meals and bed for each of the other days.

The period between March 5th and April 17th, 1896 was spent at the Crooked Lake agency. On April 18th he left this agency and proceeded to Elkhorn, where he remained until April 28th. On April 29th he left Elkhorn for Qu'Appelle and remained there until May 4th, when he returned to Regina and went immediately on from there to Battleford, remaining in that vicinity for the remainder of the fiscal year inspecting the agency, industrial school and reserves. For each of the 118 days included between March 5th and June 30th, he charges $3.50 for three meals and bed.

The criticism I have already applied to Inspector Wadsworth's accounts is equally applicable to the accounts of Inspector McGibbon It is impossible for me to accept these accounts in their present shape. No one of even the most ordinary intelligence can for one moment believe that these gentlemen while travelling from place to place through the North-west paid out $1 for each meal and 50c. each night for a bed. The accounts accordingly do not show the actual living expenses as required by the Order in Council of February 6th, 1893.

It is possible that these inspectors may claim that the actual amounts expended by them at least equals the total amount claimed by them. If so, let them put in their accounts showing their actual expenditure supported by proper vouchers for supplies purchased for camp and for payments for board and lodging. The Order in Council already referred to does not grant an officer travelling his actual expenses, but only his actual *reasonable* expenses. In a country where other public officers travel at a cost of from $1 to $2 a day, a charge of $3.50 a day cannot be considered "reasonable."

I notice in Mr. McGibbon's accounts that on the following nights he charges his usual rate of 50c. for a bed in addition to the payments for a berth in the sleeping cars: September 11th, October 4th, November 14th, November 27th, December 4th, December 19th, 1895, and February 29th, April 20th and April 29th, 1896. I also notice that on July 15th, 1895, when proceeding to Qu'Appelle, and again on September 11th, 1895, when proceeding to Brandon, he charged $3 each day for 3 meals, while the train leaves Regina for the east at about 7 p.m.

Mr. McGibbon spent some 28 days in August and September, 1895, at Fort Qu'Appelle, making up his annual report. Fort Qu'Appelle is 18 miles distant from Qu'Appelle station, and the latter is not two hours journey by rail from Regina—his headquarters. Would it not have been in the interests of public economy for Mr. McGibbon to have gone to Regina to prepare this report?

An early reply to this letter as well as to that dealing with Mr. Wadsworth's expenses will greatly oblige in order that it may be published with my letters in my forthcoming report.

I would suggest that in this case, as in that of Mr. Wadsworth, the salary be retained until the amount overpaid on this account has been determined and has been refunded to the Government.

I am, sir, your obedient servant,

The Deputy Supt. General of Indian Affairs. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF INDIAN AFFAIRS, OTTAWA, February 8, 1897.

SIR,—Referring to your letters to the department of the 5th and 10th December last, I have the honour to inform you that the correspondence dealing with the travelling expenses of Chief Inspector Wadsworth and Inspector McGibbon, having been referred to the Superintendent General the course heretofore pursued by the department in connection with the accounts of these officers is not approved of by him. Immediate steps will, therefore, be taken to have the accounts revised. Will you suggest rates which you consider fair, as a basis of a settlement.

I am, sir, your obedient servant,

The Auditor General. HAYTER REED, *D.S.G.I.A.*

AUDIT OFFICE, OTTAWA, February 10, 1897.

SIR,—I beg to acknowledge receipt of your letter of the 8th inst., with reference to the travelling expenses of Inspectors Wadsworth and McGibbon, in which you ask me to suggest rates which I consider fair as a basis of settlement of the accounts in question. In establishing such rates I would refer you to the charges by Inspector McColl and by the post office inspectors of Winnipeg.

Inspector McColl left Winnipeg on July 9th, 1895, accompanied by four canoeman, &c., the party returned to Winnipeg September 3rd. For this period of 56 days the living expenses charged for the whole party of 5 amount to only $114.08, or an average of about 40 cents each per diem.

Post Office Inspector W. W. McLeod expended $14 for 7 days for living expenses, an average of $2 per diem; assistant Post Office Inspector A. W. Cairns spent $28.40 for living expenses in 30 days—an average of 94⅔ cents; assistant Post Office Inspector H. H. Phinney spent $202.25 during trips extending over 120 days—an average of $1.68. These officers during these trips did not camp, but stopped at hotels and other stopping places.

Taking these charges into consideration, in addition to those which have already been communicated to your department, I am of opinion that the following would be a fair basis of settlement of these accounts, viz.: $2 per diem when stopping at hotels or other lodging places, $1 per diem when camping, the settlement on this basis to apply from and after July 1, 1893, and no allowance to be made for time spent making out reports away from Regina, when such work might have been done without loss of time at Regina.

These arrangements would of course only apply to the old accounts, those for the current year and all future accounts to be made out on a strict basis of actual expenses, supported by proper vouchers.

I am, sir, your obedient servant,

The Deputy Supt. Gen. of Indian Affairs. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, February 16, 1896.

SIR,—In connection with my letter of the 10th inst. with reference to the settlement of the accounts of Inspectors Wadsworth and McGibbon, I find that I omitted to say that when travelling by rail the regular charge may be allowed for meals taken in the dining car instead of the rate of $2.00 per diem.

I am, sir, your obedient servant,

The Deputy Supt. General of Indian Affairs. J. L. McDOUGALL, *A.G.*

Order in Council Required for Temporary Employees.

AUDIT OFFICE, OTTAWA, October 22, 1896.

SIR,—I have to-day received a copy of an Order in Council continuing the employment until 31st December, 1896, of certain of your temporary employees. I notice, however, that the majority of your temporary employees, who are employed in the Technical Branch, were employed under authority of an Order in Council, dated August 16, 1892. As no limit to the duration of their service was set by this Order, they have been continuously employed from that date without a renewal of the Order.

I am of opinion, however, that the sanction of the present government should be obtained for the continuance of the employment of the gentlemen referred to, and have accordingly to request that you obtain a new Order in Council authorizing their employment. Kindly have this attended to at your earliest convenience.

I am, sir, your obedient servant,

The Deputy Minister of Interior. J. L. McDOUGALL, *A.G.*

INTERIOR DEPARTMENT, OTTAWA, November 24, 1896.

SIR,—I have the honour to acknowledge the receipt of your letter of the 22nd ultimo, with regard to the temporary clerks who are employed in the Technical Branch of this department under the authority of the Order in Council of the 16th August, 1892, and in which you express the opinion that the sanction of the present government should be obtained for the continuance of the employment of the gentlemen referred to. In reply I beg to inform you that I have submitted your letter to the acting minister, who has examined the Order in Council above mentioned and does not concur with you in the opinion that it is necessary that a new Order in Council should be obtained.

I am, sir, your obedient servant,

The Auditor General. A. M. BURGESS, *D.M.I.*

AUDIT OFFICE, OTTAWA, November 27, 1896.

SIR,—I beg to acknowledge receipt of your letter of the 24th inst. (ref. No. 214985) in reply to mine of the 22nd ultimo with regard to the temporary clerks who are employed in the Technical Branch of your department under authority of an Order in Council of August 10, 1892.

In reply I beg to say that although the Order in Council under which they have been recently paid did not fix any date when their services were to terminate, their tenure of office is in no respect more stable than that of other temporary clerks.

Whatever right there was before the change of government to look upon the assent of the government as continuous until it was formally withdrawn, there is no ground for assuming the consent of a government all the members of which are different from those who formed the Government which assented to the employment. Indeed there is no evidence that any member of the present goverment except the acting minister of the Interior has had the matter brought to his attention.

When another Order in Council is passed authorising the employment of the persons to whom reference is made, be good enough not to name the expiration of the term of service as later than the end of the fiscal year.

If the services should be longer required their employment might be dealt with by a renewing order.

I am, sir, your obedient servant,

The Deputy Minister of Interior. J. L. McDOUGALL, *A.G.*

Employees Contributing to Superannuation Fund Without Due Authority.

AUDIT OFFICE, OTTAWA, March 25, 1896.

SIR,—I notice from your monthly cheque lists that you are still deducting the superannuation abatement from the salaries of the undermentioned officers, viz.: Messrs. Brokovski, Ferguson, Flesher, Higginson, Hoolahan, McKenzie, Phipps, Taylor, and Mrs. Scott.

I have more than once drawn your attention to this irregularity (vide correspondence, page G—67 of my report for 1893-94, and page H—64 of my report for 1894-95.

If it is impossible to get the authority of Council to place these officers on the list of those authorized to participate in the benefits of the Superannuation Act, you should at once cease making the deductions, and refund to them the amounts already deducted.

I should also like to know what disposal has been made of the Receiver General's cheques issued in favour of these officers for the deductions made in 1893-94 and in 1894-95.

I am, sir, your obedient servant,

The Deputy Minister of Interior. J. L. McDOUGALL, *A.G.*

INTERIOR DEPARTMENT, OTTAWA, April 7, 1896.

SIR,—I beg to acknowledge the receipt of your letter of 25th ultimo, with reference to the superannuation abatement deducted from the salaries of Messrs. Brokovski, Ferguson, and other members of the staff of the outside service of this department. I quite agree in what you say on this subject, but I hope that the matter will be arranged very shortly. The officials mentioned understand perfectly well that although the deductions are being made from their salaries they are being made without authority, and that it does not alter their status or the legal or moral effect of their claims to any extent, or in any degree whatever.

I am, sir, your obedient servant,

The Auditor General. A. M. BURGESS, *D.M.I.*

AUDIT OFFICE, OTTAWA, August 19, 1896.

SIR,—With reference to the question of the abatements for superannuation made from the salaries of certain of your officers in the outside service, I beg to say that I am to-day authorizing the transfer asked for by you on July 3rd last, for such officers as were appointed prior to June 2, 1886. For those officers who were appointed subsequent to that date, I am authorizing the issue of Receiver General's cheques for the amount of the abatements made from their salaries, for the fiscal year 1895-96. These cheques are as follows:—

IMMIGRATION.

J. Hoolahan	$24 00

DOMINION LANDS.

E. H. Taylor	$24 00
Mrs. M. R. Scott	12 00
John Flesher	24 00
T. B. Ferguson	24 00
E. Brokovski	24 00
John McKenzie	28 00
T. S. Higginson	33 00
C. E. Phipps	2 00

What is the explanation of the fact that the similar cheques issued for previous years have not been presented for payment?

I am, sir, your obedient servant.

The Deputy Minister of Interior. J. L. McDOUGALL, *A.G.*

INTERIOR DEPARTMENT, OTTAWA, August 26, 1896.

SIR,—Referring to the last paragraph of your letter of the 19th instant, with respect to the question of the abatements for superannuation made from the salaries of certain officials in the outside service of this department, I am directed to say that Mr. Burgess is bringing the matter again to the attention of the government.

I am, sir, your obedient servant,

LYNDWODE PEREIRA,

The Auditor General. *Asst. Secy.*

Explanation of Certain Payments at Halifax Immigration Office.

AUDIT OFFICE, OTTAWA, August 21, 1896.

SIR,—I have to ask for further information with regard to certain items in the contingent accounts for 1895-96, of Mr. E. W. Clay, immigration agent at Halifax.

October voucher, No. 21, is for a payment of $42.50 to C. C. Rogers, of Halifax, for 34 weeks' rent of rooms to Nov. 1. Kindly inform me for what purpose these rooms were used.

December voucher, No. 38, is for a payment of $90.50 to J. K. Munnis, for three suits of uniforms and one overcoat. I would like to know for what officers these were obtained.

April voucher, No. 76, is for a payment of $125 to W. S. Munnis for services during the season 1895-96. Kindly inform me of the nature of the services performed by Mr. Munnis, and also how the amount of the remuneration was arrived at.

I am, sir, your obedient servant,

The Deputy Minister of Interior. J. L. McDOUGALL, *A.G.*

INTERIOR DEPARTMENT, OTTAWA, August 25, 1896.

SIR,—I am directed to acknowledge the receipt of your letter of the 21st instant, asking for further information with regard to certain items in the contingent accounts for 1895-96 of Mr. E. M. Clay, immigration agent at Halifax.

With regard to voucher No. 21, for $42.50, paid to Mr. C. C. Rogers, of Halifax, for 34 weeks' rent of rooms, I am to say that these rooms were used for storing furniture saved from the immigration building at Halifax when it was destroyed by fire.

The uniforms referred to in voucher No. 38, were the usual winter uniforms furnished annually to the agent and his assistants, and the overcoat referred to was for Guardian McDougall, who was employed for the winter months.

The sum of $125 paid to Mr. W. S. Munnis was for his services as money changer to the immigrants at the Halifax agency.

In this connection I am to make the following quotation from a report of Mr. Inspector Gordon, dated April 11, 1894: "The changing of money is acceptably attended to by Mr. W. S. Munnis. He is somewhat discouraged with the small remuneration it gives him, and there is every likelihood of his giving the work up. He has attended every boat but one landing through the season and reports that his profits up to the 30th ultimo amounted to $34.98. The difficulty experienced by the department in securing this convenience for new arrivals will be remembered, and it would, I think, be a mistake to allow Mr. Munnis to withdraw.

"He expressed his willingness to continue the work and at the same time give a better rate of discount provided he is given an allowance of $2.50 a boat, or $125 for the season."

I am, sir, yaur obedient servant,

Services and Expenses of Hon. T. M. Daly, *re* Immigration.

AUDIT OFFICE, OTTAWA, May 13, 1896.

SIR,—I have an Order in Council authorizing payment to Hon. T. Mayne Daly, of $2,500, for services and expenses in connection with immigration during the remainder of the financial year. In my view it is necessary that the sum for expenses should be confined to outlay by Mr. Daly on the service, and that Council should state the sum to be paid for services. You will of course understand that under any circumstances advances by your department must be confined to probable expenses as required from time to time; and that payment for services, whether the balance of the $2,500, or the sum which as I think should be fixed specially by Order in Council, should only be made after service for the amount to be paid has been performed. I write now because from our conversation of yesterday, I not having then come to very definite views on the extent of the advances which might be made, you might make payments which it would appear to be my duty to criticize as having been made too soon.

I am, sir, your obedient servant,

The Deputy Minister of Interior. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, August 1, 1896.

SIR,—With further reference to my letter of May 13th last, respecting the Order in Council of May 9th, authorizing the payment of $2,500 to Hon. T. Mayne Daly, for services and expenses in connection with immigration, I beg to say that I find that payments amounting to $2,483.98 have been made to Hon. Mr. Daly for this service. As Mr. Daly has returned to Canada, I have now to ask that a detailed statement of his expenses be furnished me.

I am, sir, your obedient servant,

The Deputy Minister of Interior. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, November 12, 1896.

SIR,—I beg to remind you that as yet I have received no answer from you to my letters of May 13th, 1896, and August 1st, 1896, with reference to the payments to Hon. T. Mayne Daly for services and expenses in connection with immigration. I should like to have an answer to these letters, and any statement of Hon. Mr. Daly's expenditure that you may have, at your earliest convenience.

I am, sir, your obedient servant,

The Deputy Minister of Interior. J. L. McDOUGALL, *A.G.*

INTERIOR DEPARTMENT, OTTAWA, November 28, 1896.

SIR,—I beg to acknowledge the receipt of your letter of the 12th instant, with reference to payments to the Hon. T. Mayne Daly for services and expenses in connection with immigration, and to say that your communication will be brought to the attention of the acting minister of the Interior immediately.

I am, sir, your obedient servant,

The Auditor General. A. M. BURGESS, *D.M.I.*

Expenses of Destitute Immigrants.

AUDIT OFFICE, OTTAWA, October 20, 1896.

SIR,—Immigration cheques, Nos. 5851 and 5852, of June last, are for payments (amounting to $40) for fares and expenses of Mrs. U. Lowther and family from Ottawa to Spring Hill Mines, N.S. Kindly let me know all the particulars of these payments, together with an explanation of their being a charge against the Immigration Vote.

I am, sir, your obedient servant,

The Deputy Minister of Interior. J. L. McDOUGALL, *A.G.*

INTERIOR DEPARTMENT, OTTAWA, October 23, 1896.

SIR,—I am directed to say in answer to your letter of the 20th instant, that the sum of $36.45 was expended in the purchase of railway tickets, and $3.55 for living expenses en route, for the purpose of enabling Mrs. Lowther, a poor immigrant widow and her family, to proceed to Spring Hill Mines, Nova Scotia, where she and her son were offered work, and in order to prevent them from becoming a charge upon the community. Mrs. Lowther agreed to return the money in small monthly payments.

I am, sir, your obedient servant,

The Auditor General. LYNDWODE PEREIRA, *Asst. Secy.*

Expenses of Five Indians from London, Eng., to Brantford, Ont.

AUDIT OFFICE, OTTAWA, September 23, 1896.

SIR,—During the month of July, 1895, the following cheques were drawn against the Immigration Vote by the High Commissioner at London, in connection with the sending back five distressed Indians to Brantford, Ont.:

	£	s.	d.
Cheque 11180, J. G. Colmer, living expenses of Indians....	2	10	0
" 11206, John Dyke, G. W. Bowles, account for board, &c., for Indians.....	2	9	0
" 11207, J. G. Colmer, miscellaneous expenditure *re* Indians.....	0	14	2
" 11208, Canadian Pacific Railway, passage of five Indians, London to Brantford, Ont...	21	18	9
	£27	11	11

These expenses were, so far as I can see, in no way connected with the Immigration service, and it therefore seems impossible to allow them to remain as a charge against the vote for immigration; which will therefore have to be recouped in some way for this expenditure.

I am, sir, your obedient servant,

The Deputy Minister of Interior. J. L. McDOUGALL, *A. G.*

INTERIOR DEPARTMENT, OTTAWA, September 24, 1896.

SIR,—Referring to your letter of the 23rd instant, requesting that the Immigration Vote for the last fiscal year should be re-couped for cheques drawn against that vote by the High Commissioner in July, 1895, to meet expenses incurred in connection with the sending back of five distressed Indians to Brantford, Ontario, I am directed to inclose

herewith a requisition asking that the amount $134.30, so charged to immigration, be transferred to the debit of "Miscellaneous; relief of distressed Canadians, 1895-96."

I am, sir, your obedient servant,

The Auditor General. LYNDWODE PEREIRA, *Asst. Secy.*

AUDIT OFFICE, OTTAWA, September 28, 1896.

SIR,—I beg to acknowledge receipt of your letter of the 24th instant (file No. 24282) regarding the payments amounting to £27 11s. 11d., or $134.40, made by the High Commissioner, in July, 1895, in connection with the sending back of five distressed Indians to Brantford, Ontario. These Indians appear to be identical with the five Indians who were left destitute at Vienna, and whose expenses from that city to London, amounting to £16 9s. 11d., were paid out of the vote for "relief of distressed Canadians in foreign countries" as per Order in Council of Oct. 18, 1895. Their names are James Dick, James Sunday, Joe Silversmith, William John, and John Charles, belonging apparently to the Six Nations band.

I have been given to understand that the Indian Department are in favour of paying both these amounts out of the moneys held by the government on behalf of these Indians. I would, therefore, suggest that you have the Order in Council authorizing the payment of the expenses from Vienna to London cancelled, and that you request the Indian Department to transfer the amount of $134.30 to the credit of the Immigration Vote, and $80.28 to the credit of the vote for relief of distressed Canadians. I have to request your earliest attention to this matter, in order that the accounts for the past fiscal year may be closed as soon as possible.

I am, sir, your obedient servant,

The Deputy Minister of Interior. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, November 4, 1896.

SIR,—With further reference to our correspondence on the subject of the Indians whose expenses from England to Canada were advanced out of the Immigration Vote by the High Commissioner, I beg to say that I have now authorized the entry asked by you on September 24, transferring the amount of $134.30 from the Immigration Vote to the Vote for Distressed Canadians.

This transfer has been made simply to relieve the Immigration Vote of a charge in no way connected with the immigration service. It will not, however, alter my opinion that a repayment should, if possible, be obtained from the Indian Department. If such repayment should hereafter come to account it will be necessary to credit it to Casual Revenue.

I am, sir, your obedient servant,

The Deputy Minister of Interior. J. L. McDOUGALL, *A.G.*

Extra Pay to R. F. Harris, a Permanent Employee of Justice Department.

AUDIT OFFICE, OTTAWA, October 15, 1896.

SIR,—Among the expenditure incurred by Lieutenant-Governor Mackintosh during the past fiscal year on account of government in the North-west Territories, I find a payment of $12.24 made on Feb. 8, 1896, to Robert F. Harris, for typewriting done at Ottawa. Mr. Harris is a permanent clerk in the Civil Service, employed in the Justice Department, and as such is debarred by the Civil Service Act from receiving payment for any service over and above his regular salary. This payment therefore is illegal. I have accordingly to ask you to obtain a refund from Mr. Harris of the amount of $12.24.

I am, sir, your obedient servant,

The Deputy Minister of Interior. J. L. McDOUGALL, *A.G.*

INTERIOR DEPARTMENT, OTTAWA, October 21, 1896.

SIR,—Referring to your letter of the 15th instant with respect to a payment of $12.24 made by His Honour Lieutenant Governor Mackintosh to Mr. Robert F. Harris, I am directed to say that the matter has been referred to Mr. Gordon, His Honour's secretary, for the necessary action.

I am, sir, your obedient servant,

The Auditor General. LYNDWODE PEREIRA, *Asst. Sec.*

INTERIOR DEPARTMENT, OTTAWA, November 17th, 1896.

SIR,—Referring further to your letter of the 15th ultimo with respect to a payment made by His Honour the Lieutenant-Governor Mackintosh to Mr. Robert F. Harris, a permanent clerk in the Justice Department, I am directed to say that a communication has just been received from His Honour's Secretary, stating that Mr. Harris has been informed that you have asked for a refund of $12.24, the amount of the payment in question.

I am, sir, your obedient servant,

The Auditor General. LYNDWODE PEREIRA, *Asst. Sec'y.*

Double Payment for Knives for Government House, Regina.

AUDIT OFFICE, OTTAWA, October 15, 1896.

SIR,—Lieut.-Governor Mackintosh's cheque, No. 172, of 1895-96, is for a payment of $13.50 to W. D. Taylor of Winnipeg, for 3 doz. ivory handled table knives at $4.50 per doz. Mr. Taylor's account is dated July 29, 1895. I also find that on Dec. 16, 1895, the Public Works Department issued a cheque (No. 4914) for $13.50 in favour of W. D. Taylor, for 3 doz. ivory handled table knives at $4.50 per doz., supplied to Government House, Regina. In this case Mr. Taylor's account is dated July 27, 1895.

In consequence of the striking similarity of these two payments, I have to ask you to ascertain whether one or two cons gnments of table knives were received at Government House during the latter part of July, 1895. If only one was received, Mr. Taylor should be asked to refund the overpayment of $13.50. If, however, two consignments were received, I should like an explanation of the fact that one lot was paid for out of the vote for Expenses of the Lieutenant-Governor's Office, while the other lot was paid for out of the Public Works vote for Public Buildings, North-west Territories.

I am, sir, your obedient servant,

The Deputy Minister of Interior. J. L. McDOUGALL, *A.G.*

INTERIOR DEPARTMENT, OTTAWA, October 21, 1896.

SIR,—Referring to your letter of the 15th instant, with respect to an apparent overpayment by His Honour Lieutenant-Governor Mackintosh to W. D. Taylor, in connection with an account for $13.50 for ivory handled table knives, I am directed to say that the matter has been brought to the attention of Mr. Gordon, His Honour's secretary, with a view to the necessary action being taken.

I am, sir, your obedient servant,

The Auditor General. LYNDWODE PEREIRA, *Asst. Secy.*

INTERIOR DEPARTMENT, OTTAWA, November, 14, 1896.

SIR,—Referring further to your letter of the 15th ultimo, with respect to an overpayment by His Honour Lieutenant Governor Mackintosh to W. D. Taylor in connection with an account for $13.50 for ivory-handled table knives, I am directed to say that a communication has just been received from His Honour's Secretary, in which it is stated that Mr. Taylor has forwarded $13.50 to the Department of Public Works in refund of the overpayment.

I am, sir, your obedient servant,

The Auditor General. JOHN R. HALL, *Sec'y.*

Payment of $2,000 to Rev. Father Lacombe for aid to Half-Breeds.

AUDIT OFFICE, OTTAWA, November 11, 1896.

SIR,—At the first session of Parliament in 1896, the amount of $2,000 was appropriated "To provide for the purchase of seed grain and implements in connection with "the scheme for improving the condition of the half-breeds in the North-west Territories." I find that this amount was paid *en bloc* in June last to Rev. Father Lacombe. Kindly furnish me with a copy of any Order in Council there may be referring to this matter. I would also ask whether Father Lacombe has furnished any statement of his expenditure of this item.

I am, sir, your obedient servant,

The Deputy Minister of Interior. J. L. McDOUGALL, *A.G.*

INTERIOR DEPARTMENT, OTTAWA, November 17, 1896.

SIR,—I beg to acknowledge the receipt of your letter of the 11th instant, with reference to the payment of $2,000 to the Rev. Father Lacombe. I may say that on the 28th of December, 1895, an Order in Council was passed approving of a recommendation that an appropriation of $2,000 should be asked from Parliament to be expended "under the direction and supervision of the Minister of the Interior in providing seed grain and implements for the most needy of the Half breeds who might join Father Lacombe's colony during what is now the current financial year." I have asked the Clerk of the Privy Council to furnish you with a certified extract of so much of the Order in Council in question as has relation to this sum of $2,000. The appropriation was duly made by Parliament, as mentioned in your letter, and thereafter the amount was paid to Father Lacombe. He has forwarded a statement of how the money has been expended so far, which is to the effect that agricultural implements and seed grain (550 bushels) have been purchased out of this grant to the amount of $507.93. I have asked Father Lacombe for a more specific statement of the expenditure, and will advise you of its purport when received.

I am, sir, your obedient servant,

The Auditor General. A. M. BURGESS, *D.M.I.*

Unsettled Survey Accounts.

AUDIT OFFICE, OTTAWA, November 11, 1896.

SIR,—I have not yet received the following accounts for Dominion Lands Surveys:

H. C. Dickson, correction, 1894	$5,238 25
Wm. Ogilvie, Yukon district, 1895	2,751 30

Kindly explain the delay in the closing of these accounts.

I also beg to ask whether any further steps have been taken towards the final settlement of the following long outstanding accounts to which your attention has been several times directed :

A. McNab, contract No. 1, 1880	$1,000 00
A. L. Poudrier, timber limits, 1881	1,000 00
L. J. E. Garon, contract 7, 1882	1,188 02
H. Lawe, contract 12, 1882	1,512 00
C. H. Davis, contract 24, 1882	1,133 34
John Hill, contract 28, 1882	1,500 00
Francis Jones & Co., contracts 36, 37 and 38, 1882	6,000 00
E. C. Dawson, contract 59, 1883	5,853 12
A. J. Tremblay, contract 11, 1892	1,008 00

I also notice that according to the accounts forwarded me the amount of $21.50 appears to be still due Mr. L. Gosselin on his survey contract No. 4 of 1882. Kindly explain why this account has not been closed.

I am, sir, your obedient servant,

The Deputy Minister of Interior. J. L. McDOUGALL, *A.G*

*Refund of amount paid years ago for land that was not patented to him, as it was required for canal purposes.

†A refund cheque was issued January 12th, 1893, in favour of S. Colt. It was refused and re-deposited in 1894-95, (see Audit Report, 1894-95, page G—107). This amount is now reissued.

Re Surveys—Manitoba and North-western Railway Co.

AUDIT OFFICE, OTTAWA, August 22, 1896.

SIR,—According to a memo., date of December 3, 1895, received with your letter of January 16 last, the Manitoba and North-western Railway Co. owed a balance of $9,601.74 for its share of the cost of surveys of lands patented to June 30, 1895.

I do not find that any payment of this amount has since come to account, and I shall be glad to hear further from you in reference thereto.

I assume there is now a further amount due for the company's share of the cost of surveys of land patented to June, 1896.

I am, sir, your obedient servant,

The Deputy Minister of Interior. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF THE INTERIOR, OTTAWA, September 16, 1896.

SIR,—Referring to your letter of the 22nd ultimo, with respect to the Manitoba and North-western Railway Company, I am directed to say that that company still owes $9,601.74 for its share of the cost of surveys of lands patented to the 30th of June, 1895.

I am to add that there is nothing owing by the company for survey fees in connection with lands patented during the fiscal year 1895-96, as the $12,304.79, received from the company, and which appears in the usual Revenue statements sent to the Audit Office, covers the company's share of survey fees for lands patented during the last fiscal year.

I am, sir, your obedient servant,

The Auditor General. LYNDWODE PEREIRA, *Asst. Secy.*

Re Seed Grain Advances.

DEPARTMENT OF THE INTERIOR, OTTAWA, January 21, 1896.

SIR,—Referring further to your letter of the 18th July last, in which you called attention to the amount outstanding for advances of Seed Grain in the North-west Territories, I have the honour, by direction, to inform you that the Commissioner of Dominion Lands has reported in this relation that according to his records the expenditure in connection with seed grain advances may be classified under the following heads :

——	1886.	1887.	1890.	1894.
	$ cts.	$ cts.	$ cts.	$ cts.
Cost of grain	10,887 00	83,666 38	29,999 95	42,610 48
Cost of freight and sacks	19,067 74	17,620 71	1,352 18	6,369 27
Cost of Administration	1,912 72	6,828 61	870 49	522 37
Totals	31,867 46	108,115 70	32,222 62	49,502 12

In the spring of 1886 it was found necessary, in order to relieve the destitution of settlers resident on the North Saskatchewan, arising from losses caused by drought and prairie fire, to provide seed for the purpose of sowing the land which they had ready for crop, and this grain had to be transported over-land from Qu'Appelle and Indian Head at a cost of about 3½ cents per lb., thus bringing the cost of a bushel of wheat, when delivered at Prince Albert, to $2.69.

In 1887, a further advance was made at Prince Albert as well as in Assiniboia and at Battleford, and in 1888 to the settlers at Edmonton, the grain intended for the settlers on the North Saskatchewan being again transported over-land at heavy expense, and it will be observed that the total cost of grain is, in round numbers, only two-thirds of the total outlay in connection with the advances of 1886 and 1887.

I am to call your attention to the fact that in your letter now under reply, the total disbursements, including cost of freighting and administration, are compared with the total cash receipts, and this shows that not much more than one-fourth of the amount disbursed between 1886 and 1894 has been received. This gives an incorrect impression as to the proportion of the actual repayments received in grain, as the settlers were not required to repay the cost of freighting and administration, which in the advances of 1886 and 1887 amounted to $45,429.78.

The following is a schedule of outstanding advances made in 1886 to 1888, and 1890 :—

Year.	Security.	Obligants.	Amount.	—
			$ cts.	
1886-88..	Lien.....	426	14,554 48	With int. at 6 p. c. from 1st April in the year following that in which advance was made.
"	Bond.....	251	9,597 86	do do
1890....	Lien.....	519	10,096 75	With int. at 6 p.c. from 1st April, 1891.
"	Bonds.. . ..	381	8,105 18	do do
Total.....	....	1,577	42,354 27	

The total advances made in those years were as follows, omitting in the cost of the grain any expenses for freight and administration :—

Year.	No. of Applicants.	Wheat.	Oats.	Barley.	Potatoes.	Total.	Cost.
1886.....	345	3,718	4,792	2,986	.....	11,406	$10,035 84
1887.....	2,282	44,607	61,411	12,739	938	119,698	77,141 60
1890.....	1,460	24,992	13,770	495	198	39,455	29,999 95
Total.....	4,087	73,317	79,973	16,220	1,136	170,559	$117,177 39

It will therefore be observed that of the 4,087 settlers who obtained advances in the years above referred to, only 1,577 are still obligants to the Government for all, or part of, the advance received, and from 945 of these security is held in the shape of a lien which binds the land for which the settler holds entry.

I am further to explain that as regards the advances of 1886 and 1887, from the 1st of April, 1888, to the 1st of January, 1889, repayment was accepted at the then

current market price, being 50c. for wheat, 30c. for oats, and 35c. for barley, the actual cost of these varieties of seed grain purchased in 1887 being 70c., 58c. and 75c. respectively.

Up to the 1st of January, 1890, the prices were fixed at 60c., 45c. and 35c., and during the year 1890 the current market price was charged for advances of 1886 and 1887, which were then repaid. Since the 1st of January, 1891, the terms on which the advances of 1887 were granted have been enforced, and the cost price, with interest, has been collected. Notices were sent to each obligant conveying information as to the terms on which the extensions above mentioned were granted.

In view of the very favourable result of last year's harvest throughout the Northwest, it is proposed to issue notices immediately to all the principal obligants on securities taken from 1886 to 1894, requiring payment of their liability, and it is hoped that this action may result in a considerable reduction of the indebtedness to the Government.

I am, sir, your obedient servant,

The Auditor General, LYNDWODE PEREIRA, *Asst. Secy.*

Re Board of Examiners of Dominion Land Surveyors.

DEPARTMENT OF THE INTERIOR, OTTAWA, February 5, 1896.

SIR,—In your letter of the 18th November last, you ask the following questions respecting the Board of Examiners for Dominion Land Surveyors :—

1. What disposal is made of the Secretary's fees ?
2. Were there no candidates in 1894-95 for the preliminary examination ?

In reply to the first question, I have the honour to state that the Secretary's fees are kept by the Secretary, as provided by statute.

To the second question, the answer is that there were no candidates for preliminary examination in 1894-95.

You transmit with your letter a statement of the receipts and expenditures during the last eight years, showing the latter to be $4,989.78 in excess of the former, and you say that you will be glad to hear from me further on this subject. The object of your remarks, if I understand them correctly, is to show that the cost of the Board is out of proportion to its usefulness. I beg to remind you that the Board is instituted by law, and that the payments made and fees collected are those which the law directs to be paid and collected. I am quite willing to afford every information in my power which may be necessary to a proper understanding of the accounts of the Board. But if my apprehensions of the purpose of your correspondence on this subject is accurate, the question involved is not a question of audit, but of public policy, which would not come within the proper sphere of any discussion which you and I would be authorized by the Audit Act to conduct. However, as your letter will no doubt be published in your report, it is perhaps as well that I should furnish you with the following information, which may be published at the same time and in the same blue-book.

Let me first transmit a corrected statement of the receipts and expenditures of the Board since its inception, which shows the net cost to be $4,661.06 for twenty years instead of $4,989.78 for eight years as would appear from your figures.

The Board was not instituted for the purpose of raising a revenue ; its object, and it is an important one, is to prevent the waste of public money by the employment of incompetent surveyors. The Surveyor General has pointed out to me a case—and it is not a solitary one—in which a surveyor who had been relieved by law from the necessity of passing the ordinary examination, caused through his lack of requisite qualifications a loss to the Government of over $6,400—much more than the net cost of the Board for twenty years. This is only the financial side of the case, and does not take into account the worry, quarrels and law-suits due to this man's defective surveys. The Board's

examination has prevented the employment of many such men; on an expenditure of several millions of dollars, the saving has certainly been considerable and out of proportion to the cost of the Board as shown by the corrected account now transmitted.

I am, sir, your obedient servant,

The Auditor General. A. M. BURGESS, *D.M.I.*

AUDIT OFFICE, OTTAWA, March 27, 1896.

SIR,—I have received your letter of the 5th February, in reply to mine of the 18th November, in reference to the expenses and fees of the Board of Dominion Land Surveyors.

I regret that I have not been able to comply with your request that your letter should appear in the Report of 1894-95. The part containing the transactions of your department was presented to Parliament before the receipt of your letter.

You state that the Secretary's fees are kept by him, as provided by statute. I have to request that a return be furnished from time to time of the fees so collected and retained by the Secretary.

You are mistaken in thinking that I had any idea of showing that the cost of the Board is out of proportion to its usefulness. I did think it desirable to have some explanation why the expenses were so great compared with the number of candidates examined. The accounts of 1894-95 show that the Secretary and two examiners were paid for 16 days' services, two examiners for 15, one for 9 and one for 8. The fees that came to account were for two candidates for final examination, and you state in your letter there were no candidates for the preliminary examination.

Unless there were some other duties performed by the board, of which you have not made any reference, it does seem to call for some explanation why so many examiners were required so many days for the examination of two candidates.

Please give a detailed statement of the time occupied in the preparation of each examination paper and in reading the replies of the two candidates to each paper as well as in conducting each oral examination.

I am, sir, your obedient servant,

The Deputy Minister of Interior. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF THE INTERIOR, OTTAWA, April 7, 1896.

SIR,—I beg to acknowledge the receipt of your letter of the 27th ultimo with reference to the fees charged by the Board of Examiners for Dominion Land Surveyors. With reference to the first part of your letter, I beg to say that the statement of fees for which you ask will be prepared and forwarded to you as soon as possible.

As to the time occupied by the examiners, I submit that this is a matter upon which no one who is not acquainted with the profession of Dominion Land Surveys would be competent to express an opinion, and I should be glad to know on what you base your view.

I am, sir, your obedient servant,

The Auditor General. A. M. BURGESS, *D.M.I.*

AUDIT OFFICE, OTTAWA, April 9, 1896.

SIR,—I am in receipt of your letter of the 7th instant, in reply to mine of the 27th ultimo, in reference to the Board of Examiners of Dominion Land Surveyors.

You state that no one, not acquainted with the profession of Dominion Land Surveyor, would be competent to express an opinion as to the time occupied.

The times occupied in the separate parts of the work are details, in a manner like the details of any other account, and should be furnished. Whether there would be

difficulty in forming an opinion as to the need of devoting to each part of the work the time actually expended on it, is another question, and one which is not necessarily involved in the request for details.

I am, sir, your obedient servant,

The Deputy Minister of Interior. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF THE INTERIOR, OTTAWA, April 18, 1896.

SIR,—Referring further to my letter to you of the 7th instant, with regard to the fees charged by the board of examiners for Dominion Land Surveyors, I have the honour to inclose herewith a statement which has been prepared by the secretary of the board, showing the fees received and retained by him during the fiscal year 1894-5.

On inquiry of the board, I find that no record has been kept of the time occupied by the examiners, and as to your question why so many examiners were required for so many days for the examination of two candidates, if you will look at the clause of the Dominion Lands Act which has reference to this you will understand the reasons therefor.

I am, sir, your obedient servant,

The Auditor General. A. M. BURGESS, *D.M.I.*

Re Cattle Inspection.

DEPARTMENT OF THE INTERIOR, OTTAWA, October 19, 1896.

SIR,—With reference to the verbal inquiry made at the Immigration branch by Mr. Reid of your office, I am directed to send you the inclosed copy of a letter, dated the 23rd of February, 1894, on the subject of the payment of veterinary inspection fees on settlers' cattle. The present practice appears to have been one of departmental arrangement and apparently there is no Order in Council on the subject.

I am, sir, your obedient servant,

The Auditor General. LYNDWODE PEREIRA, *Asst. Secy.*

DEPARTMENT OF AGRICULTURE, OTTAWA, 23rd February, 1894.

SIR,—I have to inform you in reply to your letter of the 20th instant in which you inquire whether it is not possible to effect an arrangement whereby the immigration vote may be relieved from the payment of fees remitted to settlers in the North-west, collected for the inspection of their stock under the Quarantine Regulations.

The fee in question is fixed by Order in Council and collected by customs officers in virtue of provisions established under the authority of the "Animal Contagious Diseases Act."

NOTE.—The expenditure for the Board of Examiners of Dominion Land Surveyors during 1895-96, was $295, and the receipts $50.—J. L. McD.

It was not found at the time an arrangement was made to remit this fee to settlers, as an inducement to promote immigration, that they could be excepted from paying it so long as it was collected from all others; and that no exceptions could be made to the collection of a fee so authorized.

If the settler, therefore, were to be relieved from the incidence of paying it the only mode of proceeding would be to collect the amount and subsequently remit the money. The object of collecting the fee is to pay the veterinary inspector for his services and there would be no method of meeting this expenditure except taking a special vote for salary, if the fee were in all cases dispensed with.

And short of this alternative, there does not seem to be any method other than defraying the cost in question from the immigration vote, on the principle of paying for facilities promoting immigration.

I am, sir, your obedient servant,

The Secretary Dept. Interior. J. LOWE, *D.M.A.*

Re Refunds of Revenue.

AUDIT OFFICE, OTTAWA, November 12, 1896.

SIR,—The refunds of Dominion Lands Revenue during 1895-96 amounted to $8,252.89. No vouchers are furnished in connection with those refunds, excepting the Departmental cheques. While it may not be necessary to furnish all the correspondence in connection with each case, a voucher should be furnished which would contain the application, the reasons on which it is based, the amount, the date and place of payment, and the certificate of the proper officers of your department. I have to request that such a voucher may be furnished in future.

In the meantime I have to ask for explanations covering the above points as to the following refunds:

Calgary and Edmonton Railway	$4,325 56
Copethorne, John	100 00
Fullerton, John R	275 00
Higginson, Thos. S	105 00
Maclean, Catherine & Neil John	396 72
Maclean, Margaret	100 00
White, Esther	500 00
Forward, Thos	20 00
McLennan, Roderick R	800 00

The Order in Council quoted on the cheque in favour of Thos. S. Higginson as authority for the refund only refers to the B. C. Drainage & Dyking Co. Is Mr. Higginson an officer of your department?

The Order in Council quoted on the cheque in favor of Roderick R. McLennan as authority for the refund directs that $400 be paid to Mr. McLennan and $400 to Mr. Michael Haverty. Why was the whole amount paid to Mr. McLennan?

I have also to ask for an explanation of the practice of issuing cheques in favour of the Department of the Interior, which are made a charge against Dominion Lands Revenue and are afterwards deposited to the credit of the same account. Fourteen of such cheques were issued in 1895-96.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF INTERIOR, OTTAWA, December 22nd, 1896.

SIR,—I have the honour to acknowledge the receipt of your letter of the 12th ultimo, with reference to refunds of Dominion Lands Revenue during the fiscal year 1895-96, and in reply to inform you as follows:—

1. As regards your application to be furnished with vouchers containing particulars of refunds of this nature which may be made in future, I have no doubt the requirements of your office would be fully met if the system now in force in the case of refunds in scrip, of which you have yourself approved, were adopted for cash refunds, namely, the issuing of requisitions in triplicate, instead of in duplicate as is now customary, a copy of each of such requisition, containing all the particulars which you require, being sent to your office upon its approval here; and I have therefore given the necessary instructions to have this done in future.

2. As to your request for explanations with respect to the refunds made to the various parties whose names are enumerated in the second paragraph of your letter now under reply, I beg to inclose herewith a copy of a memorandum from the chief clerk of the patents branch of this department, which contains the required information.

* * * * * *

I also inclose in this relation printed copies of the Orders in Council mentioned in the cases of Mr. T. S. Higginson and the Calgary and Edmonton Railway Company, respectively, which will afford you full particulars as to the arrangements under which the refunds to these parties were made.

3. With reference to the inquiry contained in the last paragraph of your letter as to the practice of issuing cheques in favour of this department which are made a charge against Dominion Lands Revenue and are afterwards deposited to the credit of the same account, I should explain as follows:—

Cash is received from time to time in the department in connection with cases in regard to which no decisions can be given within a short period, so the amounts are deposited to the credit of the Receiver General on Dominion Lands Suspense Account, which was opened some years ago with the knowledge and to the satisfaction of your office, the deposit receipts being sent to the Finance Department with the weekly statements. Whenever any of the items in Suspense Account are in a position to be dealt with, the fact is reported to the accountant, who issues a cheque in favour of the department, taking out the item from Dominion Lands Suspense Account and depositing the amount in the name of the remitter in Dominion Lands regular revenue account, which appears in the usual monthly returns of revenue sent to your office.

I am, sir, your obedient servant,

The Auditor General. A. M. BURGESS, *D.M.I.*

DEPARTMENT OF THE INTERIOR, OTTAWA, December 19th, 1896.

SIR,—In reply to your memorandum of 3rd instant, I beg to give you the following explanations in connection with the second and third paragraphs of the Auditor General's letter of the 12th ultimo:—

1. Calgary and Edmonton Railway			$4,325.56
Ref. 29759, T. & M. cheque No. 1038	$1,418 50		
" " " " 1039	480 00		
" 286647 " " 1127	86 77		
" 29759 T. & M. " " 1209	1,486 81		
" 144657 T. & M. " " 1210	853 48		
			$4,325.56

These sums were handed over to the railway company in accordance with the Order in Council of 10th June, 1895.

2. John Copithorne ..... $ 100.00

Ref. 353384. John Copithorne was allowed to purchase the south-west quarter of Section 6, Township 25, Range 4 west of the 5th Meridian. In the meantime this land had been granted as a homestead to one W. F. Murray, but the latter's entry was cancelled and the sale to Copithorne allowed to stand. The matter was subsequently referred to the Department of Justice, the Minister of that Department ruling that we

had no power to cancel Murray's entry, in consequence of which the homestead entry was restored to Murray. As Copithorne had already paid the sum of $100 on account of this land, the same had of course to be refunded to him, which was done by cheque No. 1156, dated the 27th March, 1896.

3. John R. Fullerton $275.00

Ref. 52815-2. This refers to the north-west quarter of Section 28, Township 16, Range 26 west of the 2nd Meridian, which was the homestead of the late Edward Kelly. The entry was subsequently cancelled and the land sold to one George Malcolm Annable on the understanding that the value of the improvements made by Mr. Kelly, amounting to $275.00 be paid over to the said Kelly, which sum Annable paid. Kelly became deceased, and his widow, Jane Kelly, took out letters of administration and registered an assignment from herself to John R. Fullerton, of Winnipeg, of her interest in her late husband's estate. Mrs. Kelly has also died, and cheque No. 1198, dated the 30th June, 1896, for the sum of $275.00, was paid over to the said Fullerton.

4. T. S. Higginson $105.00

Ref. 104897-2. The British Columbia Drainage and Dyking Company obtained the authority of Council to purchase certain lands in British Columbia at the rate of $5.75 per acre. Mr. Higginson, who was one of the shareholders of that company, filed here an assignment from it to himself of a certain portion of such lands, paying therefor the sum of $345.00. Under the terms of the Order in Council of the 8th January, 1896, the price for the lands purchased by the said company was reduced from $5.75 to $1.00 per acre, which left a balance of $105.00 to the credit of Mr. Higginson, which amount was refunded by cheque No. 1136, dated the 2nd March, 1896. Mr. T. S. Higginson is Crown Timber Agent for this department for the railway belt in British Columbia.

5. Catharine and Neil John MacLean $396.72

Ref. 207076. This sum was the amount paid on account of the south east quarter of Section 24, Township 18, Range 15 west of the 2nd Meridian by the late Archibald MacLean, who purchased the same in conjunction with his brother, M. A. MacLean, the latter being the husband of Catherine MacLean. Both these men died, and Archibald, by his last will and testament bequeathed this quarter section to his son, along with other property. As both these brothers were deceased, the devisee desired that the money so paid should be handed over to Mrs. M. A. MacLean in Vancouver, for the reasons given in the next paragraph, No 6. This sum was accordingly paid by cheque No. 1192, dated 22nd June, 1896.

6. Margaret MacLean ..... $ 100.00

Ref. 243903. Malcolm A. MacLean, the husband of Mrs. Margaret MacLean, held a tree culture entry in British Columbia, which he was permitted to change into a time sale at $5 per acre. He paid $100 upon it, but made no further payment on account thereof. MacLean subsequently died leaving a will in favour of his wife, and appointed her sole executrix, she taking out Letters Probate of such will. On representations made by Mrs MacLean that she was unable to carry out the obligations of the purchase, she being left with very little means to provide for a family of five children, the sale to her husband was cancelled, and the $100 paid by him upon this purchase was refunded to her by Cheque No. 1148, dated the 18th March, 1896.

7. Esther White ..... $ 500.00

Ref. 143952. T.&M. The late John White deposited in the Department $500.00 to be applied to the purchase of certain lands which exceeded in area the tract that could be sold to him under the Dominion Lands Act. As he did not describe the land, the money was deposited to the credit of the Receiver General. After Mr. White's death, his wife, Esther White, became his executrix under his last will and testament, and asked that this money be refunded to her, which was accordingly done by cheque No. 116, dated the 23rd January, 1896.

8. Thomas Forward..... $ 20.00

Ref. 268007. Charles Forward applied to cancel the homestead entry of one Lydd on the north-west quarter of Section 10, Township 20, Range 32 west of the 1st Meridian, and deposited with the Agent of Dominion Lands at Birtle the sum of $20. as a bond fee. Charles Forward who never entered for this land, has since died, and in accordance with request from his mother the $20 has been refunded to his father, Thomas Forward, who is the Administrator of deceased's estate. This amount was paid by Bill of Exchange on London, England, No. 4221, £4 2s. 2d.

9. R. R. McLennan.....$ 800.00

Ref. 385947. R. R. McLennan purchased the south-west quarter of Section 14, Township 17, Range 20 west of the 2nd Meridian, and Michael Haverty purchased, in the same year, the south-east quarter of the same section, both purchases being at the rate of $5 per acre, and the money for the same paid. By Order in Council of 8th January, 1896, authority was given to refund to Messrs. McLennan and Haverty $400 each, being the difference between what they paid at the rate of $5 per acre, and the price of $2.50 per acre, the latter rate having been the regulation price of Dominion Lands at the date of purchase. $400 was refunded to Mr. McLennan by cheque No. 1164, dated the 7th April, 1896, on account of his purchase of the south-west quarter of Section 14; and satisfactory evidence having been filed with the department that the said Haverty had merely acted as McLennan's agent in the purchase of the south-east quarter of the same section, McLennan having in the first instance provided the money, the other $400 was refunded to McLennan by cheque No. 1175, dated the 1st May, 1896, thus making up the amount of $800 authorized by the Order in Council above quoted, to be refunded.

Supreme Court Contingencies—Portrait of Chief Justice.

AUDITOR GENERAL'S OFFICE, OTTAWA, October 9, 1896.

SIR,—I beg to bring to your notice the following charges against the appropriation for Supreme Court contingencies during the fiscal year 1895-96. There are charges for cab hire for judges amounting to $51.25, which, I think, need explanation as to the circumstances under which a judge's cab hire is a proper charge on the appropriation for Supreme Court contingencies. There are also charges for street car fares amounting to $24.45 which call for explanation regarding the necessity of such expenditure in connection with the proper conduct of Supreme Court business.

I find an expenditure of $250 for a portrait of the Chief Justice, the cheque for which has been issued in favour of Mr. E. L. Newcombe, Deputy Minister of Justice. Mr. Newcombe endorsed the cheque in favour of Mr. Robert Harris, but there is no account from Mr. Harris, and no authority quoted for such unusual expenditure.

I am, sir, your obedient servant,

The Registrar Supreme Court. J. L. McDOUGALL, *A.G.*

SUPREME COURT OF CANADA, OTTAWA, October 15, 1896.

SIR,—Referring to your letter of the 9th instant respecting cab and street car fares paid out of Supreme Court contingencies during the past financial year, and also respecting a sum of $250 paid through the Deputy Minister of Justice to Mr. Robert Harris for painting the portrait of the present Chief Justice of the Supreme Court, I beg to repeat the verbal explanation which I have given, viz.: first, as respects the cabs and car fares, that no cabs are paid for without the express request of a judge, and that the cabs are most generally used for the purpose of bringing books to and from the judges' residences required by them in preparing judgments; occasionally cabs are employed for the judges attending state functions, such as the opening and closing of Parliament, and some cab fares have been paid for the Chief Justice in the performance of the duties of Deputy Governor General. Secondly, with respect to car fares, these have been expended sometimes for the carrying of books to and fro for the judges, sometimes to enable the messengers to perform more promptly the requests of the judges, most of whom live at a considerable distance from the Supreme Court building. The saving of time in this way is most desirable, especially during the sittings of the court,

when one of our messengers is kept in court all the time. The use of cabs and cars is personally supervised by me and kept within the most reasonable limits. Thirdly, with respect to the payment on account of the portrait of the Chief Justice, a contract for this work was made through the Department of Justice with Mr. Robert Harris, who has completed it to the satisfaction of the Chief Justice, and it was arranged, as I understood, that Mr. Harris should be paid out of the contingencies of the court last year to the extent of $250. As to the authority for the expenditure, I am obliged to refer you to the Deputy Minister of Justice, the agreement with Mr. Harris having been made through that department.

I may say that the portrait of Sir William Ritchie was paid for out of the contingencies of the court, and no objections raised that I am aware of.

I am, sir, your obedient servant,

The Auditor General. ROBERT CASSELS.

AUDITOR GENERAL'S OFFICE, OTTAWA, October 20, 1896.

SIR,—In reply to a communication from this office calling his attention to an expenditure of $250 for a portrait of the Chief Justice, Mr. Cassels, Registrar of the Supreme Court of Canada, informs me that the sum in question was paid in pursuance of an agreement between the Department of Justice and Mr. R. Harris, artist, Montreal, and refers me to you for all necessary information in connection therewith.

I shall be obliged if you will let me know the authority under which the expenditure was incurred, and the reason for considering it a proper charge on the appropriation for Supreme Court contingencies.

I am, sir, your obedient servant,

The Deputy Minister of Justice. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF JUSTICE, OTTAWA, October 22, 1896.

SIR,—I have the honour to acknowledge the receipt of your letter of the 20th instant, calling attention to the payment of $250 on account of the portrait of the Chief Justice of Canada, which is being painted by Mr. Harris, of Montreal, and is to hang in the Supreme Court room.

I have the honour to inform you in reply to your inquiry that the expenditure was incurred with the authority of the Minister of Justice for the time being, and it is considered a proper charge upon the vote for contingencies because the vote was asked for in view of this expenditure, and the late Chief Justice's portrait was paid for out of a similar vote.

I am, sir, your obedient servant,

The Auditor General. E. L. NEWCOMBE, *D.M.J.*

AUDITOR GENERAL'S OFFICE, OTTAWA, October 26, 1896.

SIR,—With reference to your letter of the 22nd instant, in which you state that the payment of $250 for a portrait of the Chief Justice of the Supreme Court was considered a proper payment from the vote for Supreme Court contingencies, because the vote was asked for in view of this expenditure, I beg to call your attention to the details of the vote in question as submitted to Parliament in the Estimates. Under Supreme Court, I find "contingencies and disbursements, judges' travelling expenses, "also salaries of officers (sheriff, registrar as editor and publisher of reports, usher, &c.) "and $300 for books for judges."

There is no intimation in this or any of the other subdivisions of the Supreme Court vote as given in the Estimates, so far as I can see, that in the sum asked for an amount was included to enable the department to obtain a portrait of the Chief Justice.

I am, sir, your obedient servant,

The Deputy Minister of Justice. J. L. McDOUGALL, *A.G.*

Increased Salaries to Deputy Wardens Fitzsimmons and Burke.

AUDITOR GENERAL'S OFFICE, OTTAWA, April 18, 1896.

SIR,—I beg to inform you that I have received an Order in Council directing the transfer of Mr. James Fitzsimmons, Deputy Warden at British Columbia Penitentiary, to a similar position at Manitoba Penitentiary, the salary at the latter place to be at the rate of $1,500 per annum. As Mr. Fitzsimmons's salary at British Columbia was only at the rate of $1,400 per annum, it seems to me that, under the Penitentiary Act, he cannot be paid at a higher rate at Manitoba.

Not being a new appointment or promotion, the schedule attached to the Penitentiary Act, as amended by chapter 42 of 58-59 Victoria, does not apply.

I am, sir, your obedient servant,

The Deputy Minister of Justice. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF JUSTICE, OTTAWA, April 13, 1896.

SIR,—I have the honour to acknowledge the receipt of your letter of the 8th inst., in which you express the opinion that Mr. James Fitzsimmons who was, by Order in Council of the 31st ultimo, appointed deputy warden of the Manitoba Penitentiary at a salary of $1,500 a year, cannot be paid at that rate or at any higher rate than he received as deputy warden at British Columbia, where his salary was $1,400 per annum. Not being a new appointment or promotion you think the schedule attached to the Penitentiary Act, as amended by chapter 42 of the Statutes of 1895, does not apply.

I may state that the Minister of Justice does not coincide in this view; section 7 of the Act of last session provides that section 6, which substitutes the new schedule for the old one, shall apply only to persons hereafter (*i.e.*, after 22nd July, 1895) appointed or promoted to any office or employment in the penitentiary service. The question, therefore, is whether Mr. Fitzsimmons has been appointed or promoted to an office different from that formerly held by him, or, retaining the same office, has been simply transferred to another sphere of action.

The Minister thinks that it is clear that he has been appointed to a different office. There is no such office as that of a deputy warden at large in the penitentiary service. The office of Fitzsimmons was deputy warden of the British Columbia Penitentiary, and he now holds a different office as deputy warden of the Manitoba Penitentiary. The new schedule, therefore, in the opinion of the Minister, does apply to him.

I am, sir, your obedient servant,

The Deputy Minister of Justice. E. L. NEWCOMBE, *D.M.J.*

AUDITOR GENERAL'S OFFICE, OTTAWA, April 21, 1896.

SIR,—I have the honour to acknowledge the receipt of your letter of the 13th instant, with reference to the case of Mr. James Fitzsimmons, recently transferred from the deputy wardenship of the British Columbia Penitentiary to a similar position at Manitoba.

The Minister of Justice you state, is of opinion that section 7 of 58-59 Vic., chap. 42, applies in this case because, as there is no such position as deputy warden at large in the penitentiary service, the transfer of Mr. Fitzsimmons to Manitoba must be regarded, under the law, as a new appointment. I do not interpret the statute in this sense. It seems to me the exemptions provided by section 7, cover only new appointments to the penitentiary service, and promotions from a lower to a higher grade. Clearly the transaction in question does not come under the head of promotion, and as Mr. Fitzsimmons has been for some time in the penitentiary service, occupying during later years the position of deputy warden at British Columbia, his transfer to Manitoba has to my mind been merely a change of residence involving no break or interruption in his official service, and as such cannot be treated as a new appointment.

I desire to point out in connection with this matter that the case of Mr. Bourke transferred from Manitoba to take the position vacated by Mr. Fitzsimmons's transfer comes under the objection as regards salary raised in the present instance, namely that his rate of pay must be regulated by the old schedule.

I am, sir, your obedient servant,

The Deputy Minister of Justice. J. L. McDOUGALL, *A.G.*

AUDITOR GENERAL'S OFFICE, OTTAWA, November 3, 1896.

SIR,—With reference to previous correspondence in connection with the transfers of the Deputy Wardens at Manitoba and British Columbia Penitentiaries, I beg to point out that both Mr. Fitzsimmons and Mr. Bourke are still paid at the rate of $1,500 per annum, instead of the rates sanctioned by the schedule to the Penitentiary Act amended by 50-51 Victoria, chapter 52.

In my opinion these officers are now paid salaries in excess of the rates sanctioned by the statute applicable to their case, and unless the Treasury Board, to which I think you should submit the case at once, decide otherwise, I shall be obliged to withdraw my assent to the credit under which these salaries are paid.

I am, sir, your obedient servant,

The Deputy Minister of Justice. J. L. McDOUGALL, *A.G.*

AUDITOR GENERAL'S OFFICE, OTTAWA, November 14, 1896.

SIR,—I have the honour to acknowledge the receipt of your letter of the 6th inst. asking me to indicate for your information the section of the Audit Act under which you are in a position to submit to the Treasury Board the case of Bourke and Fitzsimmons, about which I wrote you on the 3rd inst. and also on previous occasions. Section 32, I think, covers the point raised in your letter.

Though the salaries of these officers are not paid by Receiver General's cheques, the *pro forma* pay-list on which they are paid and which is authorized in this office is really the equivalent of such a cheque. The refusal to authorize such a pay-list may, I think, be considered as coming under the words "has refused to certify that a cheque of the Minister of Finance and Receiver General may issue, &c."

I am, sir, your obedient servant,

The Deputy Minister of Justice. J. L. McDOUGALL, *A.G.*

Mr. W. S. Hughes as Chief Keeper and Clerk of Industries.

AUDITOR GENERAL'S OFFICE, OTTAWA, August 17, 1896.

SIR,—I beg to inquire under what authority Mr. W. S. Hughes has been appointed to the dual position of chief keeper and clerk of industries at Kingston Penitentiary from January 1, 1896, at $1,200 per annum; also, as to the appointment of Mr. Thomas Thompson, as assistant hospital overseer and assistant schoolmaster from March 1, 1896, at $600 per annum.

With reference to these appointments I desire to refer you to my letter of June 9, 1893 (see Report, 1893, page B—76) calling your attention to somewhat similar cases and pointing out their seeming illegality. In my opinion the salary that may be paid in cases of such amalgamation should not exceed the amount attaching to one of the positions, unless special provision has otherwise been made by parliament.

I beg to call your attention also to the appointment of W. J. McLeod as warden's clerk in succession to W. S. Hughes, from January 1, 1896. Please let me know on

what authority his salary has been fixed at $500 per annum. Why was the salary of this position not provided for in the schedule of salaries attached to the Penitentiary Act?

I am, sir, your obedient servant,

The Deputy Minister of Justice. J. L. McDOUGALL, *A.G.*

Payments for Mr. Foster's board at British Columbia while acting Warden.

AUDITOR GENERAL'S OFFICE, OTTAWA, August 10, 1896.

SIR,—I beg to ask for an explanation of a payment of $277.60 to George L. Foster, accountant of penitentiaries, during last year for provisions and other supplies obtained by him from February 1 to July 31, 1895, and for laundry from August, 1894. Mr. Foster was acting warden at British Columbia Penitentiary during part of the period named, and as Parliament voted the sum of $170.50 to increase his salary as accountant to the amount to which he would be entitled as warden of the penitentiary, it seems to me it was not proper for the department to still further increase his salary by granting to him perquisites to which he would not be entitled as warden.

I am, sir, your obedient servant,

The Deputy Minister of Justice. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF JUSTICE, OTTAWA, August 12, 1896.

SIR,—In reply to your letter of the 8th instant, calling attention to Mr. Foster's living expenses while in charge of British Columbia Penitentiary, I beg to say that Mr. Foster, as accountant of penitentiaries, was charged with the special duty of putting in order the penitentiary affairs at New Westminster. At that time he was an officer of the Department of Justice, at Ottawa, and, although he was temporarily assigned the duties of warden by the Governor in Council, he is not, in my opinion, the less entitled to his living allowance while absent on duty. The special vote that you mention was not a part of his salary as warden, but an addition to his ordinary salary, equal to the difference between the latter and the salary of warden. His regular salary has never been a charge upon the penitentiary, and the amount which he received for living expenses is in no way a perquisite, but merely intended to cover his necessary expenditure for the purpose mentioned.

I am directed by the Minister to add, that, in his view, when a salaried officer is employed temporarily upon some special duty, away from his home, he is allowed his living expenses, and this is reasonable, because ordinarily his expenses at home are going on while he is on this special duty. If Mr. Foster was acting as warden during such temporary employment away from home, the fact of his salary as accountant being *pro tem* increased to the salary of the warden should not, the Minister thinks, deprive him of his claim for living expenses during such temporary employment.

I am, sir, your obedient servant,

The Auditor General. E. L. NEWCOMBE, *D.M.J.*

AUDITOR GENERAL'S OFFICE, OTTAWA, August 25, 1896.

SIR,—I beg to acknowledge the receipt of your letter of the 12th instant, in explanation of the payment of several accounts for provisions and other living expenses incurred by Mr. Foster, accountant of penitentiaries, from November 1, 1894, to July 31, 1895, during which period he was in occupation of the warden's quarters at British Columbia Penitentiary in the capacity of acting warden.

In order that there may be no misunderstanding in regard to this matter, and as I agree with the Minister of Justice "that when a salaried officer is employed temporarily

"upon some special duty away from his home he is allowed his living expenses, * * * because "ordinarily his expenses at home are going on while he is on this special duty." I desire to bring the full history of the case to your notice and to point out that it is not one of ordinary travelling expenses.

Under the authority of an Order in Council, dated May 21, 1894, Mr. Foster, endowed with all the powers of warden, proceeded from Ottawa to New Westminster to take charge of the penitentiary there, consequent upon leave of absence having been granted to the then warden, Mr. McBride. It appears that Mr. Foster on arrival at New Westminster put up at the Guichon Hotel, as the first account for travelling expenses rendered by him contained a charge for board there to June 30, 1894, at the rate of $2.50 per day. During the four succeeding months—to October 31, he continued at this hotel, his board having been paid at the rate of $50 per month. Towards the end of October the services of Mr. McBride were dispensed with, and it would appear that on November 1, 1894, Mr. Foster moved into the warden's quarters, as from this date he did not send regular monthly accounts for board, but merely transmitted to the department for payment the several accounts rendered him in this respect by the various merchants with whom he dealt. There has been paid for accounts thus transmitted for the period from November 1 to July 31, 1895, the sum of $479.21. Now it must be remembered that during all this time Mr. Foster was in possession of free quarters at the penitentiary, that he was paid, under authority of a special Vote of Parliament, at the same rate as if he were permanent warden, and that apparently his place of residence was New Westminster. The payment of his living expenses could not, therefore, have been to ensure him against pecuniary loss, unless it can be shown that during the period in question he was obliged to maintain his ordinary household expenses elsewhere.

The department, it seems to me, should have accepted the Vote of Parliament increasing Mr. Foster's salary as an evidence that he was to be treated, in regard to perquisites and allowances, in all respects as if he were a permanent warden. I notice that of the sum $479.21 to which objection is taken, $201.60 was paid during the fiscal year 1894-95, and the balance in June, 1896, or nearly twelve months after Mr. Foster had ceased to act in the capacity of warden at British Columbia.

I am, sir, your obedient servant,

The Auditor General. J. L. McDOUGALL, *A.G.*

Arrears paid to Mr. Charles Donoghue.

AUDITOR GENERAL'S OFFICE, August 10, 1896.

SIR,—I beg to ask for explanation of a payment of $168, to Charles Donoghue, of Montreal, by cheque 230 of the St. Vincent de Paul Penitentiary. It appears from the voucher that during the fiscal year 1891-92, Mr. Donoghue supplied the penitentiary with pork, for which he was paid at the rate of 9c. per lb., and that the department in April, 1896, or four years after the last purchase had been made, allowed him 10 cents per lb. on a claim then made, in which he asked for 11 cents. The claim is not certified as fair and just by the warden, that officer contenting himself by merely stating "authorized by the department at Ottawa." I should like to have full particulars with regard to this payment.

I am, sir, your obedient servant,

The Deputy Minister of Justice. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF JUSTICE, OTTAWA, August 12, 1896.

SIR,—In reply to your letter of the 10th instant calling attention to the payment of $168, being a balance due Mr. Charles Donoghue, I beg to submit the following facts. Mr. Donoghue contracted to supply the penitentiary with "mess pork," and was called upon by the warden to supply "clear mess pork," which I ascertained to be of a differ-

ent quality and usually quoted at a price from one cent to two cents per pound higher than ordinary mess pork. Mr. Donoghue was paid for the clear mess pork so delivered the contract price for the inferior article under protest, and since then has from time to time made application for the balance due to him.

The facts of the case having been fully considered by the department, Mr. Donoghue was believed to be legally entitled to the amount in question, and payment was accordingly authorized. I may explain that Mr. Donoghue's claim was reduced from eleven cents to ten cents, because in his original accounts rendered he only charged the latter rate.

I am, sir, your obedient servant,

The Auditor General. E. L. NEWCOMBE, *D.M.J.*

AUDITOR GENERAL'S OFFICE, OTTAWA, August 20, 1896.

SIR.—With reference to your letter of the 12th instant, in explanation of the payment of $168, to Mr. Charles Donoghue, I beg to point out that in regard to the quality of the meat supplied the penitentiary during the period in question, the warden is the only trustworthy judge. The payment should, therefore, have been supported by a certificate from him to the effect that the pork delivered at the penitentiary during the fiscal year 1891-92, by Mr. Charles Donoghue was of a superior grade to that called for by the contract and to the sample submitted by Mr. Donoghue, and that the difference of price claimed is fair and just. Please obtain from the warden a certificate to this effect and forward to me.

I am, sir, your obedient servant,

The Deputy Minister of Justice. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF JUSTICE, OTTAWA, November 9th, 1896.

SIR,—Referring to your letter of August 20th, I inclose herewith voucher for the payment to Charles Donoghue in connection with the pork supplied by him to St. Vincent de Paul Penitentiary, during the fiscal year 1891-92. You will observe that it has been certified by the warden in the following terms:—"I certify that the pork referred to in this voucher was "clear mess pork," and that "clear mess pork" is a superior quality to "mess pork"."

As regards your request for a certificate that the price claimed is fair and just, I desire to call your attention to the fact that the department has already decided that the amount was legally due Mr. Donoghue, and that therefore the certificate of the warden in this particular is unnecessary, payment having been made in accordance with the contract.

I am, sir, your obedient servant,

The Auditor General. E. L. NEWCOMBE, *D.M.J.*

AUDITOR GENERAL'S OFFICE, OTTAWA, November. 14, 1896.

SIR,—I have the honour to acknowledge the receipt of your letter of the 9th instant, inclosing Mr. Donoghue's account for $168, against the St. Vincent de Paul Penitentiary, certified by the warden as follows: "I certify that the pork referred to in the voucher was clear mess pork and that clear mess pork is a superior quality to mess pork.' In my opinion this certificate does not meet the requirements of section 33 of the Audit Act. Under this section it is provided that no payment shall be authorized by the Auditor General for materials supplied unless the officer under whose special charge such part of the service is, certifies that the price charged is according to contract, or if not covered by contract, is fair and just.

Now it is clear from your letter of August 12th last, that the additional amount paid Mr. Donoghue by cheque 230, of March, 1896, was not according to contract, because you say "Mr. Donoghue was paid for the clear mess pork so delivered the contract price "of the inferior article under protest, and since then has from time to time made appli- "cation for the balance due him."

Why then did Mr. Donoghue make claim for a balance due, after he had been paid at the rate fixed by contract? Because, as I understand the case, he claims to have supplied a superior article to that called for by the tenders and for which he contracted, and that therefore he is entitled to fair and just compensation for the superior quality of pork supplied. It appears the department, after considerable delay admitted this claim and has consequently paid Mr. Donoghue $168, thereby increasing the contract price of 9 cents to 10 cents per pound. I contend the department had no power to authorize this additional payment unless there was clear proof that the pork supplied the penitentiary during the fiscal year 1891-92, was of a superior quality to that called for by the contract, and that it had been accepted as such at the penitentiary, and that it was worth, not an additional amount, but the particular additional amount which was paid him.

Evidently the proper officer to furnish evidence of this nature is the warden, who is the chief executive officer of the penitentiary, and as such, it seems to me, the claim in question should have been certified by him in the manner pointed out in my letter of August 20th last, before payment was authorized by the department.

I am, sir, your obedient servant,

The Deputy Minister of Justice. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF JUSTICE, OTTAWA, December, 5, 1896.

SIR,—Referring to your letter of the 14th ultimo., with regard to Mr. Donoghue's pork account, I can only add in addition to what has been stated in previous correspondence, that from inquiries made and information furnished me by the Inspector I am satisfied that at the period in question clear mess pork was worth in the market at least $2 per barrel more than mess pork. Reference to quotations and commercial papers also seems to establish this. If this explanation be not satisfactory, I cannot add to it. You are, I think, already aware that the payment was directed by the department as a matter of legal liability, the warden holding the views that the contractor was not entitled.

I am, sir, your obedient servant,

The Auditor General. E. L. NEWCOMBE, *D.M.J.*

Interest paid Mr. Allan, Manitoba.

AUDITOR GENERAL'S OFFICE, OTTAWA, September 11, 1896.

SIR,—I beg to ask for explanation of a payment of $13.50 made to Mr. A. Allan, for interest on an amount paid him for land purchased for the Manitoba Penitentiary during the fiscal year 1895-96. I do not understand from the accounts sent me how he was any more entitled to interest on the purchase price of the land, than were Messrs. Fraser and O'Donoghue who appear to have been joint owners with him in the property purchased for the penitentiary, and to whom interest was not allowed.

I am, sir, your obedient servant,

The Deputy Minister of Justice. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF JUSTICE, OTTAWA, September 15, 1896.

SIR,—In reply to your letter of the 11th instant, I beg to say that some months previous to the actual purchase of the land, options of purchase were secured from Messrs. Allan, Fraser and Donoghue. When the inspector visited Manitoba he secured a second offer from Mr. Allan much lower than that quoted in the option of purchase. The department took immediate steps to close the purchase. You, however, declined to issue a cheque for the purchase money and a reference to the Treasury Board therefore became necessary. Hence the delay in payment which entitled Mr. Allan to interest.

Messrs. Fraser and Donoghue were not joint owners with Mr. Allan, but owners of separate lots which were also acquired by the penitentiary. They have made no claim for interest.

I am, sir, your obedient servant,

The Auditor General. E. L. NEWCOMBE, *D.M.J.*

Re Sale of Binder Twine.

AUDIT OFFICE, OTTAWA, February 27, 1896.

SIR,—No returns have yet been furnished to this office of the sales of binder twine during the present fiscal year. I have to request you to give instructions that this return be furnished promptly each month.

According to the returns to December 31st, the last that have been received, only $363.13 has come to account from sale of twine since July 1st, 1895.

I am, sir, your obedient servant,

The Deputy Minister of Justice. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, March 21, 1896.

SIR,—I have had no reply to my letter of the 27th ultimo, in reference to the sale of binder twine.

According to returns furnished 1,158,211 lbs. of twine were manufactured up to June 30, 1895, and 241,016 lbs. had been sold and accounted for.

You stated in your letter of October 30, 1895, that all shipments made previous to August 16, 1895, had been charged to Mr. John Connor, who is responsible for the payment. And the inspector in his published report states that the warehouse had been cleared at that date. In that case Mr. Connor is responsible for the payment of 917,195 lbs. of twine plus any manufactured after June 30th. Only $363.13 has come to account during the present fiscal year as proceeds of sale of binder twine. The report of the inspector enters the net proceeds of sales to August 15th, as $65,375. The total amount that has come to account to date is only $15,876.01, leaving $49,498.99 yet to be accounted for.

I have to ask for an early reply.

I am, sir, your obedient servant,

The Deputy Minister of Justice. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, April 1, 1896.

SIR,—In my letter of March 21st last, I called your attention to the statement published by the inspector of penitentiaries that the net proceeds of sales of binder twine from the inception of the industry to August 15, 1895, was $65,375, and to the fact that up to the date of my letter, only $15,876.01 had come to account.

I understood you to state to the Public Accounts Committee to-day that the amount due for twine sold was not more than $25,000. Please explain how the balance, some $24,000 was liquidated.

Among the securities held you mentioned some $7,000 worth of twine. I would like to have some explanation of this item, in view of the fact that the inspector stated that the warehouse had been cleared of every pound of manufactured twine on August 15th last.

I am, sir, your obedient servant,

The Deputy Minister of Justice. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF JUSTICE, OTTAWA, April 4, 1896.

SIR,—In reply to your letter of the 1st instant, I beg to say that the statement contained in the report of the inspector of penitentiaries was strictly in accordance with the returns furnished to him at the date at which it was written.

Since that date, however, the selling agent has reported that about $7,000 worth of twine, which was actually shipped, remains unused; and, on his representation, the department has accepted warehouse receipts for twine to the amount of the sum mentioned.

I understand that your statements of revenue are based on returns made on the 29th February. When you have received more recent returns you will see that my statement to the committee is quite accurate.

I am, sir, your obedient servant,

The Auditor General. E. L. NEWCOMBE, *D.M.J.*

AUDIT OFFICE, OTTAWA, April 22, 1896.

SIR,—Deposit receipts to the amount of $24,896.18 came to hand yesterday on account of last season's sale of binder twine by Mr. John Connor.

Please let me have a statement of the account with Mr. Connor, showing the shipments made, the cash received, the twine taken back, the commission allowed, &c.; also a list of the drafts or notes of customers yet unpaid.

I am, sir, your obedient servant,

The Deputy Minister of Justice. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, May 6, 1896.

SIR,—I wrote you February 27th last, that no returns had been furnished to this office in connection with the sale of binder twine during the present fiscal year, and requesting that they be furnished promptly each month. I have not yet received any of those returns.

I have now to request that a statement be furnished covering all the transactions in connection with binder twine industry since the returns for June last.

I am, sir, your obedient servant,

The Deputy Minister of Justice. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, June 18, 1896.

SIR,—I have again to call your attention to the fact that no returns have reached this office covering the sale of binder twine since June 30th, 1895. I wrote you to this effect on February 27th, and again on May 6th. I have not even received an acknowledgment of either of these letters.

I wrote you on April 22 last, for a statement of the account with Mr. Connor. Neither explanation nor statement has since been received.

You informed the Public Accounts Committee in April last, that there was not then more than $25,000 due for twine sold during the previous season. Against this some $7,000 worth of twine was held, leaving about $18,000 due. Since that time only $2,775.93 has come to account.

I have again to ask that the returns asked for may be furnished and that you let me know what action has been taken to secure the balance due for last year's sales.

I am, sir, your obedient servant,

The Deputy Minister of Justice. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, August 6, 1896.

SIR,—The returns of penitentiary revenue for June reached this office yesterday.

Adding the receipts from Mr. Connor, accounted for in the June returns, to those previously received, his account now stands as follows:—

Balance due at settlement		$49,675 13
Receipts as per March returns	$24,896 18	
" April	2,601 85	
" May	174 08	
" June	811 69	28,483 80
Still due		$21,191 33

From this there will be to deduct the value of the twine taken back from Mr. Connor. I should like to have a statement of this twine returned and information as to the disposition made of it. After deducting the value of the twine taken back, there will still remain a balance approximating $15,000 yet due for last year's sales.

I have to inquire what action has been taken to secure payment of this balance.

I am, sir, your obedient servant,

The Deputy Minister of Justice. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF JUSTICE, OTTAWA, August 14, 1896.

SIR,—In reply to your letter of the 6th instant, I beg to state that the twine which was returned by Mr. Connor, is held by the department with other securities, as collateral for the payment of Connor's indebtedness.

The department has now under consideration the best means of realizing on the securities and collecting the amount due.

I am, sir, your obedient servant,

The Auditor General. E. L. NEWCOMBE, *D.M.J.*

AUDIT OFFICE, OTTAWA, October 10, 1896.

SIR,—I understand that Mr. Connor gave two notes amounting to $49,675.13 to the warden of the Kingston Penitentiary to close up his binder twine account.

I have to ask for particulars of these notes; the date, the time to run, and if they were to carry interest, the rate of interest.

I am, sir, your obedient servant,

The Deputy Minister of Justice. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF JUSTICE, OTTAWA, October 22, 1896.

SIR,—In reply to your letter of the 10th instant, I have to inform you that the two notes to which you refer are dated December 12th, 1895. One is for $20,000 due five days after date; and the other for $29,675.13 due fifteen days after date. The notes contain no mention of interest, and the question of enforcing payment of interest will be considered by the department before the matter is finally closed.

I am, sir, your obedient servant,

The Auditor General. E. L. NEWCOMBE, *D.M.J.*

AUDIT OFFICE, OTTAWA, October 29, 1896.

SIR,—I have not received any reply to my letters of February 27th, May 6th and June 18th, calling your attention to the fact that the usual monthly returns in connection with the binder twine industry were not being furnished.

I now need for publication and have to ask you for a statement covering the transactions from August 15th, 1895, to June 30th, 1896, showing the quantity and kind of fibre purchased, the quantity of twine manufactured and the quantity sold.

I am, sir, your obedient servant,

The Deputy Minister of Justice. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, October 28, 1896.

SIR,—In the report of the Inspector of penitentiaries, published in your report for 1894-95, it is stated that on the 15th August, 1895, the warehouse had been cleared of every pound of manufactured twine.

According to the statement herewith, prepared from the returns furnished to this office, there was 4,684 lbs of Beaver twine, and 2,100 lbs. of Mixed Manilla on hand at that date.

I shall be glad to hear from you in explanation.

I am, sir, your obedient servant,

The Deputy Minister of Justice. J. L. McDOUGALL, *A.G.*

OTTAWA, October 30th, 1896.

SIR,—I have your letter of the 28th instant, calling attention to the fact that the Inspector of penitentiaries in his report for 1894-95 had stated that on the 15th of August, 1895, the warehouse at Kingston penitentiary had been cleared of manufactured twine; and also submitting a statement showing that on the date mentioned a small quantity of manufactured twine remained on hand.

In reply, I beg to say that binder twine is not transferred directly from the spindles to the warehouse, but requires to be balled, labelled, wrapped and baled. The quantity which you mention (representing about two days manufacture) was no doubt manufactured, but not ready for shipment. The statement of twine on hand is therefore not inconsistent with the statement in the Inspector's report.

I am, sir, your obedient servant,

The Auditor General. E. L. NEWCOMBE, *D.M.J.*

AUDIT OFFICE, OTTAWA, October 29, 1896.

SIR,—The following statement shows the twine shipped during 1895-96 for account of Mr. Connor.

The freight on a portion of these shipments amounting to $1,277.54 was allowed.

The prices charged in 1894-95 were 6 and $6\frac{1}{4}$ for Beaver and 7 and $7\frac{1}{4}$ for Maple Leaf.

As these details will be published in the next Audit Report, I have submitted them to you now for such explanation as you desire to give: (1) on the reduced price as compared with 1894-95; and (2) on the varying prices charged during 1895-96.

Six small items amounting to $163.37 also came to account for which no details were furnished.

I am, sir, your obedient servant,

The Deputy Minister of Justice. J. L. McDOUGALL, *A. G.*

Re Kingston Penitentiary Visitors' Fund.

AUDIT OFFICE, OTTAWA, July 28th, 1896.

SIR,—Previous to July 1888, it was the practice to deposit the fees paid by visitors to the several penitentiaries, with the other revenue arising from the earnings of the convicts.

Since that date the fees from visitors have not been deposited to the credit of the Receiver General, being held as a special fund. I learn from one of the staff of this office who recently visited the Kingston penitentiary, that the total receipts from this source from July, 1888, to the end of May last, amounted to $5,823.84. Of this amount $2,066.20 has been expended, and the balance $3,757.64, is on deposit in the Bank of Montreal, Kingston, at the joint credit of the warden and the accountant. Of the amount withdrawn, it seems that $1,250, was employed in the purchase of organs for the chapels of the penitentiary. I have to ask for a detailed statement of the balance of the withdrawals, with the corresponding vouchers.

Please let me know under what circumstances and with what object these fees were first exacted; and the authority for and object of the present practice of depositing the proceeds to the credit of the warden and accountant.

I have also to ask for a statement of this fund at the other penitentiaries where it exists.

I am, sir, your obedient servant,

The Acting Deputy Minister of Justice. J. L. McDOUGALL, *A.G.*

Re Penitentiary Revenue—Visitors' Fund.

AUDIT OFFICE, OTTAWA, October 23, 1896.

SIR,—I learn from the Revenue Returns for September, that the unexpended balances of the Visitors' Fund have been deposited to the credit of the Receiver General by the wardens of the Kingston, St. Vincent de Paul, Dorchester and British Columbia penitentiaries.

In my letter of July 28th last, in reference to this fund at the Kingston penitentiary, I asked for a detailed statement with the corresponding vouchers of the disbursements from this fund since its inception. I have again to request that this statement and vouchers may be furnished, and similar statements and vouchers from the other penitentiaries.

I am, sir, your obedient servaut,

The Deputy Minister of Justice. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF JUSTICE, OTTAWA, November 19, 1896.

SIR,—Referring to your letter of the 23rd ulto., regarding the expenditure of the visitors' fund at the various penitentiaries, during the period that it was under the control of the Minister of Justice, I transmit herewith for your perusal the files in the department relating to the expenditure which has taken place during the incumbency of the present Inspector, which contain all the information that the department can undertake to furnish. The expenditure of this fund, as well as the details of the receipts, have been audited by the accountant of penitentiaries during his visits as financial inspector to the various institutions. I may here direct your attention to the fact that the transactions now in question took place under rule 374 of the penitentiary regulations, which has recently been repealed, and being governed by that rule would seem not to be subject to audit by your office. The papers available are, however, herewith submitted for your information as requested. I have to request that you will return the same.

I am, sir, your obedient servant,

The Auditor General. E. L. NEWCOMBE, *D.M.J.*

Re Casual Revenue.

AUDIT OFFICE, OTTAWA, November 3, 1896.

SIR,—The proceeds of the following articles, furnished to the staff of the Manitoba penitentiary during October, November, December and January last, have been credited to Casual Revenue :—

2,085 lbs. bread at 2 cents	$ 41 70
53 sacks of flour at $1.60	84 80
14·21 bushels barley at 40 cents	5 77
37½ cords of wood at $4.25	159 37
2,650 lbs. coal	11 85
	$303 49

I have to inquire what rule or regulations is followed in classifying supplies to the staff at this penitentiary. Were there not similar supplies furnished during the other months?

At the Kingston penitentiary 54 suits of old uniforms have been accounted for as sold to the staff at $1 per suit. Please explain the circumstances in connection therewith.

I am, sir, your obedient servant,

The Deputy Minister of Justice. J. L. McDOUGALL, *A. G.*

DEPARTMENT OF JUSTICE, OTTAWA, November 4, 1896.

SIR,—In reply to your letter of the 3rd instant *re* casual revenue, I am informed that the officers at Manitoba penitentiary have received the same instructions as those at the other prisons with respect to the classification of supplies. For any similar supplies which were furnished during other months a return of the proceeds will be found in the statements which have been furnished to you from month to month. The inspector informs me that on looking into the matter he is of opinion that the first item mentioned in your letter, namely, 2,085 pounds of bread, should be transferred to penitentiary revenue, although it is the product of flour purchased and paid for in the previous year. The other items were, however, paid for from a previous year's appropriation, and are therefore properly classified.

As regards the suits of old uniform sold at Kingston, the item is explained by the reference in your letter. The discarded uniform was depleted of buttons and other distinctive marks, and was made available to the staff at a valuation. A number of the officers purchased their discarded uniform, for private use. Others who considered the valuation too high declined to do so.

I am, sir, your obedient servant,

The Auditor General. E. L. NEWCOMBE, *D.M.J.*

Re Arrears Due.

AUDIT OFFICE, OTTAWA, November 2, 1896.

SIR,—Referring to statement of arrears due at the several penitentiaries, inclosed in your letter of October 30, I have to call your attention to the following amounts which were in arrears June 30, 1895:

Kingston Penitentiary.

Grimshaw & Mallen	$ 13 50
Kingston, city of	322 27
Mallen, M	8 90
Murphy, J. D	16 00
Newlands, W. (in dispute)	237 05
Williams, Mrs	3 00

Dorchester Penitentiary.

Turner, A. J	119 60

I have to ask for an explanation why these amounts were not collected during the year, and what action was taken in reference thereto.

In the list of arrears furnished last year, there appears the name of P. McGowan, Manitoba penitentiary, for $98.25. I do not find that this amount has come to account during the year, and it has not been returned in the statement of arrears now furnished.

I am, sir, your obedient servant,

The Deputy Minister of Justice. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF JUSTICE, OTTAWA, November, 24, 1896.

SIR,—In reply to your letter of the 2nd instant, regarding the arrears due to Kingston and Dorchester penitentiaries, I beg to say that, so far as the accounts due Kingston penitentiary are concerned, I am informed by the officers of that institution that due diligence has been made with a view to collection. The department will consider the propriety of instituting legal proceedings, if other means fail.

As regards the two accounts due Dorchester penitentiary one has been paid since the date of the return which you mention. In the other case a judgment has been obtained, but is not considered realizable at present.

I am, sir, your obedient servant,

The Auditor General. A. POWER, *Acting D.M.J.*

Re Costs of Suits.

AUDIT OFFICE, OTTAWA, November 20, 1896.

SIR,—I have to ask for information as to the costs recoverable by the Government in those cases that are decided in its favour. I do not find that anything has come to account from this source. Are such costs always recovered by the counsel employed, and if so, what disposition is made of the sums collected?

I am, sir, your obedient servant,

The Deputy Minister of Justice. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF JUSTICE, OTTAWA, December 1, 1896.

SIR,—In reply to your letter of 20th instant, inquiring as to the disposal of costs recovered by the Government in those cases which are decided in its favour, I have the honour to inform you that the Crown is not always able to recover the costs which may be awarded, but in all cases the agents of the Minister of Justice have instructions to collect them if it is at all possible. In many cases, such as summary prosecutions, the only costs that can be taxed and collected are the actual disbursements for court and bailiffs' fees. These costs when collected are paid over to the officers interested. Where the taxed costs of solicitors are recovered it is the practice to instruct the agents of the Minister of Justice to deposit them to the credit of the Receiver General, the deposit receipts being sent over to the department interested in due course. While this is the rule of the department, on some occasions, the costs may have been applied by the solicitor collecting them in part payment of his own bill, this practice being the one usually adopted by the legal profession in dealing with their ordinary clients. In view of the special provisions of the Audit Act, this Department has endeavoured, as far as possible, to prevent this being done in cases in which the Crown is interested.

I am, sir, your obedient servant,

The Auditor General. E. L. NEWCOMBE, *D.M.J.*

Re Sale of Supreme Court Reports..

AUDIT OFFICE, OTTAWA, October 30, 1896.

SIR,—The returns for 1895-96 show that the Law Society of Upper Canada got 930 copies each of volumes 24 and 25 at $2, and 1,370 copies of the same volumes at $1.25.

Please explain the circumstances on account of which the reduced price is accepted.

I am, sir, your obedient servant,

The Registrar Supreme Court. J. L. McDOUGALL, *A.G.*

SUPREME COURT OF CANADA, OTTAWA, November 7, 1896.

SIR,—In reply to your letter of the 30th October last, asking for an explanation respecting the sale of reports to the Law Society, I beg to say that in February, 1894, an agreement was concluded with the Law Society for the sale to it of not less than 900, nor more than 1,200 copies of the Supreme Court reports, at the price of $2 per copy, the agreement to last for three years. The first volume affected by this agreement was vol. 22.

On the application of the Law Society who wished to get a larger supply of our reports, this agreement was modified, and it was arranged that, beginning with vol. 24, the Society should take 930 copies at $2, and 770 copies at $1.25 per volume. This agreement will terminate with volume 26, the current volume, and an application for a new agreement is now before the Honourable the Minister of Justice for consideration.

I am, sir, your obedient servant,

The Auditor General. ROBERT CASSELS.
